

Hospital Indemnity Insurance

How will you pay for what your health insurance won't cover?

No matter how well you plan, you can't predict when sudden medical expenses could impact your way of life. Health insurance helps, but it doesn't cover everything. For instance, the average family has more than \$4,000 in out-of-pocket medical costs each year.¹

If you're admitted to the hospital for a covered accident or covered sickness, Medical Bridge,SM Colonial Life & Accident Insurance Company's hospital indemnity insurance, could help pay for out-of-pocket expenses, such as deductibles, co-payments and other expenses. It's coverage that can help protect what you've worked so hard to build.

Medical debt is the single largest cause of consumer bankruptcy.²

One family's journey

Nathan was doing yard work with his wife when his chest pains began. After he was examined by a doctor, the couple was relieved to learn it was just a false alarm.

EMERGENCY ROOM VISIT

Nathan received immediate care at the nearest emergency room.

DIAGNOSTIC PROCEDURE

The doctor ordered an MRI to determine the cause of Nathan's pain.

HOSPITAL CONFINEMENT

Nathan was admitted to the hospital for a 24-hour stay while the doctors ran additional tests. After the tests confirmed there were no issues, he was released the following day.

DOCTOR'S OFFICE VISIT

A few weeks later, he had a follow-up appointment with his family doctor.

NATHAN'S OUT-OF-POCKET EXPENSES

Emergency room co-pay	\$100
Deductible	\$1,500
Doctor's visit co-pay	\$25
	\$1,625

NATHAN'S BENEFITS

Emergency room visit	\$100
Diagnostic procedure	\$250
Hospital confinement	\$1,500
Doctor's office visit	\$25
	\$1,875

In this scenario, Nathan's Medical Bridge benefits helped pay for the out-of-pocket expenses associated with his medical care.
