

PUBLIC FLU CLINIC

Flu is unpredictable. Even healthy children and adults can get flu and it can be serious. Protect yourself and those around you by getting your flu vaccine this season. Flu vaccination is the best protection available against flu.

Everyone 6 months and older should get a yearly flu vaccine to reduce the risk of flu related illness, hospitalization, and even death.

The Hanover Board of Health has scheduled a public flu clinic to be held at:

HANOVER TOWN HALL

550 Hanover Street

WEDNESDAY, NOVEMBER 1, 2017

5:30 PM – 7:30 PM

All persons will be asked to present an insurance card which will cover the cost of the flu shot.

No one will be turned away on the basis of insurance eligibility.

Please remember to wear short sleeves.
