TOWN PARTNERS WITH PRIME TO PROMOTE SAFETY

The Hanover Board of Selectmen voted at their meeting on March 6th, 2017 to accept a generous donation from David Rosenberg, President of Prime Motor Group, of a portable speed trailer.

Selectmen Chairman Brian Barthelmes accepted the donation in a ceremony held at Hanover Town Hall. Lt. Brian Metivier was present on behalf of the Hanover Police Department.

The trailer is capable of logging data and providing valuable information on speeds and safety issues on local roads, and will be deployed throughout the community to enhance road safety.
