

The Hanover Board of Health
550 Hanover Street, Suite 17
Hanover, MA 02339
Tel: (781) 826-4611
Fax: (781) 826-5289

Residents of Hanover can request their property be sprayed for mosquitoes free of charge. Spraying is done by The Plymouth County Mosquito Control Project and typically takes place between 4 a.m. and 8 a.m. Monday – Friday.

Please e-mail your request to be sprayed to health@hanover-ma.gov. You must include your street address, last name and your phone number. You may only request your property to be sprayed. Each property owner must send their own e-mail.

It would be most effective if as many people on your street request spraying at the same time. If you do not have access to a computer, you may call the Hanover Health Office at (781) 826-4611 (e-mails are preferred).

For a description of the pesticides most commonly used at Plymouth County Mosquito Control Project, or a list of frequently asked questions, please visit their website at www.plymouthmosquito.com.
