Ms. Nassif attended the Board meeting to discuss the fines that were issued for 2 establishments that they own, Super Petroleum and The Town Pump. Ms. Nassif requested that the board waive the fines if they spent the money on equipment that would require an id to be scanned for each tobacco purchase. Although the Board agreed that it was a good idea, the State regulations do not allow for any fines to be waived. The regulations are that if an establishment is found to be in violation selling tobacco to a minor, there shall be a \$1,000 dollar fine and there shall be a one day tobacco sales permit suspension.
