

These are the minutes from the September 20, 2011 meeting of the Hanover Board of Health. Present were Mr. Walter Moran – Chair, Mrs. Lynn White – Board Member, Mr. Anthony Marino – Health Agent, and Mr. Arthur Ceurvels – Assist. Health Agent

Having a quorum, Mr. Moran called the meeting to order at 6:30 p.m.

6:40 Appointment– Jean Yaworsky (homeowner) was in attendance to discuss her request to repair the septic system at 245 Spring Street. Ms. Yaworsky stated that her 800 gallon septic tank has failed and that she also has 1,000 gallon tank on her property that is currently being used for grey water. She asked the Board for permission to abandon the 800 gallon tank, and tie the exterior plumbing from the 800 gallon tank to the 1,000 gallon tank. Mr. Marino advised that CMR 15.402 would allow the Board to grant a variance. He also stated that a Title 5 inspection should be done prior to any changes. Mr. Marino stated that a filter should be installed in the 1,000 gallon tank to prevent solids for entering the leaching field, and a deep observation hole should be dug at the time of the Inspection to ensure the system working properly. Mrs. White moved to grant a variance to the homeowner to abandon the 800 gallon tank and to use the existing 1,000 gallon tank as permitted in 310 CMR Section 15.402 with the following conditions: a Title 5 Inspection with a deep observation hole, and the installation of a filter in the 1,000 gallon tank. Mr. Moran second the motion, so voted unanimously

7:00 Appointment – Michael Cocomazzi (homeowner) was in attendance to request a set back variance from the existing septic system. Mr. Cocomazzi said that he plans to erect an above the ground deck between the rear of the dwelling and the septic system. Mr. Marino reviewed the proposed plan with the Board. Mrs. White moved to allow the construction of a deck at 63 Tucker as proposed on the plan submitted to the Building Dept. Mr. Moran second the motion, so voted unanimously.

Mrs. White asked Mr. Marino if he was familiar with the issues related to elevated sodium in the Norwell/Hanover public water supply. Mr. Marino said that it hadn't been brought to his attention, however, he will follow-up with Mr. Diniak and report back to the Board.

Mrs. White requested that the Board be given a copy of the community health assessment, Mr. Marino said he will have the document scan and e-mailed to the Board.

The Board signed a document stating that they had voted on Sept 9<sup>th</sup> to eliminate smoking within 25 feet from entrance/exits and windows of any Town owned building.
