New Business

Meeting Minutes:

Mike moved to approve the May 2, 2016, Ed second the motion; so voted unanimously.

Eagle Scout:

Sean Goslin- see attached presentation. Committee thinks his Eagle Scout Project is wonderful.

Planning Department:

Pete asks the Committee to help and participate in the Hanover 300 movement (see attachment). Master Plan was last created in 2008, good for 10-15 years so they are updating it through MAPC. Open Space/Recreation plans last 7 years, can't go to state for funding if it has expired.

Summer Update:

Lauren updates the Committee about summer registration. At this time registration is picking up, but still not as busy as we would like. The \$10/session price increase is in effect.

Eagle Scout:

Meeting continues at Forge Pond Park with Ryan Bruder about message board locations.

Miscellaneous Discussion:

Sunscreen Dispensers- locations need to be approved, Lauren and Debbie will go to all the fields on Friday, June 10th

Electricity at Concessions- we would need a separate meter for them to pay electric bill or set a flat rate

3 Permit Requests

Motion- Ed makes a motion to flip flop HYAA and South Shore Votech on the Permit Application (Votech is now Tier 3, HYAA Tier 4), Mike second the motion; so voted unanimously.

Committee approves Rocket Night and HMS Cross Country permits.

Committee does not approve the request for the car show.

Mike- Forge Pond Park is 99% done, we should have a dedication/open house/unveiling as a FPP Community Day

April moved to adjourn, Debbie second; so voted unanimously. Meeting adjourned at 8:30pm.
