AGREEMENT

This AGREEMENT is made and entered into by and between the TOWN OF HANOVER, MASSACHUSETTS (hereinafter referred to as the "Town") and the PROFESSIONAL FIREFIGHTERS OF HANOVER, LOCAL 2726, IAFF, (hereinafter referred to as the "LOCAL" or "Union").

No agreement or alteration of the agreement, terms or provisions herein contained shall bind the parties hereto unless made and executed in writing by the parties hereto.

WITNESSETH:

WHEREAS the well-being of the employees covered by this Agreement and the efficient and economic operation of the Fire Department require that an orderly and constructive relationship be maintained between the parties; and

WHEREAS the participation of the employees in the collective bargaining process contributes to the effective conduct of the public business and the administration of the Fire Department; and

WHEREAS the parties to this AGREEMENT consider themselves mutually responsible to establish stable and meaningful relations based on the Agreement;

NOW, THEREFORE, in consideration of the mutual promises and agreements herein contained, these parties mutually agree as follows:

ARTICLE 1
RECOGNITION AND BARGAINING UNIT

Section 1.

The Town recognizes the Professional Firefighters of Hanover, Local 2726, IAFF, as the sole and exclusive bargaining agent of all full-time Firefighters in the Town of Hanover, including Captain-E.M.T., Day Captain E.M.T., Firefighter-E.M.T., and Firefighter, but not to include the Chief or Deputy Chief of the Fire Department, or any Call Firefighters of any rank, or any other employees of the Town of Hanover.

Section 2.

Neither the Town nor the Union shall discriminate in any way against employees covered by this agreement, based upon their membership, or non-membership in the Union, or based on participation or non-participation in lawful union activities.

Section 3.

The Town agrees not to enter into any other individual or collective agreement with any employee(s) covered by this agreement, which is inconsistent with the terms of this agreement.

Section 4. – Agency Service Fee/Union Dues

The Town will advise new employees who are hired to fill a position covered under this Contract that the position is covered by the Contract.

Employees shall tender the initiation fee (if any), and monthly membership dues by signing the authorization of dues form during the life of this Agreement and in accordance with the terms of the form. The Town agrees to deduct weekly union membership dues duly authorized from the pay of each employee in the unit who executed such form and remit the aggregate amount to the Treasurer of the Union, along with a list of employees who have had said dues deducted. Such remittance shall be made by the 15th day of the month following the deduction.

For those members of the bargaining unit who have not signed a membership form and authorized dues deductions as of the date of execution of the Contract, any member of the bargaining unit who is not a member of the Union shall be required to pay an agency service fee. The Union shall annually provide the Town in writing with its calculation of the applicable agency fee.

The Union's recourse against any employee to whom the agency service fee applies but who does not pay it will be to, at the union's discretion, institute appropriate court proceedings to enforce such compliance.

The Union agrees to indemnify and hold harmless the Town, its officers, agents, employees and elected officials for any liability in connection with the administration or enforcement of the Agency Service Fee/Union Dues provisions, including but not limited to any proceeding in which the Town is made a party to the proceeding.

ARTICLE 2

MANAGEMENT RIGHTS

The Local recognizes that the Town, through its Fire Department, has the paramount duty to protect the life and property of the citizens and business enterprises within the Town of Hanover.

The Local also recognizes that the control and administration of the Fire Department is vested in the Board of Selectmen, the Town Manager, and the Fire Chief. This responsibility imposed on the Town by law, and enforced under the control and management of the Board of Selectmen, the Town Manager, and the Fire Chief, prohibits the Town from delegating to others, or otherwise dividing its obligations, authority and duties to make management decisions.

The Local, therefore, recognizes that the management of the Town and the direction of the Fire Force, including the right to hire, discipline, suspend, discharge for proper cause, promote, demote, or transfer, to make work assignments, to determine time and length of work shifts, to determine nature, scope and manner of performance of job duties, the right to reduce the work force for legitimate reasons and the right to issue and enforce rules and regulations, is vested and reserved to the Town and to the Fire Chief, subject, however, to the specific provisions of this Agreement, and to the laws of the Commonwealth of Massachusetts.
