Subject: [Hanover MA] Thank you for your service

tclarkson,

Someone has sent you a message using your contact form on the Hanover MA site.

Dear Troy,

I just wanted to drop you a note to thank you for your service to the town. I have been the pastor of First Congregational Church of Hanover for six years so you have been the town manager during a good part of my time in Hanover. I have appreciated your dedication to the town, your willingness to try new ventures, and your sound fiscal leadership. I know from firsthand experience it is not easy to be a community leader in today's world and I am thankful for people like you who are willing to step up and serve. I know God has great plans for you and will be with you in your next life chapter.

Blessings,

Rev. Eric Stroshine
