

This indicator includes invoices for all Town departments including the Hanover Public Schools.

Over the first quarter of 2018, invoices paid have remained even. We will see a spike in the next quarter as we reach the end of the fiscal year.

Number of Invoices Paid

This indicator shows the dollars spent by all Town departments including the Hanover Public Schools.

Dollars spent has remained fairly even over the last quarter. The small spike in April is due to payments for the Center School Project. There will be a large spike in May, when debt payments are due.
