

FORMATTING - BYLAW REVISIONS OR ADDITIONS

Revisions or additions to the Town's General Bylaws appear as either Town Meeting or Special Town Meeting articles. The Committee requests that Sponsor's provide us with a "draft" proposal, in the appropriate format, as part of your submission.

"Drafts" are subsequently reviewed and approved "as to form", by Town Counsel, prior to inclusion in the Town Meeting warrant.

To further assist in this process, we recommend review of previous Town of Hanover Annual Town Reports. These reports contain Town Meeting articles from the previous year, including examples of "approved" formatting to address your request.

Annual Town Reports are available, for review, at:
Selectman's Office, 550 Hanover St.
Town Clerk's Office, 550 Hanover St.
Town of Hanover, MA. web site

We are pleased to assist with this process. Please contact the current Committee Chair with requests.
