To see if the Town will vote to appropriate, borrow or transfer from available funds, an amount of money to be expended under the direction of the Town Manager/ Hanover School Building Committee for a feasibility study for the Sylvester Elementary School, 495 Hanover Street, for which feasibility study the Town may be eligible for a grant from the Massachusetts School Building Authority, or take any other action relative thereto. **We move that the Town appropriates the amount of Five Hundred Thousand Dollars (\$500,000) to pay costs of a feasibility study to consider options for adding to and renovating the Center/Sylvester Elementary School located at 65 Silver Street in Hanover, including the payment of all costs incidental or related thereto, and for which Town may be eligible for a grant from the Massachusetts School Building Authority ("MSBA"), said amount to be expended under the direction of the School Building Committee. To meet this appropriation the Treasurer, with the approval of the Selectmen, is authorized to borrow said amount under and pursuant to M.G.L. Chapter 44, or pursuant to any other enabling authority. The Town acknowledges that the MSBA's grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any costs the Town incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the Town, and that the amount of borrowing authorized pursuant to this vote shall be reduced by any grant amount set forth in the Feasibility Study Agreement that may be executed between the Town and the MSBA.**

So carries unanimously.
