

This indicator includes invoices for all Town departments including the Hanover Public Schools.

There is fluctuation during the year, however a gradual increase in the number of invoices processed in the last quarter approaching fiscal year end with a reduction over the summer months as the school is not in session.

Number of Invoices Paid

This indicator shows the dollars spent by all Town departments including the Hanover Public Schools.

The Town has principal and interest debt payments due in May which creates a large spike. Departments are wrapping up work done in the Fiscal Year to settle obligations owed to Vendors. The Town takes advantages of lump sum payments in July to realize discounts on retirement assessment and insurance policies.

Total Dollars Paid to Vendors
