

1986 Annual Report Hanover, Massachusetts

**ONE HUNDRED AND THIRTY-FOURTH
ANNUAL REPORT
of the
OFFICERS AND COMMITTEES
of the
TOWN OF HANOVER**

**FOR THE YEAR ENDING DECEMBER 31,
1986**

COVER: Sketch by John Nutter.

Wales Tavern (on left) and
Hanover Academy (with porch).

Hanover Four Corners

This is the ninth cover drawn by Mr. Nutter.

Many compliments have been received on our attractive
Town Report covers, and John Nutter deserves all the credit.

WALES TAVERN

199 Washington Street

In 1794 there occurred in the town of Hanover an event long to be remembered. In an old colonial house on the corner of Old Town Way and the Country Way, Paul Revere enjoyed the warmth of the blazing logs in the great fireplace of the common room and a cup of ale from the little grog shop beyond.

He had come from Boston, probably on horseback, to install the officers of the Old Colony Masonic Lodge and to dedicate their new rooms in the hall built by Silas Morton on the opposite corner. The night was spent in a small bedroom in the upper floor of the tavern.

This old house had been a tavern for a long time previous to Revere's visit. In 1727, Thomas Bardin kept a tavern there according to the book published by the Hanover Historical Society at the town's bi-centennial.

Michael Sylvester, a recorded tavern keeper, married Bardin's daughter Mary. Possibly he followed Bardin at the tavern.

Their daughter Michal, married Cornelius Turner in 1768. Deeds prove that Turner kept this tavern for in 1770 he sold the property to Atherton Wales and in signing the deed, adds to his name — a tavern keeper. In the deed there is no mention of the building, but the boundaries indicate the location as the corner of Washington Street and Broadway.

It was during Wales' residence that Paul Revere came. Earlier, Wales had been active in organizing the Lodge and all the previous meetings had been held in his tavern.

Wales resided there for about 25 years. It is apparent that the original tavern was only a small part of the present building. The main entrance was on Broadway, opening to the large common room and beyond toward the corner was the grog shop.

The large center chimney, front hall and the long parlor were added at some later time. Wales married Ruth, the daughter of Cornelius Turner, and probably enlarged the house to meet the needs of his growing family of four sons and six daughters.

Samuel Donnell apparently was the next owner, for he is recorded as being there at the time of his death in 1807.

For a brief period the house was occupied by John Winslow, a lawyer, the son of Dr. Isaac of Marshfield, while his house was being built on Church Street.

Ephraim Stetson lived at the tavern in 1822. His "grog shop" was a continued annoyance to the temperance advocates of that period. It was either in the old house or in the Academy building, which had been moved from Center Hanover to its present location beside the tavern.

The next owner of the property was Stephen Josselyn. He used the Academy for a store, for the manufacture of shoes, and for a post-office

and lived with his family in the old house, which was never after used as a tavern.

Robert Curtis followed. His mother and Josselyn's wife were sisters. After the death of Curtis, his widow, Elizabeth Savage, married Eben Waterman. The old house was their residence for the rest of their lives, Eben dying in 1920 and Elizabeth in 1924.

The property was inherited by William Snow Curtis, who kept a drug store in the Academy building for many years, and his sister, Mary Curtis Kebbe. Mary's daughter, Elizabeth, sold the property to Robert R. Reed in 1970.

The elm trees which shaded the old house are gone, but the charming appearance of the typical colonial arrangement of the center door and windows around it, facing the sun, reflect the warm hospitality of tavern days and the time beyond.

(From "Houses of the Revolution"

by Barbara U. Barker, Lucy J. Bonney, Anne B. Henderson)

HANOVER ACADEMY

For more than a half century the Hanover academy served a most useful purpose, and a large number of Hanover youths were graduated therefrom, many of them becoming distinguished in the various walks of life.

The first academy building was constructed about 1808, and stood west of the Center meeting house, near the junction of Center and Hanover streets. This building was sold and removed to the Four Corners, and is now occupied by William S. Curtis as a drug store.

The second building was erected in 1828, and stood on Broadway not far from the residence of J. W. Beal. This building served its purpose until 1852, when it was sold and removed to High street in Duxbury, and is now in use as a public hall.

In 1851, a more beautiful and commodious house was erected and dedicated March 2d, 1852; and this was occupied for academy purposes until 1900, when the property passed into the hands of the town of Hanover, and has since been used for school purposes, both grammar and primary grades being taught here.

It may be proper, however, in closing this brief reference to the academy, to quote one stanza from

"A Tribute to the Hanover Academy"

(Written by George Russell Dwelley, one of the graduates.)

"Suggested by the announcement
that the Academy Building was to be sold."

"Our Hanover folk, in their guesses at truth,
Deemed the best none too good for their innocent youth,
So, with foresight of students to come by the score,
They built in their faith one academy more.
What a blessing it was! And what blessing it brought
To the many it raised to new levels of thought!
What friendships it fostered! They live till to-day
In that kingdom within us which knows not decay;
How its influence grew, as its graduates spread,
Making life more worth living, and death the less dread!"

The above is the merest summary of facts in relation to education. Certainly before the incorporation of the town the advantages of the youth must have been extremely limited. Books and newspapers were rare, and many of the children, if they attended school at all, must have walked many miles for the purpose. Yet there were but few who could not read and write.

The influence of Horace Mann gave an impetus to the cause of popular education which was strongly felt by the parents of Hanover, and there has been no backward step.

Perhaps no gathering in the town has been more significant than that held in the Episcopal Church on September 3rd, 1838, at which addresses were delivered in favor of a normal school and a resolution passed approving a plan to raise in the several towns in the county the sum of ten thousand dollars, to provide a school building and apparatus for the same.

Among the speakers at this meeting were Horace Mann, Ichabod Morton, Robert Rantoul, Rev. George Putnam, John Quincy Adams, and Daniel Webster, the latter saying that, if he had as many boys as ancient Priam, he would send them all to the public schools.

Previous to 1850, but few of the residents of Hanover graduated from the colleges or the higher institutions of learning, but since that date the number has been large. We have not attempted to give the names of such graduates but from the colleges, the normal schools, the Institute of Technology, and other schools of recognized standard, the number of graduates can probably be counted by the hundreds.

So many of Hanover's students have attained prominence in their chosen professions that to present the names of all is forbidden and to select a few will seem invidious.

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Hanover:

We respectfully submit the One Hundred and Thirty Fourth Annual Report of the Officers and Committees of the Town of Hanover for the year ended December 31, 1986.

This 1986 Town Report is dedicated to Henry S. Newcomb and Herbert Simmons, and in memory of Ruth Thompson.

Henry S. Newcomb retired as Sealer of Weights and Measures after serving in that position for many years. He was instrumental in the establishment of the Emergency Communications Center, and was the first Chairman of the Council on Aging when it was established over twenty years ago. He is still a very active member of that group. He was a Captain with Engine One of the Hanover Fire Department and served as a Call Fireman for many years. It is difficult to find citizens who are as willing to give of their time for so many good causes. The Town of Hanover owes Henry Newcomb a vote of gratitude.

Herbert Simmons retired from the Department of Public Works after serving for many years as the Highway Superintendent. Under his direction, the roads and public grounds were kept in excellent condition, and people have said that they can tell when they cross any of the town lines into Hanover because the road smooths out. He followed the example of excellence set by his predecessor, Franklin Ames, and has left a fine record to be emulated by those who follow him. We hope that he enjoys his retirement free of the worries caused by weather forecasts of heavy snow.

We were saddened by word of Ruth Thompson's death. She served the Town of Hanover well in many capacities, and held the responsible positions of Tax Collector, Town Clerk, Assistant Treasurer, and Town Accountant. She was active in the Historical Society and the Hanover Garden Club. Most recently she was Chairman of the Membership Committee of the Hanover Chapter of American Association of Retired Persons. Our sympathy goes to her family.

We also note the passing of Charles Jokinen, who gave twenty-five years of faithful service to the Town of Hanover as an employee of the Department of Public Works.

Other public servants who have died during 1986 are:

Russell Ripley, Associate Member of the Board of Appeals

Augustus Waters, Custodian at Hanover Town Hall

Frank Milbery, Hanover Police Officer

**Cynthia Godfrey, Citizens Advisory Board,
Republican Town Committee and Hanover Youth Athletic Association**

Our sympathy goes to all their families. They will be missed and fondly remembered by all who knew and worked with them.

Joseph Zavalia resigned from the Cable Television Advisory when he moved from Hanover.

While he was not a Town employee, Leo Provost will be missed as Station Superintendent at the West Hanover Post Office where he always had a pleasant greeting for the public.

At the Annual Town Meeting in May 1980, under Article 30, it was voted to amend the Town By-laws to establish the position of Town Accountant/Administrator. Gregory Doyon was appointed to this position and has served the town very capably and conscientiously since January 1981. The Board has received his resignation. He plans to work in the Town of Hopkinton as Executive Secretary. We thank him for his loyalty and devotion to his duties during the past six years and wish him a happy and successful future.

The Board will place an Article in the Warrant for the Town Meeting of 1987 for an amendment to the By-laws that will establish a separate position of Administrator in addition to the Accountant's position. It has been found that the two positions are too burdensome for one person to handle. An Acting Town Accountant will carry on the duties of the Accountant's office in the interim.

During 1986, our Engineer worked diligently on plans for improvement of the Route 53 Corridor. Hearings will be held for public information and input, and plans will be available for viewing as they were in 1986. We look forward to the start of this project.

Plans are proceeding on the correction of other problem traffic areas, such as the intersections of Main and Webster Streets, Webster and Whiting Streets, Route 139 and 53. We hope these troublesome areas will be made safer in the very near future.

On Christmas night Saint Andrew's Church was involved in a major fire. We are grateful that there were no personal injuries. We commend our Fire Department and Police Department, and all who helped during this emergency. We look forward to the rebuilding of this historic structure which was featured on the cover of our 1985 Town Report.

The Selectmen meet on Mondays at 7:00 PM. Meetings are open to the public and press. Correspondence is reviewed and hearing held for various licenses.

The Selectmen negotiate contracts with the bargaining units of the Police, Fire, Public Works, and Municipal Employees.

Proclamations are issued to honor people, organizations, and events. We welcome all new citizens to the Town of Hanover, and invite them to join us at Town Meeting on May 4, 1987 at Hanover High School on Cedar Street. We hope they will find it an interesting experience and encourage them to become involved in town affairs and to become registered voters as soon as possible.

We want to maintain a list of interested citizens to fill vacancies on Boards that occur as a result of members being transferred or changes in priorities. We try to match the members' interests with the available vacancies.

We thank the employees, officers and citizens of the Town for their continued cooperation and support.

Respectfully submitted,

BOARD OF SELECTMEN

Robert J. Nyman

A. Donald Deluse

Janet W. O'Brien

REPORT OF THE TOWN CLERK

To the Citizens of Hanover:

We had a busy year with elections, but the turnout of voters was poor. 10% for our Town Election, 13% for the State Primary and our relatively small turnout of 60% for the State Election, a larger percentage than many of the state's municipalities.

I want to thank the election workers for their efforts in helping to make the elections to proceed so efficiently. I am sure it is the sense of civic duty that brings out most of the poll workers.

We receive many phone calls regarding town activities. If the various town organizations would give us names of persons involved and the dates of functions it would help us to pass on correct information.

Town Clerk's receipts for the calendar year 1986 were as follows:

| | |
|------------------------------|--------------------|
| Marriage Intentions | 1,060.00 |
| Vital Statistics | 1,711.50 |
| Mortgage Recordings | 3,525.00 |
| Pole Locations | 150.00 |
| Business Certificates | 740.00 |
| Gas Permits | 1,075.00 |
| Raffle Permits | 100.00 |
| Town Publication and postage | 2,155.40 |
| Board of Appeals | 1,275.00 |
| Declaration of Trust | 30.00 |
| Photocopies | 33.95 |
| Voter Lists | 5.60 |
| Fish & Game Fees | 230.15 |
| Fish & Game Licenses | 5,735.75 |
| 1985 Dog Licenses | 64.00 |
| 1986 Dog Licenses | 6,105.50 |
| Late Dog Fees | 495.00 |
| TOTAL | <u>\$24,491.85</u> |

Respectfully submitted:

John W. Murphy
Town Clerk

GREETING:

To either of the Constables of the Town of Hanover in said County

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town who are qualified to vote in Elections and Town Affairs to meet in the Hanover High School, Cedar Street, Hanover, on Monday the Fifth Day of May, 1986, at 7:30 P.M., for the purpose of a Special Town Meeting, and at 8:00 P.M. on the said Fifth Day of May, 1986, for the purposes of the 1986 Annual Town Meeting.

(For copies of Articles see Journal following)

Polls open from 8 A.M. to 8 P.M. unless otherwise ordered by the Town.

And you are hereby directed to serve this warrant by posting attested copies thereof fourteen days at least before the time of said meeting as directed by vote of the Town.

Hereof fail not, and make the return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this 19th day of April 1986.

A TRUE COPY. ATTEST:

Town of Hanover

Journal of Special Town Meeting Held On Monday, May 5, 1986

The Special Town Meeting at Hanover High School was called to order by George H. Lewald, Moderator at 7:43 P.M., Monday, May 5, 1986, with 336 voters present.

The Moderator asked that the Town Clerk record that the Warrant had been served and returned as required by Town By-Laws.

ARTICLE 1

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money as may be necessary to defray unanticipated School Department costs for the period of July 1, 1985 - June 30, 1986, inclusive, or take any other action relative thereto.

School Committee

VOTED: That the Town appropriate the sum of \$100,000.00 from the Excess and Deficiency Account for this purpose, said funds to be expended under the direction of the Hanover School Committee.

ARTICLE 2.

To see whether the Town will authorize its treasurer and collector to enter into a compensating balance agreement or agreements for fiscal year 1987 pursuant to Chapter 44 Section 53F of the General Laws.

Tax Collector-Treasurer

VOTED: That the Town so do.

ARTICLE 3

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to provide the necessary revaluation for certification by the Department of Revenue. Said sum to be expended under the direction of the Board of Assessors or take any other action relative thereto.

Board of Assessors

VOTED: That the Town appropriate the sum of \$95,000.00 from the Excess and Deficiency Account for this purpose, said funds to be expended under the direction of the Board of Assessors.

ARTICLE 4

To see if the Town will vote to accept Chapter 640 of the Acts of 1985 (an amendment to G.L. Ch. 40, Sec. 57) and pursuant to said Chapter amend the Hanover Town By Laws by adding the following section 4-7 Section 5. Such by-law or ordinances shall provide that:

a. The tax collector or other municipal official responsible for records of all municipal taxes, assessments, betterments and other municipal charges, hereinafter referred to as the tax collector, shall annually furnish to each department, board, commission or division, hereinafter referred to as the licensing authority, that issues licenses or permits including renewals and transfers, a list of any person, corporation, or business enterprise, hereinafter referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges for not less than a twelve month period, and that such party has not filed in good faith a pending application for an abatement of such tax or a pending petition before the appellate tax board.

b. The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers of any party whose name appears on said list furnished to the licensing authority from the tax collector; provided, however, that written notice is given to the party and the tax collector, as required by applicable provisions of law, and the party is given a hearing, to be held not earlier than fourteen days after said notice. Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any party. The tax collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension. Any findings made by the licensing authority with respect to such license denial, revocation or suspension shall be made only for the purposes of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from such license denial, revocation or suspension. Any license or permit denied, suspended or revoked under this section shall not be reissued or renewed until the license authority receives a certificate issued by the tax collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges, payable to the municipality as the date of issuance of said certificate.

c. Any party shall be given an opportunity to enter into a payment agreement, thereby allowing the licensing authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however, that the

holder be given notice and a hearing as required by applicable provisions of law.

d. The Board of Selectmen may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officers or stockholders, if any, or members of his immediate family, as defined in section one of chapter two hundred and sixty-eight in the business or activity conducted in or on said property.

This section shall not apply to the following licenses and permits; open burning, section thirteen of chapter forty-eight; bicycle permits; section eleven A of chapter eighty-five; sales of articles for charitable purposes; section thirty-three of chapter one hundred and one; children work permits, section sixty-nine of chapter one hundred and forty-nine; clubs, associations dispensing food or beverage licenses, section twenty-one E of chapter one hundred and forty; dog licenses, section one hundred and thirty-seven of chapter one hundred and forty; fishing, hunting, trapping license, section twelve of chapter one hundred and thirty-one; marriage licenses, section twenty-eight of chapter two hundred and seven and theatrical events, public exhibition permits, section one hundred and eighty-one of chapter one hundred and forty.

A city or town may exclude any local license or permit from this section by by-law or ordinance.

Tax Collector

VOTED: That the Town so do.

It was voted at 7:55 P.M., to dissolve the Special Town Meeting.

A TRUE COPY. ATTEST:

John W. Murphy, Town Clerk

Journal of Annual Town Meeting Held on Monday, May 5, 1986

(See Warrant and Return of Warrant before Journal for Special Town Meeting held on this same date.)

The Annual Town Meeting at Hanover High School was called to order by George H. Lewald, Moderator at 8:00 P.M., Monday, May 5, 1986, with 336 voters present.

The Town Clerk reported that the Warrant had been served and a return made as required by the Town By-Laws.

Rev. Robert Pohl of the Lutheran Church of the Cross offered the invocation which was followed by the pledge to the flag.

The Moderator, George H. Lewald introduced himself, Town Clerk, John W. Murphy and the members of the Advisory Committee and explained their responsibilities. He outlined the procedure to be followed at the meeting in accordance with the Town By-Laws.

TRIBUTE TO IRVING LOVELL

The Board of Selectmen was saddened by the news that Irving Lovell, who served the Town of Hanover for so many years had passed away in Maine in July.

Irving served Hanover as a Selectman at the time when Selectmen also were called on to be Assessors, and to act as the Board of Public Welfare.

He served on the Board of Assessors for over 15 years.

He was a member of the North Hanover Fire Company starting in 1927.

He was a member and Treasurer of the Republican Town Committee.

He served as a Registrar of Voters.

In addition to his service to the Town in so many ways, he was an active member of the Phoenix Masonic Lodge of Hanover.

We do not find citizens with the time or inclination to devote as much time as Irving did to public service. This is a rare quality that seems to be becoming even rarer, and men with this unselfish attitude are hard to find.

Irving Lovell was a remarkable public servant, and the Town of Hanover pays tribute to his memory. He will be missed.

We respectfully move that this Town Meeting vote to accept this tribute, as part of the official records of this town meeting of May 5, 1986.

Respectfully submitted:

Janet W. O'Brien

Robert J. Nyman

A. Donald Deluse

ARTICLE 1

To see if the Town will accept the reports of the Officers and committees as printed in the Town Report, or take any other action relative thereto.

VOTED: That the Town so do.

ARTICLE 2

To hear reports of the committees and act thereon, or take any other action relative thereto.

VOTED: That the Town so do.

REPORT OF THE BYLAW STUDY COMMITTEE

To the Citizens of the Town of Hanover

During the past year, the Committee has reviewed the bylaws for possible updating, both on an individual member basis and during committee meetings.

In the early months of 1985, the Committee reviewed drafts for the potential bylaw changes concerning the Capital Improvement Committee which subsequently became Article 14 in the 1985 Town warrant.

We would like to extend our services to any organization of Town Government or to citizens who wish to initiate, to update or would like to have the Committee's aid in the research or in the writing of bylaws.

We ask this report be considered as a report of progress.

Respectfully submitted,

Donald W. Moores, Chairman

William N. Middleton

William B. Sides

MYRTLE STREET PLAYGROUND COMMITTEE

Main focus of the committee was to be and I hope they will continue as an Ad Hoc to see exactly the usage of not only the Myrtle Street Playground but also the usage of other land that is available to the town. The questions that did come to the surface as far as the legal ramifications were the value of the land, what could be done with the land as far as utilization and also funding. We felt when talking with Mr. Nyman and another gentleman that we didn't have enough time either through my fault or others to present a complete package to the town. We feel it would be best to work as an Ad Hoc Committee if it is the pleasure of the town meeting and to continue under your direction to give a formalized report and also a 5-year or 10-year plan with cost for continuing to use the land and expanding upon it.

Respectfully submitted:

Michael O'Malley

ARTICLE 3

To see if the Town will vote to fix the pay of its elective officers as required by law, or take any other action relative thereto.

| | |
|-----------------|----------------------|
| Town Clerk | \$19,150.00 per year |
| Town Treasurer | 19,150.00 per year |
| Tax Collector | 19,150.00 per year |
| Moderator | |
| Annual Meeting | 75.00 per meeting |
| Special Meeting | 25.00 per meeting |

VOTED: That the Town so do.

ARTICLE 4

To see if the Town will adopt the Capital Program of the Capital Improvement Committee for the fiscal years 1988 through 1992 subject to affirmative action at the several future town meetings.

Capital Improvement Committee

VOTED: That the Town adopt the 5-year capital plan as contained on pages 26-27 of the CIC Report.

ARTICLE 5

To see if the Town will vote to amend the Classification and Salary Plan of the Town by deleting in their entirety 20A and 20B of said plan relative to the Classification of Positions and Pay Schedules and inserting therein the following Classification of Positions and Pay Schedules or take any other action relative thereto. Said Classification and Pay Schedules to be effective July 1, 1986.

Personnel Board

Moved that the Town amend the Classification and Salary Plan of the Town as follows:

VOTED: That the Town so do.

ARTICLE 6

To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town Charges for the period July 1, 1986 through June 30, 1987, inclusive, or take any other action relative thereto.

The following is a copy of the advertisement to do with Revenue Sharing Funds (State and Local Assistance Act of 1972.)

TOWN OF HANOVER

NOTICE TO HANOVER CITIZENS

The Town of Hanover will conduct a budget hearing for revenue sharing expenditures at 8:00 P.M. on Monday, May 5, 1986, at the Hanover High School on Cedar Street.

The amount of revenue sharing funds to be discussed for this fiscal year is \$180,000, plus anticipated funds of \$50,000 to be received in FY87

All interested citizens will have the opportunity to give written and oral comment on uses of the funds. Senior citizens are encouraged to attend and comment. Handicapped persons needing assistance or aid should contact the Selectmen's office before the meeting.

The following budget is proposed for fiscal year 1987.

| <i>Category</i> | <i>Total of all Funds</i> | <i>Revenue Sharing Funds</i> |
|-----------------------------------|-------------------------------|----------------------------------|
| General Government | 491,474 | 0 |
| Protection of Persons & Property | 1,483,951 | 150,000 |
| Public Schools | 8,265,578 | 0 |
| S. S. Vocational Technical School | 220,115 | 0 |
| Department of Public Works | 1,273,543 | 0 |
| Health and Sanitation | 384,166 | 0 |
| Interest on Maturing Debt | 471,299 | 0 |
| Pension and Retirement | 404,454 | 0 |
| Veterans' Assistance | 67,700 | 0 |
| Parks & Recreation | 10,866 | 0 |
| Library | 123,339 | 0 |
| Unclassified | 630,525 | 0 |
| Grand Total Uses | \$13,827,010 | \$150,000 |

The proposed budget in its entirety may be examined on weekdays at the Selectmen's Office, Town Hall, between 8 A.M. - 12 Noon and 1 P.M. - 4 P.M. It will also be delivered to the homes of Hanover residents on Saturday, April 16, 1986.

Board of Selectmen

Moved that the Town raise and appropriate or appropriate from available funds, such sums of money to defray town charges in the amounts specified and by the method designated, as recommended for Article 6 on the following pages of the Advisory Committee Report. Each item is to be considered as a separate appropriation and such appropriation is to be expended for that purpose only.

** The lower figure was used in the reading of the motion.

UNANIMOUSLY VOTED: That the Town so do.

ARTICLE 7

To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector may use, or take any other action relative thereto.

Town Treasurer

VOTED: That the Town so do.

ARTICLE 8

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue for the fiscal year beginning July 1, 1986, in accordance with the provisions of General Laws, Chapter 44, Section 4, and acts in amendment thereof, and including in addition thereto Chapter 849 of the Acts of 1969 as amended, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17, or take any other action relative thereto.

Town Treasurer

VOTED: That the Town so do.

ARTICLE 9

To see if the Town will vote to authorize its Treasurer to accept such trust funds as may be placed in his hands during the fiscal year commencing July 1, 1986, or take any other action relative thereto.

Town Treasurer

VOTED: That the Town so do.

ARTICLE 10

To receive such accounts as may be presented against the Town, and act thereon, or take any other action relative thereto.

Town Accountant

Moved that the Town appropriate from available funds the sum of \$202.00; to reimburse the Council on Aging expenses for the Estate of Marjorie Briggs, \$152.00; to reimburse Henry Newcomb \$50.00.

VOTED UNANIMOUSLY: That the Town so do.

ARTICLE 11

To see if the Town will vote to authorize its Treasurer, with the approval of the Board of Selectmen, to dispose of such parcels of real estate as may have been or may be taken by the Town under Tax Title foreclosure proceedings, or take any other action relative thereto.

Town Treasurer

VOTED: That the Town so do.

ARTICLE 12

To see if the Town will vote to transfer the following unexpended balances to the E and D Account:

Moved that the Town transfer the following unexpended balances to the E & D Account: Article 32 1984 Dump Truck 152.10; Article 33 1984 Chassis/Sander Body 307.05; Article 28 1985 Maint. Van 63.37; Article 30, 1985 Micro-computers 5.82; Article 33 1985 Intercoms 1,354.00;

VOTED: That the Town so do.

ARTICLE 13

To see if the Town will assume liability in the manner provided by Sections 29 and 29A of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by work to be performed by the Department of Environmental Quality Engineering of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tidewaters, foreshores and shores along a public beach (including the Merrimack and Connecticut Rivers) in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Board of Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Board of Selectmen

VOTED: That the Town so do.

ARTICLE 14

To see if the Town will vote to appropriate the sum of \$112.27 the sum of the 1985 Dog Tax, to the Trustees of the John Curtis Free Library, said money to be expended under the jurisdiction of the Trustees of said Library, or take any other action relative thereto.

Trustees of the John Curtis Library

VOTED: That the Town appropriate the sum of \$112.27 for this purpose.

ARTICLE 15

To see if the Town will vote to appropriate, as one sum, for the use of the Trustees of the John Curtis Free Library, the sum of \$5,679.00 now in the E & D Account, representing the receipts from State Assistance to that Library during the Fiscal Year 1986, or take any other action relative thereto.

Trustees of the John Curtis Free Library

VOTED: That the Town appropriate the sum of \$5,679.00 for this purpose.

ARTICLE 16

To see if the Town will vote to appropriate, as one sum, for the use of the Trustees of the John Curtis Free Library, the sum of \$5,552.53, now in the E & D Account, representing fines received by the Library during fiscal year 1985, or take any other action relative thereto.

Trustees of the John Curtis Free Library

VOTED: That the Town appropriate the sum of \$5,552.53 for this purpose, said monies to be expended under the direction of the Board of Library Trustees.

ARTICLE 17

To see if the Town will raise and appropriate or appropriate from available funds the sum of \$1,050.00 to be used as a self-supporting fund for "Preschool Storytime" at the John Curtis Free Library, or take any other action relative thereto.

Trustees of the John Curtis Free Library

VOTED: That the Town appropriate from the E & D Account the sum of \$1,050.00 for this purpose, such funds to be expended under the direction of the Library Trustees.

ARTICLE 18

To see if the Town will vote to authorize the Trustees of the John Curtis Free Library to enter into a regional contract with the Old Colony Network for the purpose of regional automation and to raise and appropriate, or appropriate from available funds, the sum of \$17,691.00 to purchase equipment through said Old Colony Library Network pursuant to this contract, or take any other action relative thereto.

Trustees for John Curtis Free Library

VOTED: That the Town appropriate from the E & D Account the sum of \$17,691.00 for this purpose, such funds to be expended under the direction of the Library Trustees.

ARTICLE 19

To see if the Town will vote to authorize its Selectmen pursuant to Chapter 40, Section 3, of the General Laws to convey to the Hanover Conservation Commission certain parcels of land known as Lots 36, 37, 38 and 39 of Plan 63

of the Assessors Maps to be held and administered by said Conservation Commission pursuant to Chapter 40, Section 8c of the General Laws, or take any other action relative thereto.

Board of Selectmen

VOTED UNANIMOUSLY: That the Town so do.

ARTICLE 20

To see if the Town will vote to authorize the Board of Selectmen to appoint a Financial Planning Committee to perform a detailed analysis of the existing financial planning capabilities of the Town of Hanover, and to develop and recommend a process to aid the various Town departments in both short and long term financial planning.

The Committee shall consist of five members, one each from the Advisory Board, the Capital Improvement Committee, and three citizens at large.

Further, said Committee shall be empowered to apply for grants as may be specifically related to this process, and with these designated funds so received, to engage the services of outside consultants. The Committee shall issue a final report to the 1987 Annual Town Meeting and dissolve.

Board of Selectmen

VOTED: That the Town so do.

ARTICLE 21

To see if the Town will vote to authorize the Selectmen to appoint a Growth Policy Committee to study the impacts of growth of the Town and to make recommendations for appropriate growth management strategies to the town.

The Committee shall consist of eleven members, one each from the following Board and Committees: Selectmen, Planning, Health, Conservation, Public Works, and six citizens at large, or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town so do.

ARTICLE 22

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to be used by the Hanover Growth Policy Committee in the performance of their responsibility as outlined in Chapter 807 of the Acts of 1975, or take any other action relative thereto.

Board of Selectmen

VOTED: That this Article be passed over.

ARTICLE 23

To see if the Town will vote to raise and appropriate, appropriate from available funds, or borrow in accordance with Chapter 44, Section 7 (3) of the General Laws, a sum of money to be used for final plans, specifications, bidding documents, site preparation, construction and furnishing and

equipping of a new Fire Headquarters, or take any other action relative thereto.

Fire Station Study Committee

VOTED UNANIMOUSLY: That the Town vote to appropriate the sum of \$1,400,000.00 to be expended under the direction of the Fire Station Building Committee and the Board of Selectmen for final plans, specifications, bidding documents, site preparation, construction, furnishing and equipping a new Fire Headquarters and that to raise such appropriation, the Treasurer, with the approval of the Selectmen, is hereby authorized to borrow the sum of \$1,400,000.00 under and pursuant to Chapter 44, Section 7(3) of the General Laws as amended and supplemented, or any other enabling authority, and to issue bonds or notes therefor.

ARTICLE 24

To see if the Town will vote to raise and appropriate, appropriate from available funds, or borrow in accordance with Chapter 44, Section 7 (3) of the Mass. General Laws the sum of \$15,000.00 to purchase a certain parcel of land with buildings thereon as shown on the Hanover Assessors Maps as Lot 69, Plan 54, commonly called Center Hanover Fire Station, from the Center Hanover Firemen's Association, or take any other action relative thereto.

VOTED UNANIMOUSLY: That the Town appropriate the sum of \$15,000.00 to be expended under the direction of the Fire Station Building Committee and the Board of Selectmen to purchase for fire station purposes a certain parcel of land with the buildings thereon shown on the Hanover Assessors Maps as Lot 69, Plan 54, commonly called Center Hanover Fire Station, from the Center Hanover Fireman's Association and that to raise such appropriation, the Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of \$15,000.00 under and pursuant to Chapter 44, Section 7 (3), of the General Laws as amended and supplemented, or any other enabling authority, and to issue bonds or notes therefor.

ARTICLE 25

To see if the Town will vote to amend the Hanover Zoning By-Laws as follows:

Add a new paragraph to Section VI USE REGULATION, C., Residence A District

5. Cluster Development, as described below, may be permitted upon review and approval by the Planning Board and acceptance by a 2/3 majority at a regularly scheduled Annual Town Meeting. The number of cluster developments presented to an Annual Meeting shall be limited to five (5) at any regularly scheduled Annual Town Meeting (not Special Town Meeting).

After approval at Town Meeting, approval of any Cluster Development shall be considered as a Special Permit and subject to the procedures and provisions of the site plan section of the Hanover Zoning Bylaws ("Site

Plan Approval,"Section VII, G.). The Special Permit Granting Authority is hereby designated as the Hanover Planning Board. Any approval so granted shall be subject to the provision that construction must begin and proceed in a timely fashion within one year of approval. The filing fee and the inspection fee charged by the Planning Board for such application shall be calculated in the same manner as though for a subdivision.

- a. **Minimum Development Size:** Twenty (20) usable acre minimum with a maximum of forty-five (45) usable acres. In calculating the usable acreage in any 20/45 acre parcel, the applicant shall exclude any portion which falls within the following categories: (1) Areas within the Water Resource Protection District; (2) Wetlands areas as shown on the Conservation Commission Wetland Map in effect at the time of submission; (3) Areas which may be determined as Wetlands by reason of vegetative growth or other engineering criteria by the Conservation Commission; (4) Areas which fall within the Hanover Floodplain as defined in the F.E.M.A. maps in effect at the time of the application; (5) Other areas which may be determined by qualified engineering studies to be sensitive to the Hanover Water Supply, the ecology of the general area or otherwise pose a threat of similar nature to the adjoining residents and property in the locale.
- b. **Minimum Open Green Space:** Half the usable portion of the parcel (i.e., excluding those areas outlined immediately above) shall remain undisturbed during and after construction and shall be devoted to passive or active recreational use. In addition to the above the plan shall include an area of private open space. This space shall be adjacent to and clearly related to each dwelling unit. This private open space shall be a minimum equal to the total floor area of each dwelling.
 - i. All unbuildable land not considered part of the open space, as set forth in paragraph 5. a. above, shall be deeded to the Hanover Conservation Commission prior to development of the first unit. The cost for establishing the boundaries of this land shall be borne by the developer.
- c. **Maximum Density:** 1.35 units per acre rounded down. These units shall be sited in such a manner that not more than five (5) units are situated on any one given acre. In addition, no more than four dwelling units shall be attached together.
- d. **Maximum Cluster Size:** 1.35 units times total usable acreage, rounded down.
- e. **Roads and Parking:** All roadways within the development shall be designed and built to conform with the "Rules and Regulations Covering the Subdivisions of Land in Hanover, Massachusetts" (commonly referred to as "Road Regulations of the Planning

Board"). Parking areas shall be designed and constructed to the specifications of the Hanover Planning Board in conformance with parking areas in Business, Commercial and Limited Industrial Districts as mandated by the Hanover Zoning By-Law. The Planning Board shall specifically require proper curbing and/or curb stops to prevent incursion by vehicles onto landscape areas and to control the flow and disposition of surface water. The use of "dumpsters" or other means of rubbish collection shall also be addressed in a manner similar to commercial developments.

- i. Guest Parking: There shall be a minimum of two parking spaces per dwelling unit plus guest parking in the ratio of one space for each three units. Said parking areas are to be surrounded by a buffer area as specified in Section 5., f., 7., and said buffer area is to be landscaped and planted in conformance with the requirements for "front yard buffer areas" as specified in the Hanover Zoning Bylaws. It is expressly intended that said buffer area not be used for any construction, including leaching, septic and any and all forms of construction.
 - ii. Parking and/or storage of vehicles, other than passenger cars (including but not limited to trucks, recreation vehicles, trailers, campers, boats and/or boat trailers, etc.) shall not be allowed in the regular parking areas outlined above. Special provisions for these vehicles shall be made by providing a separate area within a minimum of 10,000 square feet for developments of 20 acres and proportionally greater for larger developments. These areas shall be screened as specified in Section 5., e., above and shall include a closed fence of commonly-called "stockade type" for any entrances to said area.
 - iii. Inoperable and/or unregistered vehicles will not be stored in the area designated for resident or guest parking.
- f. Dimensions:
- i. The front yard setback to any building from an accepted town way shall be a minimum of 350 feet and the frontage shall include a buffer area before any parking or other uses of 200 feet. In accordance with existing zoning requirements said front buffer shall be landscaped as required of front buffers in business, commercial and limited industrial districts.
 - ii. Minimum frontage shall be 500 feet on an accepted townway.
 - iii. Minimum distance between any dwelling unit and an interior lot line shall be 100 feet.
 - iv. Minimum distance between clusters shall be 75 feet.
 - v. Minimum distance between buildings within a cluster shall be 50 feet.

- vi. Maximum distance from a dwelling's primary entry to its dedicated parking space shall be 300 feet.
- g. All attached dwelling units shall be single family in design (i.e., town houses) with a single family owning (or renting in the case of units controlled by the Hanover Housing Authority) from ground to sky. All units shall be limited to 2 1/2 stories and shall be no more than 35 feet above grade.
- h. Dwelling units shall have a maximum of three bedrooms and two and one half baths.
- i. Dwelling units shall be owner occupied except in the case of those units controlled by the Hanover Housing Authority and may not be rented, subdivided or otherwise occupied.
- j. No lot shown on a plan for which a permit is granted under this section shall be subdivided and a notation to this effect shall be shown on the plan.
- k. The proposed development shall be a cooperative, condominium or similar association of home owners; the master deed shall provide for the home owner's association to maintain common grounds with the exception of lands deeded to the Hanover Conservation Commission.
- l. No principle or accessory use other than residential shall be permitted and this condition shall be included in the deed as well as the By-Laws of the Home Owners Association.
- m. Any proposed footpaths shall be in keeping with the natural setting of such an area.
- n. Relation to Subdivision Control Act: The granting of approval hereunder shall not constitute compliance with the Subdivision Control Law nor oblige the Planning Board to approve any related definitive plans for subdivision, nor reduce any time periods for Planning Board consideration under that law.*
However, in order to facilitate processing, the Planning Board shall, insofar as practical under law, adopt regulations establishing procedures of a combined plan and application which shall satisfy this section and the Planning Board's regulations under the Subdivision Control Law. All streets, ways, and utilities within or serving the cluster development shall conform with all Planning Board subdivision regulations even if the proposed development is not subject to the Subdivision Control Law, excepting that gas, electric, telephone, cable and similar utilities shall be underground.
- o. Effective Dates & Sunset Provision.
 - i. This By-law shall become effective upon passage, subject to the approval of the Attorney General.
 - ii. Applications for review under Section VI, C. 5 may be made until Friday, September 1, 1989 or until the fifth (5th) such application is received whichever event occurs later in time.

- p. In order to implement the terms of the By-Law regarding increased density, the developer shall:
- i. Deed 10% of all dwelling units to the Hanover Housing Authority for use in the placement of low and moderate income families or
 - ii. 10% of the selling price of each and every dwelling unit is to be paid over within thirty (30) days of passing to the Town of Hanover for the purpose of distribution of funds for the housing needs of low and moderate income families within the Town. These funds are to be placed in a separate account and distributed through the office of the Selectmen upon petition by the Hanover Housing Authority and review of the Hanover Housing Assistance Board, as set forth more fully in 5q. below.
- q. A newly created entity called the Hanover Housing Assistance Board (HHAB) shall be appointed by the Board of Selectmen to consist of three residents at large with the expressed responsibility of monitoring placements in units referenced in p.i., above and further to monitor the disbursement from the Board of Selectmen to the Hanover Housing Authority. This Board is established for the purpose of monitoring activities regarding the placement of residents or expenditure of funds realized through the enactment of this By-law only.
- r. It is expressly intended that all units in conjunction with the above provisions shall be like in nature and quality as those constructed for the purpose of sale at Fair Market Value. Likewise the units referred to in Section 5., p.i. shall be scattered throughout the development and shall not be isolated or maintained in any one section.
- s. Upon application for review by the Planning Board, it is expressly intended that the Planning Board may waive granite curbing requirements except as outlined in Section e., i and e., ii and buffer requirements as outlined in Sections f., i; f., ii; f., iii; f., iv.; f., v.; f., vi; and f., vii.

A motion to amend paragraph b. by inserting after the word "construction" in the third line the following: unless disturbance is required for construction of active and passive recreation.

This motion was defeated.

A motion to move the question was voted 221 in the affirmative and zero in the negative.

A motion to accept the Article was defeated 108 in the affirmative and 116 in the negative.

After Article 64 a motion to reconsider Article 25 was defeated 98 in the affirmative and 69 in the negative not the required 2/3 vote.

ARTICLE 26

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$10,000. to begin work on the development of the Hanover Center Cemetery as outlined in the Master Plan or take any other action relative thereto.

Board of Public Works

VOTED: That the Town appropriate the sum of \$10,000.00 from the Sale of Lots Accounts for this purpose, to be expended under the direction of the Board of Public Works.

ARTICLE 27

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$80,000. to maintain and resurface various Town roads. The funds (approximately \$60,000) provided on the Cherry Sheet under Chapter 577, Acts of 1971 (Gas Tax) to be applied to this article. Said work to be at the direction of the Board of Public Works or take any other action relative thereto.

Board of Public Works

VOTED: That the Town appropriate the sum of \$80,000.00 for this purpose. \$56,989.00 to be Gas Tax refund from the Cherry Sheet; \$23,011.00 from the Excess and Deficiency Fund.

ARTICLE 28

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$39,131. to apply the top surface of Type I Bituminous Concrete on Whiting Street from Station 0+00 to Station 49+00. This sum to be reimbursed through State Aid under Chapter 140, Acts of 1985. Said work to be at the direction of the Board of Public Works or take any other action relative thereto.

Board of Public Works

VOTED: That the Town appropriate the sum of \$39,131.00 from the Excess and Deficiency Fund for this purpose.

ARTICLE 29

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$30,000. to purchase one new dump truck and authorize the trade in of one 1975 Dump Truck. Purchasing and equipping to be at the direction of the Board of Public Works or take any other action relative thereto.

Board of Public Works

VOTED UNANIMOUSLY: That the Town appropriate the sum of \$30,000.00 from the Stabilization Fund for this purpose.

ARTICLE 30

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$10,000 to purchase and equip one new ½ ton truck and trade in one 1974 International Pick-Up Truck. Funds for same to be transferred from the balance in Article 60 of the 1985 Annual Town Meeting. Purchasing and equipping to be at the direction of the Board of Public Works or take any other action relative thereto.

Board of Public Works

VOTED: That the Town transfer from the unexpended balance in Article 60 of the 1985 Annual Town Meeting, the sum of \$10,000.00 for this purpose, to be expended under the direction of the Board of Public Works.

ARTICLE 31

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$18,000.00 for a design of Main Street from Silver Street to Plain Street for the purpose of future reconstruction including drainage or take any other action relative thereto.

Board of Public Works

VOTED: That this Article be passed over.

ARTICLE 32

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$18,000.00 for a design of Whiting Street from Cedar Street to Route 123 (Webster Street) for the purpose of future reconstruction including drainage or take any other action relative thereto.

Board of Public Works

After much discussion motion to Accept this Article was defeated.

It was voted at 11:20 to adjourn this meeting to convene at the High School on Tuesday, May 6, 1986 at 8:00 P.M. SO VOTED

A TRUE COPY. ATTEST:

John W. Murphy
Town Clerk

Journal of Annual Town Meeting Held On Tuesday, May 6, 1986

The adjourned Annual Town Meeting was called to order at Hanover High School at 8:05 P.M. with 206 voters present.

ARTICLE 33

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for engineering services for the study of intersections in the Town of Hanover to improve their safety and to ease the flow of traffic.

Center, Main, Silver and Hanover Streets (Rte. 139) Webster and Main; Webster and Whiting Streets
or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town raise and appropriate the sum of \$20,000.00 for this purpose, said funds to be expended under the direction of the Board of Public Works.

ARTICLE 34

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$28,000. to be added to the sum appropriated under Article 56 of the 1985 Annual Town Meeting to complete final designs and provided construction services for Phase I of the Route 53 roadway design, said monies to be expended under the direction of the Board of Selectmen, or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town appropriate the sum of \$28,000.00 from the E & D Account for this purpose, such funds to be expended under the direction of the Board of Selectmen.

ARTICLE 35

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to fund the survey and preliminary design for Phase II of the Route #53 reconstruction project, said sum to be expended under the direction of the Board of Selectmen, or take any other action relative thereto.

Board of Selectmen

VOTED: That the sum of \$38,000.00 be appropriated from the E & D Fund for this purpose, such funds to be expended under the direction of the Board of Selectmen.

ARTICLE 36

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$10,000.00 to purchase fourteen portable radios to be used by the Hanover Police Dept., or take any other action relative thereto.

Police Department

VOTED: That this article be Passed Over.

ARTICLE 37

To see if the Town will vote to raise and appropriate or appropriate from available funds \$2,500.00 for furnishing and installation of equipment to properly ventilate the generator room in order to prevent equipment failure caused by present lack of ventilation, or take any other action relative thereto.

Board of Selectmen

VOTED: That this Article be Passed Over.

ARTICLE 38

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$90,000.00 to purchase and equip a 250 GPM pumping engine or "Midi-pumper" and to authorize the trade-in of a 1958 Dodge forest fire truck. Said purchase and equipping to be under the direction of the Fire Chief, or take any other action relative thereto.

Fire Department

VOTED UNANIMOUSLY: That the Town appropriate the sum of \$90,000.00 from the Stabilization Fund for this purpose, such funds to be expended under the direction of the Fire Chief.

ARTICLE 39

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$26,000. to be added to the Public Safety Vehicle Account as established under Article 32 of the 1983 Annual Town Meeting, said funds to be expended under the direction of the Board of Selectmen, or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town appropriate the sum of \$26,000.00 from the E & D Account for this purpose, such funds to be expended under the direction of the Board of Selectmen.

ARTICLE 40

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$11,000.00 to purchase, equip and house an emergency generator at the Public Works Garage. Funds for same to be transferred from the balance in Article 60 of the 1985 Annual Town Meeting. Purchasing and equipping to be at the direction of the Board of Public Works, or take any other action relative thereto.

Board of Public Works

VOTED: That this Article be passed over.

ARTICLE 41

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$21,000.00 to replace the wooden grounds equipment building located at the B. Everett Hall Playground, or take any other action relative thereto.

Board of Public Works

VOTED: That this Article be passed over.

ARTICLE 42

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of money to construct a handicapped access ramp into Town Hall and to purchase and install accessible doors into the Town Hall and John Curtis Free Library, said funds to be expended under the direction of the Board of Selectmen, or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town raise and appropriate the sum of \$11,000.00 for the purpose of constructing a new handicapped access ramp and installation of electronic doors to the Town Hall.

ARTICLE 43

To see if the Town will vote to raise and appropriate or appropriate from available funds or bond the sum of \$25,000.00 for the purchase of microcomputers and related hardware and software to be used for classroom instruction in the Hanover Schools or take any other action relative thereto.

Hanover School Committee

VOTED: That the Town raise and appropriate the sum of \$10,800.00 for the purchase of six (6) Apple computers for the use in the elementary grade of the Hanover School System, such funds to be expended under the direction of the School Committee.

ARTICLE 44

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$13,500 for the purchase of new four-wheel drive pick-up truck to replace the 1975 International pick-up truck now used by the School Department, or take any other action relative thereto.

Hanover School Committee

VOTED: That the Town appropriate the sum of \$13,500.00 from the E & D Account for this purpose, said funds to be expended under the direction of the School Committee.

ARTICLE 45

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$14,000 for the purchase of a new window van with seats to replace the 1975 Dodge Minibus now used by the School Department or take any other action relative thereto.

Hanover School Committee

VOTED: That this Article be passed over.

ARTICLE 46

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$8,500 for the purchase of a new tractor to replace the 1968 Simplicity Tractor now used by the School Department, or take any other action relative thereto.

Hanover School Committee

VOTED: That this Article be passed over.

ARTICLE 47

To see if the Town will vote to raise and appropriate, appropriate from available funds, or bond \$22,000 for the blacktopping and improving school parking areas, or take any other action relative thereto.

Hanover School Committee

VOTED: That this Article be passed over.

ARTICLE 48

To see if the Town will vote to raise and appropriate or appropriate from available funds or bond the sum of \$450,000.00 for the repair construction or reconstruction of the High School roof, and to develop plans and specifications for this purpose, or take any other action relative thereto.

Hanover School Committee

VOTED UNANIMOUSLY: That the sum of \$314,000.00 be hereby appropriated for the reconstruction of the High School roof including plans and specifications, and that to raise such appropriation, the Treasurer, with the approval of the Selectmen is hereby authorized to borrow the sum of \$314,000.00 under and pursuant to Chapter 44, Section 7 (3a) of the General Laws as amended and supplemented, or any other enabling authority and to issue bonds or notes therefor.

ARTICLE 49

To see if the Town will vote to raise and appropriate, appropriate from available funds, or bond a sum of money for the testing, repair and/or replacement of oil tanks at the Hanover Schools, or take any other action relative thereto.

Hanover School Committee

VOTED: That this Article be passed over.

ARTICLE 50

To see if the Town will vote to raise and appropriate, appropriate from available funds, or bond \$30,895 for equipment in the Hanover Schools, or take any other action relative thereto.

Hanover School Committee

VOTED: That this Article be passed over.

ARTICLE 51

To see if the Town will vote to raise and appropriate, appropriate from available funds, or bond \$102,000 for contracted services to be performed in the Hanover Schools, or take any other action relative thereto.

Hanover School Committee

VOTED: That this Article be passed over.

ARTICLE 52

To see if the Town will vote to appropriate the sum of \$14,000.00 from the Surplus Water Revenue Account to purchase and equip a new 10,000 GVW van and trade in the 1981 10,000 GVW Ford van, said funds to be expended at the direction of the Board of Public Works or take any other action relative thereto.

Board of Public Works

VOTED: That the Town appropriate the sum of \$14,000.00 from the Surplus Water Revenue Account for this purpose, said funds to be expended under the direction of the Board of Public Works.

ARTICLE 53

To see if the Town will vote to raise and appropriate, appropriate from available funds, or borrow in accordance with Chapter 44, Section 7, (28) and (29) a sum of money to purchase and install computer hardware as well as computer software incidental thereto, said monies to be expended under the direction of the Board of Selectmen, or take any other action relative thereto.

Board of Selectmen

VOTED: That this Article be passed over.

ARTICLE 54

To see if the Town will vote to appropriate \$60,000.00 from the Surplus Water Revenue Account to clean and paint the interior and exterior of the one million gallon capacity Walnut Hill standpipe, including sandblasting and epoxy coating the interior and cleaning and epoxy coating the exterior of the tank and erecting an 8' high chain link fence around the property, said funds to be expended by the Board of Public Works, or take any other action relative thereto.

Board of Public Works

VOTED: That this Article be passed over.

ARTICLE 55

To see if the Town will vote to appropriate \$20,000.00 from the Surplus Water Revenue Account to install an intrusion alarm system for the Union Street, Walnut Hill and School Street standpipes and provide facilities for housing radio equipment for Police and other Town Departments and rental antenna space, the funds to be expended by the Board of Public Works, or take any other action relative thereto.

Board of Public Works

VOTED: That this Article be passed over.

ARTICLE 56

To see if the Town will vote to appropriate the sum of \$90,000.00 from the Water Revenue Account FY87 for final engineering and design for the 24 inch, 20 inch and 16 inch size reinforcement mains on Old Washington Street, Union Street, east of and including Constitution Way and the easement to the

Union Street standpipe and Washington Street as recommended in the May 1979 Report on Water System Evaluation and accompanying Plan of Water Distribution System Improvements; and a new 10 inch water main on Washington Street running northerly 3,450 feet from Pond Street to the northerly intersection of Old Washington Street and Washington Street; and a new 12 inch water main running easterly on Webster Street from Washington Street a distance of 250 feet; and for contract drawings, specifications and required contract documents for that part running northerly from Union Street on Old Washington Street and Washington Street to a point 200 feet south of the Route 3 overpass, a distance of 12,800 feet approximately, the funds to be expended at the direction of the Board of Public Works who are authorized to apply for, receive and spend as approved funding at the State and Federal levels including but not limited to Mass. Chapter 805 Water System Rehabilitation Program, or take any other action relative thereto.

Board of Public Works

VOTED: That the Town appropriate the sum of \$90,000.00 from the Surplus Water Revenue Account for this purpose, such funds to be expended under the direction of the Board of Public Works.

ARTICLE 57

To see if the Town will vote to appropriate the sum of \$7,000.00 from the Water Revenue Account FY87 for the purpose of making an application for a grant for funds to acquire land to protect the Town's water supply, funds to be expended at the direction of the Board of Public Works, or take any other action relative thereto.

Board of Public Works

VOTED: That this Article be passed over.

ARTICLE 58

To see if the Town will vote to appropriate the sum of \$55,000.00 from the Surplus Water Revenue Account for engineering studies and test wells to update the 1979 Water Supply Evaluation Report as concerns water supply sources and development to meet the Town's water supply requirements over the period 1990 through 2010, said funds to be expended at the direction of the Board of Public Works, or take any other action relative thereto.

Board of Public Works

VOTED: That the Town appropriate the sum of \$55,000.00 from the Surplus Water Revenue Account for this purpose.

ARTICLE 59

To see if the Town will vote to appropriate the sum of \$45,000.00 from the Surplus Water Revenue Account to rehabilitate and repair the Water Treatment Plant and operating appurtenances including conversion to improved systems, said work to be under the direction of the Board of Public Works, or take any other action relative thereto.

Board of Public Works

VOTED: That the Town appropriate the sum of \$45,000.00 from the Surplus Water Revenue Account for this purpose, such funds to be expended under the direction of the Board of Public Works.

ARTICLE 60

To see if the Town will vote to accept the provisions of Chapter 275 of the Acts of 1985, "An act relative to water conservation," or take any other action relative thereto.

Board of Public Works

VOTED: That this Article be passed over.

ARTICLE 61

To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens at large to study all Town Departments, Boards, Committees and Government for the purpose of reporting on the structure and organization of such Departments and Government, and to make recommendations at the next Annual Town Meeting, or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town do so.

ARTICLE 62

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of five thousand dollars (\$5,000.00) to be added to the Conservation Fund, or take any other action relative thereto.

Conservation Commission

VOTED: That the Town appropriate the sum of \$5,000.00 from the E&D Account for this purpose, said funds to be expended under the direction of the Conservation Commission.

ARTICLE 63

To see if the Town will vote to authorize the Hanover Conservation Commission to negotiate and enter into a three year lease with Robert L. Horky, 99 Industrial Way, Hanover, to allow Horky to lease two buildings on conservation land adjacent to his property, or take any other action relative thereto.

Conservation Commission

VOTED: That the Town so do.

ARTICLE 64

To see if the Town will vote to amend the Hanover Town By-Laws by striking Article 6-14 in its entirety and substituting therefor the following Article 6-14:

WETLANDS PROTECTION BY-LAW

SECTION 1: Purpose

The purpose of this by-law is to protect the wetlands, related water resources and adjoining land areas in the Town of Hanover by controlling activities deemed by the Hanover Conservation Commission likely to have a significant or cumulative effect upon wetland values, including but not limited to the following: public or private water supply, groundwater, flood control, erosion and sedimentation control, storm damage prevention, water pollution control, fisheries, wildlife habitat, recreation, aesthetics and agriculture values (collectively, the "wetland values protected by this by-law").

SECTION 2: Jurisdiction

Except as permitted by the Hanover Conservation Commission or as provided in this by-law, no person shall remove, fill, dredge, build upon, or alter the following resource areas:

- (a) Within 100 feet of any freshwater wetland, marsh, wet meadow, bog or swamp;
- (b) Within 100 feet of any bank, lake, river, pond, stream or estuary;
- (c) Any land under said waters;
- (d) Within 100 feet of any land subject to flooding or inundation by groundwater, surface water or tidal action.

SECTION 3: Exceptions

The permit and application required by this by-law shall not be required for maintaining, repairing, or replacing, an existing and lawfully located structure or facility used in the service of the public to provide electric, gas, water, telephone, telegraph or other telecommunication services, provided that:

- (a) The structure or facility is not substantially changed or enlarged;
- (b) Written notice has been given to the Conservation Commission prior to commencement of work;
- (c) The work conforms to performance standards and design specifications in regulations adopted by the Commission.

The permit and applications required by this by-law shall not apply to emergency projects necessary for the protection of the health or safety of the public, provided that:

- (d) The work is to be performed by or has been ordered to be performed by an agency of the Commonwealth of Massachusetts or a political subdivision thereof;
- (e) Advance notice, oral or written, has been given to the Commission prior to the commencement of work or within 24 hours after commencement;
- (f) The Commission or its agent certified the work as an emergency project;
- (g) The work is performed only for the time and place certified by the Commission for the limited purposes necessary to abate the emergency;

- (h) Within 21 days of commencement of an emergency project a permit application shall be filed with the Conservation Commission for review as provided by this by-law.

Upon failure to meet these and other requirements of the Commission, the Commission may, after notice and a public hearing, revoke or modify an emergency project approval and order restoration and mitigation measures.

Other than as stated in this section, the exceptions provided in MGL Ch. 131, s. 40 (the Wetlands Protection Act) shall not apply.

SECTION 4: Permit Applications and Requests for Determination

Written application shall be filed with the Conservation Commission to perform activities regulated by this by-law affecting resource areas protected by this by-law. The application shall include such information and plans as are deemed necessary by the Commission to describe proposed activities and their effects on the environment. No activities shall commence without receiving and complying with a permit issued pursuant to this by-law.

In an appropriate case, the Commission may accept the Notice of Intent and plans filed under MGL Ch. 131, s. 40 (the Wetlands Protection Act) as the application and plans under this by-law.

Any person desiring to know whether or not proposed activity or an area is subject to this by-law may request a determination from the Commission in writing. Such a request for determination shall contain data and plans specified by the regulations of the Commission.

At the time of an application or request, the applicant shall pay a filing fee specified in the regulations of the Commission, said fee to be in addition to any fee required by MGL Ch. 131, s. 40 (the Wetlands Protection Act). In addition, Chapter 304 of the Acts of 1985 authorizes the Hanover Conservation Commission to require the applicant to pay the costs and expenses of any expert consultant deemed necessary by the Commission to review the application or request. The Commission may waive the filing fee for an application or request filed by a government agency and shall waive all fees, costs and expenses for a request for determination filed by a person having no financial connection with the property which is the subject of the request.

SECTION 5: Notice and Hearings

At the same time any person files an application or a request for determination with the Conservation Commission, he/she shall give written notice thereof, by certified mail or hand delivery, to all abutters according to the most recent records of the assessors, including those across a traveled way, a body of water, or a town line. The notice to abutters shall enclose a copy of the application or request, with plans, or shall state where copies may be examined by abutters. When a person requesting a determination is other than the owner(s), the request, the notice of the hearing and the determination itself shall be sent by the Commission to the owner(s) as well as to the person making the request.

The Commission shall conduct a public hearing on any application or request for determination, with written notice given, at the expense of the applicant, in a newspaper of general circulation in the Town at least five working days prior to the hearing.

The Commission shall commence the public hearing within 21 days from receipt of a completed application or request for determination and shall issue its permit, denial or determination in writing within 21 days of the close of said public hearing. In an appropriate case the Commission may combine its hearing under this by-law with the hearing conducted under MGL Ch. 131, s.40 (the Wetlands Protection Act).

The Commission shall have authority to continue any hearing to a certain date announced at the hearing, for reasons stated at the hearing, which may include receipt of additional information offered by the applicant or others, information and plans required of the applicant deemed necessary by the Commission in its discretion, or comments and recommendations of other Town boards and officials. If the applicant objects to a continuance or postponement, the hearing shall be closed and the Commission shall take action on such information as is available.

SECTION 6: Permits, Determinations and Conditions

If, after a public hearing, the Conservation Commission determines that the activities which are the subject of the application are likely to have a significant or cumulative effect upon the wetland values protected by this by-law, the Commission shall, within 21 days of the close of the hearing, issue or deny a permit for the activities requested. If it issues a permit, the Commission shall impose conditions which it deems necessary or desirable to protect those values, and all activities shall be done in accordance with those conditions.

The Commission is empowered to deny a permit for the following reasons:

- (a) Failure to meet the requirements of this by-law;
- (b) Failure to submit necessary information and/or plans requested by the Commission;
- (c) Failure to meet the design specifications, performance standards and other requirements in regulations of the Commission;
- (d) Failure to avoid or prevent unacceptable significant or cumulative effects upon the wetland values protected by this by-law;
- (e) Where no conditions would adequately protect the wetland values protected by this by-law;

Due consideration shall be given to demonstrated hardship on the applicant by reason of denial, as presented at the public hearing.

A permit shall expire three years from the date of issue. Any permit may be renewed once for an additional one year period, provided that a written request for renewal is received by the Commission prior to expiration.

Any permit issued under this by-law may be revoked or modified by the Commission for good cause after public notice, public hearing and notice to the holder of the permit.

In an appropriate case, the Commission may combine the permit or other action on an application issued under this by-law with the Order of Conditions issued under the Wetlands Protection Act.

SECTION 7: Regulations

After public notice and public hearing the Conservation Commission shall promulgate rules and regulations to achieve the purposes of this by-law. Failure by the Commission to promulgate such rules and regulations or a legal declaration of their invalidity by a court of law shall not act to suspend or invalidate the effect of this by-law.

SECTION 8: Definitions

The following definitions shall apply in the interpretation and implementation of this by-law:

The term "person" shall include any individual, group of individuals, association, partnership, corporation, company, business organization, trust, estate, the Commonwealth of Massachusetts or political subdivision thereof to the extent subject to Town by-laws, administrative agency, public or quasi-public corporation or body, the Town of Hanover and any other legal entity, its legal representatives, agents or assigns.

The term "alter" shall include, without limitation, the following activities when undertaken to, upon, within or affecting resource areas protected by this by-law;

- (a) Removal, excavation or dredging of soil, sand, loam, peat, gravel or aggregate materials of any kind;
- (b) Changing of pre-existing drainage characteristics, flushing characteristics, salinity distribution, sedimentation patterns, flow patterns or flood retention characteristics;
- (c) Drainage or other disturbance of water level or water table;
- (d) Dumping, discharging or filling with any material which may degrade water quality;
- (e) Placing of fill, or removal of material, which would alter elevation;
- (f) Driving of piles; erection, alteration or repair of buildings or structures of any kind;
- (g) Placing of obstructions or objects in water;
- (h) Destruction of plant life, including cutting of trees;
- (i) Changing water temperature, biochemical oxygen demand or other physical or chemical characteristics of water;
- (j) Any activities, changes or work which may cause or tend to contribute to pollution of any body of water or groundwater.

SECTION 9: Security

As part of a permit issued under this by-law, in addition to any security required by any other Town or state board, agency or official, the Conservation Commission may require that the performance and observance of the conditions imposed hereunder be secured wholly or in part by one or more of the methods described below.

- (a) By a proper bond or deposit of money or negotiable securities or other undertaking of financial responsibility sufficient in the opinion of the Commission;
- (b) By a conservation restriction, easement or other covenant enforceable in a court of law, executed and duly recorded by the owner of record, running with the land to the benefit of the Town of Hanover whereby the permit conditions shall be performed and observed before any lot may be conveyed other than by mortgage deed.

SECTION 10: Enforcement

The Conservation Commission, its agents, officers, and employees shall have authority to enter upon privately owned land for the purpose of performing their duties under this by-law and may make or cause to be made such examinations, surveys or sampling as the Commission deems necessary.

The Commission shall have authority to enforce this by-law, its regulations, and permits issued thereunder by violation notices, administrative orders, and civil and criminal court actions.

Upon request of the Commission, the Board of Selectmen and the Town Counsel shall take legal action for enforcement under civil law. Upon request of the Commission, the Chief of Police shall take legal action for enforcement under criminal law.

Town boards and officers, including any police officer or other officer having police powers, shall have authority to assist the Commission in enforcement.

Any person who violates any provision of this by-law, regulations thereunder or permits issued thereunder, shall be punished by a fine of not more than \$300.00. Each day or portion thereof during which a violation continues shall constitute a separate offense, and each provision of the by-law, regulations or permit violated shall constitute a separate offense.

In the alternative to criminal prosecution the Commission may elect to utilize the non-criminal disposition procedure set forth in MGL Ch. 40, s. 21D.

SECTION 11: Burden of Proof

The applicant for a permit shall have the burden of proving by a preponderance of the credible evidence that the work proposed in the application will not have unacceptable significant or cumulative effect upon the wetland values protected by this by-law. Failure to provide adequate evidence to the Conservation Commission supporting this burden shall be sufficient cause for the Commission to deny a permit or grant a permit with conditions.

SECTION 12: Relation to the Wetlands Protection Act

This by-law is adopted under the Home Rule Amendment of the Massachusetts Constitution and the Home Rule statutes, independent of MGL Ch. 131, s. 40 (the Wetlands Protection Act) and regulations thereunder.

SECTION 13: Severability

The invalidity of any section or provision of this by-law shall not invalidate any other section or provision thereof, nor shall it invalidate any permit or determination which previously has been issued.

VOTED UNANIMOUSLY: That the Town so do.

Motion to reconsider Article 25 was defeated. See Article 25

ARTICLE 65

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to be added to the Stabilization Fund or take any other action relative thereto.

Town Accountant

VOTED: That the Town appropriate the sum of \$50,000.00 from Available Funds for this purpose.

ARTICLE 66

To see if the Town will vote to amend the By-Laws of the Town of Hanover by adding the following to Article 6-10 (6-16) Section 1:

- A. Each new dwelling or business building shall be numbered on front of building in location which is clearly visible from street. Said numbers shall be a minimum of 3" high. A compliance tag will be required by the Building Inspector before Certificate of Occupancy is issued.
- B. Upon transfer of title of any building existing before acceptance of this by-law, a similar certificate of compliance will be required.
- C. All other buildings, not affected by above shall comply with this by-law, within two (2) years of its acceptance.
- D. The purpose of this Article is to clearly mark all buildings in the Town of Hanover for proper identification with regard to public safety.

By Petition

In the reading of the motion a typographical error was noted. The By-Law Article number should read Article 6-16, Section 1. and the word "to" be deleted.

VOTED: That the Town so do.

ARTICLE 67

To see if the Town will vote to amend the Zoning Map of the Town of Hanover, as most recently amended, by changing the existing Business District at the intersection of Broadway and Cross Street to include a vacant parcel of land currently in a Residence A. District, described on Plan 78, Lot 48, which contains approximately 3,920 square feet of land situated on the easterly side of Cross Street between Broadway and the Indian Head River at the Hanover/Hanson town line, or take any other action relative thereto.

By Petition

VOTED: That this Article be passed over

ARTICLE 68

To see if the Town will vote to amend the Hanover Zoning Map by extending the existing Limited Industrial District to include Lot 91 on the Assessors' Plan 60 or take any other action relative thereto.

By Petition

VOTED UNANIMOUSLY: That the Town so do.

ARTICLE 69

To see if the Town will vote to amend the Zoning Map of the Town of Hanover by rezoning Lots 8, 9, and 22 of Plan 30 and Lot 12 of Plan 38 of the Assessors' Maps, now designated as Limited Industrial and Residence to Residence, or take any other action relative thereto.

By Petition

A motion to pass over this article did not carry.

Motion to Accept this Article **SO VOTED UNANIMOUSLY**

ARTICLE 70

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$1,200.00 for the Town's participation in the Plymouth County Rape Crisis Center, or take any other action relative thereto.

By Petition

VOTED: That this Article be passed over.

ARTICLE 71

To see if the Town will vote to consider the acceptance of all or portions of the following streets as Public Ways, or take any other action relative thereto.

Board of Selectmen

Hearthstone Way from Fieldstone Lane to Larchmont Lane

Larchmont Lane from the end of the accepted portion to

and including the cul de sac.

Old Farm Road from Station 53 + 47.66 to Station 62 + 47.44 and

Longwater Drive Station 0 + 20.00 to Station 62 + 47.44

VOTED: That this Article be passed over.

ARTICLE 73

To see if the Town will vote to accept all or portions of the following streets as Public Ways, or take any other action relative thereto.

Board of Selectmen

Hawthorne Road Extension

Hammer Hook Drive

VOTED: That the Town so do.

SEE ARTICLE 75 AFTER THE RESULTS OF THE TOWN ELECTION

Motion to dissolve Town Meeting at 10:40 P.M. SO VOTED

A TRUE COPY. ATTEST:

John W. Murphy,

Town Clerk

Journal of Annual Town Election Held Saturday, May 10, 1986

At 8:00 A.M. on Saturday, May 10, 1986, the Adjourned Annual Town Meeting convened at the Hanover High School for the Election of Officers. The Town Clerk read Article 74 from the Warrant as follows:

ARTICLE 74

To bring in their votes for each of the following for a term of three years: One Selectman, One Assessor, One School Committee Member, One Board of Health Member, One Trustee for Public Library, One Board of Public Works Member, One Town Clerk, One Treasurer, One Tax Collector/for a term of five (5) years: One Planning Board Member and One Housing Authority Member/for a term of one (1) year: One Moderator/for unexpired term of four (4) years: One Planning Board Member.

The following election officers were in attendance, having been previously sworn in: Precinct 1: Warden, John Thomson; Deputy Warden, Nancy Goldthwait; Clerk, Charles Conlon; Deputy Clerk, Valeria Zemotel; Inspectors, Leonard Howes, Jr., Jean Ahern, and Barbara Smith. Precinct 2: Warden, Wallace Lindquist; Deputy Warden, Bessie Buxton; Clerk, Joseph E. Hannigan; Deputy Clerk, Maureen Roach; Inspectors, Edith Bates, William Michalowski and Dorothy Kelly. Precinct 3: Warden, Kenneth Lingley; Deputy Warden, Shirley Blanchard; Clerk, Maurie Conlon; Deputy Clerk, William Kelly; Inspectors, Marilyn Pratt and Marie Forry.

The ballot boxes were opened, inspected, found empty and the indicator showing zero before being locked. The keys were handed to the Police Officer in charge, who later turned them over to his relief, who retained them until the close of the polls.

The polls were declared open and remained open until 8:00 P.M.

The following tellers, being sworn in, reported to count the ballots at 8:00 P.M. Precinct 1: Donna Hoadley and Mary Zemotel. Precinct 2: Diane Campbell, Louise Ripley, Judy McCormack and Edward Hannigan. Precinct 3: Carol Franzosa and Karen Cranton.

Results of the balloting was as follows:

Journal of Special Town Meeting Held on Wednesday, October 15, 1986

The Special Town Meeting at Hanover High School was called to order at 7:45 P.M. Wednesday, October 15, 1986, with 116 voters present.

The Moderator, George H. Lewald asked that the Town Clerk record that the Warrant had been served and returned as required by Town By-Laws.

ARTICLE 1

To see if the Town will vote to accept the reports of any Town Committees, or take any other action relative thereto.

Board of Selectmen

VOTED: That this Article be passed over.

ARTICLE 2

To see if the Town will vote to receive such accounts as may be presented against the Town, and act thereon, or take any other action relative thereto.

Town Account

VOTED: That this Article be passed over.

ARTICLE 3

To see if the Town will vote to raise and appropriate or appropriate from available funds, a sum of money to be added to the Stabilization Fund, or take any other action relative thereto.

Town Accountant

VOTED: That this Article be passed over.

ARTICLE 4

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$4,983.04 to be added to the Library Salaries Account for sick leave buyback and accumulated vacation for a retiring staff person.

Trustee of John Curtis Library

VOTED: That this Article be passed over.

ARTICLE 5

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$3,000 to be used by the Financial Planning Committee as "matching funds" for the purpose of securing a grant to engage the services of outside consultants as authorized under Article 20 fo the 1986 Annual Town Meeting. Said grant and sum to be expended under the direction of the Financial Planning Committee; or to take any other action relative thereto.

Financial Planning Committee

VOTED: That the Town appropriate from the E & D Account the sum of \$3,000.00 as the required "minimum cash match" of 10% for the purpose of securing a grant to engage the services of outside consultants, and that such sum be expended under the direction of the Financial Planning Committee.

ARTICLE 6

To see if the Town will vote to raise and appropriate or appropriate from available funds, the sum of \$51,000 to be added to the Town Insurance Account for FY1987, or to take any other action relative thereto.

Board of Selectmen

VOTED: That the Town appropriate the sum of \$51,000 from the E & D Account for this purpose, such funds to be expended under the direction of the Board of Selectmen.

ARTICLE 7

To see if the Town will vote to appropriate from available funds the sum of \$290,074. said sum to be added to the Medical Insurance Account to be applied equally to reduce the Town and employee share of health insurance premiums for the fiscal year 1987, and to render to South Shore Regional Vocational Technical School its proportionate share of the health insurance retrospective refund, or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town transfer the sum of \$290,074. from the Trust and Agency Fund to the Medical Insurance Account to be applied equally to reduce the Town and employee share of health insurance premiums for fiscal year 1987, and to render to the South Shore Regional Vocational Technical School the sum of \$55,888. as its proportionate share of the health insurance retrospective refund. Such sums to be expended under the direction of the Town Accountant and the South Shore Regional Vocational School respectively.

ARTICLE 8

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$2,644.96 to be added to the Board of Health Salaries Account to fund a deficit in that account for fiscal year 1986, or take any other action relative thereto.

Board of Health

VOTED: That the Town appropriate the sum of \$2,644.96 from the E&D Account to the Board of Health Salaries Account for fiscal year 1986 to fund the deficit in that account.

ARTICLE 9

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$1,333.76 to be added to the Transfer Station Salaries Account to fund a deficit in that account for fiscal year 1986, or take any other action relative thereto.

Board of Health

VOTED: That the Town appropriate from the E&D Account the sum of \$1,337.76 to be added to the Transfer Station Salaries Account for the fiscal 1986 to fund a deficit in that account.

ARTICLE 10

To see if the Town will vote to transfer the sum of \$1,067.20 from the Planning Board Expense line item approved in the Fiscal Year 1987 budget to the Planning Board Payroll line item, or take any other action relative thereto.

Planning Board

VOTED: That the Town appropriate \$1,067.20 from the E&D Account to be added to the Planning Board Salaries Account for fiscal year 1987, such monies to be expended under the direction of the Planning Board.

ARTICLE 11

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to replace the fuel tanks and fuel dispensing system at the Town Hall, said work to be completed under the direction of the Board of Selectmen, or take any other action relative thereto.

Board of Selectmen

Motion to pass over was defeated.

Moved that the Board of Selectmen to authorized to enter into a contract for the preparation of plans and specifications to replace the present storage tanks, pumps, vaults and plumbing of the town gasoline storage and that \$5,000.00 be appropriated from the E&D Account for this purpose.

SO VOTED.

ARTICLE 12

To see if the Town will vote to authorize the Board of Health to execute a five year agreement with the Upper Blackstone Water Pollution Abatement District to provide septage treatment services in accordance with Chapter 111, Section 31D of the General Laws and Chapter 40, Section 4, or take any other action relative thereto.

Motion: We move that the Town authorize the Board of Health to negotiate a five year agreement with the Upper Blackstone Water Pollution Abatement District in accordance with Chapter 111, Section 31D and Chapter 40, Section 4

of the Massachusetts General Laws; such agreement subject to the review and acceptance by Town Counsel, the Board of Selectmen and the Board of Health.

A motion to amend the Motion by deleting the word "negotiate" and add the words "execute and enter into" was So Voted.

The Motion as amended was SO VOTED

ARTICLE 13

To see if the Town will vote to petition the General Court to enact a special act establishing a revolving fund which shall be kept separate and apart from all other monies by the Treasurer, and in which shall be deposited fees from private septage haulers to be paid over by the Town of Hanover to the Upper Blackstone Water Pollution Abatement District, said funds to be expended for septage treatment without further appropriation under the direction of the Board of Health, or take any other action relative thereto.

Board of Health

Motion to pass over this article did not carry.

Moved that the Town petition the General Court to enact a special act establishing a revolving fund which shall be kept separate and in which shall be deposited fees from private septage haulers to be paid over to any city, town or sewerage district approved by the Commonwealth of Massachusetts under General Laws Chapter 111 Section 31D pursuant to a contract executed under General Laws Chapter 40, Section 4, between said city, town or district and the Town of Hanover said funds to be expended for septage treatment without further appropriation under the direction of the Board of Health.

SO VOTED

ARTICLE 14

To see if the Town will vote to raise and appropriate or appropriate from available funds, the sum of \$11,000 to purchase fourteen (14) portable radios to be used by the Police Department or take any other action relative thereto.

Hanover Police Department

VOTED: That the Town appropriate from the E&D Account the sum of \$11,000.00 for this purpose, said funds to be expended under the direction of the Police Chief.

ARTICLE 15

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$6,000 to survey and clear title to a parcel of land on Washington Street known as John's Pasture, Lot 36, Plan 57, of Assessors' Maps or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town appropriate \$6,000.00 from the E & D Account for this purpose such funds to be expended under the direction of the Board of Selectmen.

ARTICLE 16

To see if the Town will vote to abandon any easement it may have on Spring Road, Bruce Road and that portion of Pantooset Road lying on the Southwesterly side of County Road (Route 53), as shown on a certain plan entitled "Plan of House Lots at Pantooset Farm, Hanover, Mass. belonging to Francis H. Arnold et. ux. Scale 1 in. = 40 ft. August 18, 1938. Original Plan by Whitman & Howard, Mar. 1921, Amended Plan by Hayward & Hayward 1938, which Plan is recorded at the Plymouth County Registry of Deeds, Plan Book 6, Page 51, and to authorize the Board of Selectmen to execute instruments abandoning said easements, or take any other action relative thereto.

Board of Selectmen

Moved that the Town vote to abandon any rights and easement it may have on Spring Road, Bruce Road and that portion of Pantooset Road lying on the Southwesterly side of County Road (Route 53), as shown on a certain plan entitled "Plan of House Lots at Pantooset Farm, Hanover, Mass. belonging to Francis H. Arnold et. ux. Scale 1 in. = 40 ft. August 18, 1938. Original Plan by Whitman & Howard, Mar. 1921, Amended Plan by Hayward & Hayward 1938", which Plan is recorded at the Plymouth County Registry of Deeds, Plan Book 6, Page 51.", and to authorize the Board of Selectmen to execute instruments abandoning said rights and easements.

SO VOTED.

Motion to Adjourn Special Town Meeting at 8:45 P.M. **SO VOTED.**

Warrant for State Election Held Tuesday, November 4, 1986

The meeting for the State Election was called to order, Tuesday, November 4, 1986 at 6:00 o'clock A.M. by John W. Murphy. The following election officers, having been previously sworn, were present. Precinct 1: Warden, John Thomson; Deputy Warden, Donna Hoadley; Clerk William Kelly; Deputy Clerk, Dorothy Kelly; Inspectors, Maureen Roach, Lily Bostic and Marilyn Pratt; Deputy Inspector, Valeria Zemotel. Precinct 2: Warden, Wallace Lindquist; Clerk, Joseph E. Hannigan; Deputy Clerk, Marie Forry; Inspectors Mary Margaret Dill and Barbara Smith; Deputy Inspectors, Maureen Francis and Bessie Buxton. Precinct 3: Warden, Nancy Goldthwait; Clerk, Carol Franzosa; Deputy Clerk, William Michalowski; Inspectors, Josephine Kendrigan and Edith Bates; Deputy Inspectors, Shirley Blanchard and Mary Ann Sullivan.

The ballot boxes were inspected and found empty. Due to the large bulky size of the ballots all three (3) ballot boxes jammed and recorded incorrect amounts. After being locked the keys were turned over to the Police Officer in charge. The polls were declared open and remained open until 8:00 P.M., when it was voted they be closed.

The following tellers, being sworn to the faithful performance of their duties: Precinct 1: Maureen Walker, Audrey Wilber, John Libertine, Ronald Walker, Dorothy MacDonald, Priscilla Anderson, Ann Wilson, Susannah Leslie and Robert Krul. Precinct 2: Margaret Rooney, Anna Forry Farrar, Leslie Molyneaux, Joan Port, Edward Hannigan, Michael O'Malley, Joan Giroux, Jane Anderson and Stephen Richardson. Precinct 3: Carol Huban, Deborah Cavanagh, Edward Gorrill, Carmine Salines, James O'Donnell, Judith McCormack, Susan Lee, Nancy Sue Lee and Louise Ripley.

QUESTION A

Shall a charter study commission be created to study the present governmental structure of Plymouth county to consider and make findings concerning the form of government and make recommendations thereon?

QUESTION 1

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on June 27, 1984 by a vote of 120-67, and on April 30, 1986 by a vote of 123-69?

The proposed constitutional amendment would allow the legislature to prohibit or regulate abortions to the extent permitted by the United States Constitution. It would also provide that the state constitution does not require public or private funding of abortions, or the provision of services or facilities for performing abortions, beyond what is required by the United States Constitution. The provisions of this amendment would not apply to abortions required to prevent the death of the mother.

QUESTION 2

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on December 12, 1984 by a vote of 108-79, and April 16, 1986 by a vote of 107-87?

The proposed constitutional amendment would allow the expenditure of public funds for private schools and private school students.

It would remove primary and secondary schools from the list of non-public institutions barred from receiving public aid and would allow public money, property or loans of credit to be used for founding, maintaining or aiding those schools. The proposed amendment would also allow for public financial aid, materials or services to be provided to a non-public school student requesting such aid, but only if that school does not discriminate in its entrance requirements on the basis of race, color, national origin, religious belief, sex or physical handicap. The state legislature would have the power to impose limits on aid, materials, or services provided to students.

QUESTION 3

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 6, 1986, by a vote of 49-93, and on which no vote was taken by the Senate before May 7, 1986?

The proposed law would reduce and then repeal the 7½% surtax on Massachusetts state income taxes and would limit state tax revenue growth to the level of growth in total wages and salaries of the citizens of the state.

It would set the rate of the surtax on Massachusetts state income taxes at 3¾% for tax years beginning during 1986, and it would repeal the surtax for tax years beginning on or after January 1, 1987.

The allowable state tax revenues for any fiscal year are limited to the allowable state tax revenues for the prior fiscal year as increased by the average rate of growth of Massachusetts wages and salaries for the three immediately preceding calendar years. For purposes of calculating the proposed limit for fiscal year 1987, allowable state tax revenues for fiscal 1986 are the net tax revenues for that fiscal year, but excluding revenues derived from the surtax on state personal income tax. Further, if in any fiscal year the calculation of the limit results in allowable state tax revenues less than the amount of allowable state tax revenues for the prior year, then allowable state tax revenues for that fiscal year shall be equal to the allowable state tax revenues for the prior year. The revenues limited by this law would not include non-tax revenues such as federal reimbursements, tuitions, fees and earnings on investments.

The amount of allowable state tax revenues for any fiscal year would have to be reduced if a new state law were enacted allowing local governments to impose new or increased taxes or excises. The reduction would be equal to the amount of revenue derived from the new tax or increase. The reduction in state tax revenues would first take effect in the fiscal year following the enactment of the new law authorizing new local taxes or increases.

If state tax revenues exceed the limit imposed by the proposed law, as determined by the State Auditor, a tax credit would have to be granted equal to the total amount of excess tax revenue. The credit would be applied to the then current personal income tax liability of all taxpayers in proportion to their personal income tax liability in the preceding year.

The provisions of this Act could be enforced in court by a group of taxpayers.

QUESTION 4

Do you approve of a law summarized below, which was approved by the House of Representatives on May 5, 1986, by a vote of 145-0, and on which no vote was taken by the Senate before May 7, 1986?

The proposed law would require the state Department of Environmental Quality Engineering (DEQE) to search for sites in the Commonwealth where oil or hazardous materials have been disposed of and to take all steps necessary to clean up those sites within specified time limits. Provisions are made for informing the public about sites in their communities.

Beginning on January 15, 1987, DEQE would be required to publish lists every three months of all sites where it has confirmed that uncontrolled oil or hazardous materials have been disposed of and locations to be investigated as possible disposal sites. The lists would describe what actions have been taken at each site or location. DEQE would be required to list, to the extent that it has identified, at least 400 possible disposal sites by January 15, 1987, 600 additional locations by January 15, 1988, and 1,000 additional locations in each subsequent year.

Within one year after a location is listed as a possible site DEQE would be required to determine if further investigation is warranted. If so, within two years after the listing, DEQE must confirm whether the location is a disposal site, and whether it poses an imminent or substantial hazard to health, safety, public welfare or the environment.

For sites found to pose a substantial hazard, DEQE would be required, within the next two years, to ensure that those hazards are eliminated and to develop a plan to eliminate permanently future risks from those sites. Imminent hazards would have to be eliminated immediately. For sites found not to pose any substantial hazards DEQE must within seven years after the listing, ensure that the full extent of contamination is evaluated and that a plan to eliminate permanently future risks is developed.

The proposed law would require DEQE to provide public notice and encourage public participation. Within 30 days after completing a site investigation, DEQE would have to inform the public through local newspapers of the results of that investigation and of the rights of local citizens under the state law. If ten citizens of a town potentially affected by a site submit a request, DEQE would be required to develop a plan for involving the public in its clean-up decisions and present that plan at a public meeting. The chief municipal officer of a city or town in which a disposal site is located could appoint individual(s) to inspect the site on behalf of the community.

Massachusetts residents could bring lawsuits to enforce the provisions of the proposed law or to lessen a hazard related to oil or hazardous materials. If such a lawsuit is brought, a court could award costs, including reasonable fees for attorneys and expert witnesses.

QUESTION 5

Do you approve of a law summarized below, which was approved by the House of Representatives on October 17, 1985, by a vote of 77-62, and which was approved by the Senate on October 17, 1985?

The law requires all drivers and passengers to wear properly adjusted and fastened safety belts while traveling in motor vehicles on public ways. It does not apply to: children under five years old who are required by another law to wear safety belts or be restrained in safety car seats; passengers in vehicles where all safety belts are being used by others; passengers in buses; persons riding in vehicles built before July 1, 1966, or in which safety belts were not installed as original equipment; or persons who are certified by a physician to be physically unable to use safety belts. The law also does not apply to police officers, rural mailcarriers, or drivers or passengers of other vehicles that stop frequently and travel at speeds not exceeding 15 miles per hour between stops.

Drivers or passengers sixteen years or older who do not wear safety belts are subject to a \$15.00 fine. The driver of a vehicle is also subject to a \$15.00 fine for each passenger under sixteen who does not wear a safety belt. This law, however, can be enforced only if the driver is stopped for a violation of another motor vehicle law. Safety belt violations will not result in surcharges on motor vehicle insurance premiums. The law also requires that when the Commissioner of Insurance sets motor vehicle insurance rates, the rates must reflect any savings attributable to increased use of safety belts.

The law also requires that all motor vehicles manufactured after September 1, 1989, that are sold or registered in Massachusetts be equipped with crash protection devices, as specified by federal regulations. Any manufacturer who sells or delivers motor vehicles that are not equipped with such safety devices will be subject to a fine of not more than \$100 for each sale or delivery. This law is not intended to eliminate the federal requirements for passive crash protection devices in motor vehicles.

The law also provides that a non-binding question, unlike this binding referendum, shall be placed on the 1986 general election ballot asking whether the voters approve of the law.

QUESTION 6

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 6, 1986, by a vote of 56-93, and on which no vote was taken by the Senate before May 7, 1986?

The proposed law would provide a system of voter registration by mail applicable to all qualified voters and would eliminate statutory provisions permitting certain persons to vote only for presidential electors.

Under this proposed law, the State Secretary would be required to prepare blank forms for affidavits of registration. The Secretary and local boards of registrars would be required to make such forms available to any person eligible to vote in whatever quantity the person requests and to transmit such forms, upon written request, to any person claiming to be qualified to vote. Registrars would also be required to make these forms available at all post offices and at other places within their municipalities. The Secretary would be required to establish a reasonable fee for providing more than 50 forms and to prepare instructions to accompany the forms.

A person seeking to register to vote would be required to complete the affidavit of registration and sign it under oath in the presence of a witness who is at least eighteen years old. The witness would be required to certify that the affidavit was signed in his presence and to date the affidavit.

A completed affidavit of registration could be either delivered or mailed to the appropriate registrar's office. If, from the facts set forth in the affidavit, it appears that the person is qualified to vote, the registrars would be required to add the person's name to the list of registered voters and to so notify the person by first-class, non-forwardable mail, unless the person's name already appears on the local list of residents at the same address. The cost of mailing such notices would be assumed by the Commonwealth, subject to appropriation. If in any year the General Court fails to appropriate funds for that purpose, such notices would not have to be sent. If such a notice is returned undelivered, the city or town clerk would be required to instruct election officials to challenge the person's right to vote at the next election in which he attempts to vote.

The proposed law would also impose criminal penalties of imprisonment for up to two years or a fine up to \$2,000 for knowingly or willfully making a false affidavit, taking a false oath, or signing a false certificate relative to the qualifications or registration of any person to vote.

QUESTION 7

Shall the Commonwealth of Massachusetts urge the United States Congress to enact a national health program which: provides high quality comprehensive personal health care including preventive, curative and occupational health services; is universal in coverage, community controlled, rationally organized, equitably financed, with no out-of-pocket charges, is sensitive to the particular health needs of all, and is efficient in containing its cost; and whose yearly expenditure does not exceed the proportion of the Gross National Product spent on health care in the immediately preceding fiscal year?

QUESTION 8

Shall the Commonwealth of Massachusetts urge the President of the United States and the United States Congress to enact a national acid rain control program which would require a fifty percent reduction in total national sulfur dioxide emissions by the year nineteen hundred and ninety-five and which would allocate the required reductions in sulfur dioxide emissions, and the costs of achieving those reductions, equitably among the states?

VOTED: That the meeting adjourn 4:00 A.M.

A TRUE COPY. ATTEST:

John W. Murphy,
Town Clerk

REPORT OF THE BOARD OF REGISTRARS

As of December 31, 1986, the registered voters were listed as follows:

| | |
|-------------|-------|
| Republicans | 1,007 |
| Democrats | 2,334 |
| Unenrolled | 2,975 |
| Total | 6,386 |

The term "unenrolled" means not registered in any political party.

The Town Census this year showed the population of Hanover to be 11,847.

This was an active year with Town Meeting and Election, a Special Town Meeting, State Primaries and the State Election.

Residents may register at the Town Clerk's Office daily Monday through Friday during regular office hours.

Notification of special registration sessions were published in the local newspapers. Signatures on all nomination and petition papers were checked and certified when found to be correct.

A call to the office of the Town Clerk can straighten out any questions regarding dates of registration, party affiliations, etc.

This has been the second year on our in-house computer. It has improved over last year but much work still remains.

Lois A. O'Donnell, Chairman

Malcolm C. Hatch

Barbara P. Beal

John W. Murphy, Clerk

REPORT OF THE POLICE DEPARTMENT

To the Board of Selectmen

I hereby submit the following report of the Hanover Police Department from January 1, 1986, to December 31, 1986.

I would like to take this opportunity to thank the people of Hanover, the Board of Selectmen, neighboring Police Departments, State and County Officers for their assistance and cooperation this past year.

A special thanks to the members of the Hanover Police Department for their cooperation on a job well done.

Respectfully submitted,
John B. Lingley
Chief of Police
Hanover Police Department

FIREARMS LICENSES FOR 1986

The following is a list of licenses issued by the Hanover Police Department and the amount of monies collected for this service.

| | | | | | |
|-------------------------------|-----------|----|-----------|---------|----------|
| Firearms Identification Cards | | 87 | Issued at | \$ 2.00 | 174.00 |
| License to Carry Firearms | | 55 | Issued at | \$10.00 | \$550.00 |
| License to Carry Firearms | | | | | |
| (Police Officers) | | 12 | | | |
| Machine Gun Permits | | | | | |
| (Police Officers) | | 10 | | | |

Ten packages of License to carry firearms forms were purchased from 1010 Commonwealth Avenue. A total of \$624.00 was turned into the Town Treasurer.

ANNUAL COURT REPORT — 1986

Court Work:

| | | |
|---|-----------|-------------|
| 1. Days in Court | | 240 |
| 2. Arraignments | | 1,444 |
| 3. Arrests (including technical warrant arrests and out of town warrant arrests) | | 1,263 |
| 4. Total Cases — All Court Work | | 5,193 |
| 5. Cases Cleared | | 950 |
| 6. Monies Collected (fines, fees from District Court) | | \$80,865.00 |
| 7. Monies Collected (Police Reports) | | \$1,367.00 |
| 8. Monies Collected (Parking Tickets) | | \$9,510.00 |
| 9. Motor Vehicle Citations issued | | 3,451 |

Motor Vehicle Citations:

1. See separate copies attached for department individual six-months summary sheet.
2. See separate department tally sheet attached as to categorized breakdown and totals.

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

To the Board of Selectmen and the Citizens of Hanover:

I hereby submit my annual report for the year ending December 31, 1986.

The Hanover Fire Department responded to a total of 1,621 runs in 1986:

| | |
|---------------------------------|-------|
| Total number of Fire Calls | 575 |
| Total number of Ambulance Calls | 1,046 |

The department made a total of 507 inspections for the year.

A total of \$34,918.77 in ambulance fees and \$2,780.00 in smoke detector inspection fees were collected and submitted to the Town Treasurer.

I would like to take this opportunity to thank Capt. Philip Beal, Co. 2 and Firefighter Robert Montgomery, Co. 5, both of whom retired this year, for their many years of dedicated service to the town.

I would again thank all the firefighters, department heads and the citizens of the Town of Hanover for their support and cooperation during the past year.

Respectfully submitted,
Stephen R. Tucker
Chief

REPORT OF THE EMERGENCY COMMUNICATION CENTER

To the Board of Selectmen:

The Emergency Communications Center Committee is pleased to submit its Annual Report for 1986.

The Center continued to conduct its role in the protection of life and property for the Citizens of the Town of Hanover. The increasing demands for the services of the Police and Fire Departments, as a result of the private and commercial growth of the Town, results in a greater demand on the Center. In achieving the objectives of a professional and responsive Center operation, the Committee would like to extend its thanks and appreciation to the Dispatchers for their dedication and performance during a very active year.

During the course of this year, the Committee along with support from other Departments and vendors, has been exploring the path that should be pursued to maintain the effectiveness of the Center in an integrated and responsive system. This planning will culminate in a proposal to Town Officials and the Citizens of Hanover for major renovations to occur during the Fiscal Year 1988.

Respectfully submitted,
Kenton W. Greene
John B. Lingley
Stephen R. Tucker

REPORT OF CIVIL DEFENSE

To the Board of Selectmen and the Citizens of the Town of Hanover:

We hereby submit our annual report for the year ending December 31, 1986.

A total of \$2,865.00 was received by the Town Treasurer from the Federal Emergency Management Agency to cover administrative costs of our department.

Although there were no declared emergencies during the year, the Town did participate in several test exercises.

The Department, during the past year, was able to:

1. Acquire one new portable generator to be used for emergency power requirements
2. Installed a new communications antenna on the Town Hall to be used in the Emergency Operations Center
3. Developed and implemented a Comprehensive Emergency Management Plan for the Town through a State Civil Defense grant provided by the Federal Government

We would like to extend our sincere thanks and appreciation to the various Town boards, departments, and employees who have supported and assisted us throughout this past year.

Respectfully submitted,

James Purcell, Director
Albert Farr, Asst. Director
Anthony Manna, Asst. Director

FIRE HEADQUARTERS BUILDING COMMITTEE REPORT

The Fire Headquarters Building Committee is happy to report that the project is proceeding on schedule, and we anticipate opening this facility in July. Our sincere thanks go to the voters of the town for their overwhelming support of this much needed improvement to our fire protection program. We would also like to thank the many committees and departments within the town for their guidance and help during the study, design, and building phases of this project.

We look forward to inviting all of the townspeople to participate with us in the opening of the Fire Headquarters in the very near future.

Respectfully submitted,

Fire Headquarters Building Committee

Robert K. White, Chairman

A. Donald Deluse, Board of Selectmen

Stephen Tucker, Fire Chief

Frederick Briggs

Wendell Blanchard, Clerk

Joseph Hannigan

REPORT OF SEALER OF WEIGHTS AND MEASURES

To the Board of Selectmen:

In March 1986, Henry Newcomb retired as Sealer of Weights and Measures. I made application and was appointed to fill his unexpired term. In July 1986, I was re-appointed for a one year term.

From March 1986 to December 1986 I have inspected:

- 61 Scales
- 80 Gasoline Pumps
- 4 Fuel Oil Tank Meters
- 3 Sets Apothecary Weights
- 9 Avoirdupois Weights

I have made several unit pricing inspections and re-inspections as required.

Total fees collected and returned to the Treasurer: \$779.00.

Respectfully submitted,

Arthur C. West, Jr.

REPORT OF THE BOARD OF APPEALS

To the Board of Selectmen and the Citizens of Hanover:

The Zoning Board of Appeals (ZBA) held eleven (11) public hearings during the calendar year 1986 on applications and petitions pursuant to Section IX of the Hanover Zoning By-Laws. ZBA Case No. 86-3 (Bean) was withdrawn without prejudice and ten (10) written records of ZBA decisions were filed in the Office of the Town Clerk as required by statute law. The decision of ZBA Case No. 86-12 (Murphy) and the process of Case Nos. 86-13 (Plonowski), 86-14 (Berardi), 86-15 (Rizzo), and 86-16 (Zarella) will be completed in 1987.

We wish to express our appreciation to all of the municipal office personnel of Hanover and the abutting towns for their cooperation received this year.

Respectfully submitted,

James S. Oldham, Chairman
Kenneth R. Lingley, Co-Chairman
Lorrimer Armstrong, Jr.

Associate Members:
Michael T. Jones
Joel T. O'Brien
Philip D. McDonald

REPORT OF THE BUILDING INSPECTOR

To the Board of Selectmen and the Citizens of Hanover:

The construction of new dwellings and businesses continued its increase during 1986.

Building permits issued in 1986 were as follows:

| | |
|-------------------------------------|-----|
| New residential dwellings | 83 |
| New businesses | 14 |
| Alterations/additions/misc. | 306 |
| Stoves | 17 |
| Pools | 49 |
| Signs | 149 |
| Business | 109 |
| Political | 3 |
| Yard Sales (no charge) | 37 |

Total building permits issued 618

Certificates of Inspection issued in 1986 53

Total fees collected in 1986 \$39,199.

The building department is located on the second floor of the Town Hall and is open Monday through Friday, from 8-12 noon and 1-4 pm. The inspector is also in Monday evenings from 6:30 - 8:30 pm.

I would like to thank the home and business owners, contractors and the town departments for their cooperation during this period of rapid expansion, in both the business and residential sections of the Town of Hanover. We look forward to your continued support and cooperation.

Respectfully submitted

Arthur M. Capaccioli
Building Inspector

REPORT OF THE PLUMBING/GASFITTING INSPECTOR

To The Board of Selectmen and the Citizens of Hanover:

There were 250 plumbing permits issued in 1986 and \$8,288.00 collected in inspection fees.

We issued 150 gasfitting permits in 1986 and collected \$2,014.00 in inspection fees.

The cooperation of the town departments and contractors is greatly appreciated.

Respectfully submitted

Theodore F. Luscinski
Plumbing/Gasfitting Inspector
William E. Stewart, Alternate

REPORT OF THE INSPECTOR OF WIRES

We hereby submit the report of the Inspector of Wires for the period January 1, 1986 through December 31, 1986.

During this period, a total of 387 permits were initiated and monies totalling \$10,617 were collected and submitted to the Town Treasurer.

We would like to take this opportunity to extend our thanks to the townspeople for their cooperation during 1986. As always we appreciate the continued cooperation of the contractors and members of all town departments.

Respectfully submitted,

William F. Laidler
Inspector of Wires
Robert Stewart
Inspector of Wires (Alternate)

REPORT OF THE PLANNING BOARD

1986 proved to be even busier than 1985 for the Planning Board as residential and non-residential growth continued to increase. At the fifty meetings held in 1986, the Board reviewed thirteen plans not requiring approval under the Subdivision Control Law, seven new definitive subdivision plans, of which two were disapproved, three approved, two remain pending approval, as is one plan from 1985.

For non-residential (business and commercial) activity, twenty-five Site Plans were submitted to the Board, the majority of them were for projects located along the numbered state roadways, routes 53 and 139. Fourteen plans gained approval, several plans were withdrawn without prejudice, and three Site Plans were disapproved; others are still pending resolution.

A \$45,000 Strategic Planning Grant was obtained jointly for Hanover and Hanson by our first professional Town Planner, Janet Stearns Humphrey to assist the towns in growth management and to develop an acceptable plan in character with the town, for affordable housing. Open space preservation is a major goal. Long term planning for the future of Hanover is now in professional hands. The Planning Board stands ready to work with the Growth Policy Committee and other boards to help select the best recommendations, but it is at Town Meeting that the course for the future will be set.

Respectfully submitted,

HANOVER PLANNING BOARD

Marilyn A. Colombo, Chairman

Marjorie H. Abbot, Clerk

T. Todd Andersen

John A. Libertine

Turner W. Gilman

REPORT OF THE TOWN GOVERNMENT STUDY COMMITTEE

At the May 1986 Town Meeting, the Town approved an Article which called for a Committee of five citizens to study all the Departments, Boards, Committees, etc. for the purpose of reporting on the structure of Town government and to make recommendations thereon.

In September, the Moderator appointed five members to the Town Government Study Committee, and since October, we have been meeting on the first and third Wednesday of each month.

After several meetings with the majority of town departments and committees, the Study Committee voted to request the Massachusetts Municipal Association to submit a bid to act as a Consultant to the Government Study Committee. This was done on January 21, and an Article has been submitted for the Annual Town Meeting Warrant for May 1987, requesting the sum of \$9,500 for such a study. This also include monies for the preparation of a presentation to be made to Town Meeting of 1988.

The results of our Study at this time indicate that there is a need for a strong Town Manager form of government, and that there are three major areas of concern which should be addressed within that format, as follows:

Town Administration (Town Manager)

Financial Officer

Technical Officer

(Technical function would include the basic DPW operations, engineering and inspection services)

We expect that as our recommendations take form and are discussed with Town Boards and Committees, there will be many changes between now and the time that our final recommendations are made at the 1988 Town Meeting.

There will also be several public hearings held so that all parties, town officials and citizens will have the opportunity to provide input into the reorganization.

Respectfully submitted,

Frederick L. Briggs, Chairman
Donald Morrison, Vice Chairman
James Grande
Thomas Monaghan
Elaine Shea

REPORT OF THE BOARD OF PUBLIC WORKS

The Department of Public Works underwent a major administrative change this year with the retirement of Superintendent Herbert Simmons in August after 26 years of service to the Town. Deputy Superintendent Philip Beal was appointed Superintendent. The Board and Superintendent Beal, after an unsuccessful search for a new Deputy, began a study of alternative methods of structuring the administrative and technical duties of the Department and plan to implement a plan during this coming year.

Long term employees Donald Howard, foreman, Betsey Neal, secretary and Greta Tanner, Water Billing Clerk also left the Department this year.

The Board commends all Department employees for their patience and spirit in performance of their duties while adapting to the continuing procedural and administrative changes.

The continuing rapid construction of housing subdivisions begun in 1983 and submittal of plans for further development indicates that the Town roads, water system, drainage systems and other infrastructures maintained by the Department is increasing each year. This growth will put new demands on both the Department's and the Town's resources and require a companion growth in both if the Department is to continue the quality of service the townspeople have come to expect and are entitled to.

HIGHWAY DIVISION

The road improvements planned for fall 1985, but postponed by the effects of Hurricane Gloria, were completed in the spring. Road improvements completed in 1986 include:

Reconstruction —

Whiting Street — surface course paved, all work completed Webster Street to the Rockland line

Resurfacing —

Main Street north of Union Street to Webster Street.
Plain Street — Route 139 to Old Farm Road.

Seal Coat —

Bardin Street, Hanover Street (Route 139 to Route 53), King Street (Industrial Way to Circuit Street), School Street, Brewster Lane and portions of Bradford Road.

The Highway Division lost a major piece of equipment, the vacuum sweeper, to accidental fire this year. The sweeper is vital to the removal of sand placed on the roads during the winter and for the thorough cleaning of pavements prior to resurfacing or sealing and will be replaced.

WATER DIVISION

The three year major maintenance program at the Water Treatment Plant was completed in February 1987, including the cleaning and application of a new protective treatment on all concrete tank surfaces and replacement of the filter media.

Engineering design for a new water main along Route 53 to improve service and fire protection to the Assinippi section is nearing completion and construction will be coordinated with the anticipated State's widening of Route 53, also currently in the design state, to reduce Town costs.

The study to update the 1979 Water System Evaluation Report is also nearing completion and includes an analysis of the present water rates in effect since 1977.

PUBLIC GROUNDS

The master plan for the undeveloped land of the Town Cemetery on Silver Street was completed and the planning for development of additional sections in accordance with the plan was begun.

New fencing was installed around the maintenance building at Sylvester field in preparation for replacement of the existing old wooden building with a more durable, vandal-proof structure.

Replacement of the wood picket fence at the Town Cemetery was also begun and the Main Street and a portion of the Silver Street sections completed.

A new tree was planted at Town Hall in memory of Richard Bradford.

The Department assisted the Fire Department in the July 4th celebration bonfire by constructing a permanent sand bed for the fire on the Center School field and by removing the ashes.

The Board and Department staff express their appreciation to the townspeople for the continued support and cooperation given to their efforts to maintain and improve the Town's public facilities

Respectfully submitted,

Thomas Berenz, Chairman
Benjamin Kruser
George Lowe

REPORT OF THE HOUSING AUTHORITY

The year 1986 was a productive one for the Hanover Housing Authority.

Initial funding of a Chapter 689 grant was received in February. Since that time, the Authority and its Executive Director have extensively sought land on which to build a home for six autistic children through this grant. Working in conjunction with the May Institute of Chatham, the Hanover Housing Authority has been in contact with many local landowners, most notably the Lutheran Church of the Cross. Reverend Pohl's willingness to work with the Authority and eagerness to see this project underway has been most gratifying. However, at the time of this writing, the 689 project is still in limbo due to site considerations. Hopefully, next year at this time, we will be able to report on the completion, or at least the beginning, of this worthwhile project.

As a result of the Authority's excellent lease-up record under the Chapter 707 Rental Assistance Program, three Bonus Units were received in April, bringing the total number of 707 Rental Assistance Units to fifteen, all of which were leased by October 1st.

Mrs. Brugnoli was elected to a five year term on the Authority at the May Town Elections, and was re-elected to serve as Treasurer of the Authority for a second term at the Authority's reorganizational meeting in June.

During 1986, Mrs. Cranton continued her work as liaison to the Ad Hoc Committee, which drafted zoning amendments relating to multi-family housing for presentation at Town Meeting in May. Unfortunately, these cluster-zoning amendments were not voted upon favorably by the body of Town Meeting. Nevertheless, the Ad Hoc Committee, a group of concerned citizens, should be thanked for their unrewarded efforts. In August, Mr. Krupa was appointed as an Associate Member of the newly formed Growth Policy Committee, which will address the issue of town development.

The Selectmen, Planning Board and Housing Authority met with State representatives in July, resulting in a new Memorandum of Agreement being drafted for presentation to the State. This Memo outlines the town's good-faith efforts towards providing more affordable housing in Hanover.

During the Summer, Mr. Krupa and Mr. Pizziferri attended Commissioner Training courses being offered by Tufts University. It is the hope of this Chairman that all Commissioners will avail themselves of this informative training session at some time in the near future.

Applications have been filled out for Chapter 667 Elderly and Chapter 705 Family Housing, and are at this time awaiting the next round of funding by the State for submission.

I would like to thank each and every Commissioner listed below, as well as Executive Director Elizabeth Callahan, and Executive Secretary Carol Franzosa, for their hard work and dedication during this past year, as we look forward to an even more productive year in 1987.

Respectfully submitted,

Carmine J. Salines, Chairman
Anthony J. Krupa, Vice Chairman and Assistant Treasurer
Maryann Brugnoli, Treasurer
Michael R. Pizziferri, Secretary
Karen F. Cranton, Commissioner

TOWN REPORT — 1985-1986
TRUSTEES FOR PLYMOUTH COUNTY
COOPERATIVE EXTENSION SERVICE
BY MARY M. MCBRADY, DIRECTOR

The County Cooperative Extension Service is located on High Street, Hanson (on the grounds of the County Hospital). Cooperative Extension is a partnership of the United States Department of Agriculture, the land-grant college — the University of Massachusetts, Amherst and county government.

County Agents are specialists in: Agriculture, Community Resource Development, Home Economics, 4-H, and Nutrition Education and deliver programs in these areas to local residents.

Staff consists of a director, two regional agricultural specialists, a community resource development specialist, two home economists, three 4-H agents and a split position, 4-H/home horticulture. In addition, Cooperative Extension administers a federally-funded nutrition education program, The Expanded Food and Nutrition Education Program (E.F.N.E.P.), located in Brockton. This is staffed by a nutrition specialist and program assistants (6 full-time equivalents) who deliver the educational program to families with limited resources.

Cooperative Extension serves the public through educational conferences, workshops, phone call assistance, field visits and timely newsletters.

In our 4-H program last year 16,649 youth were enrolled. Of that number 725 were enrolled in club programs, and 15,924 were exposed to 4-H through short-term projects. 821 volunteers assisted in conducting the county 4-H program.

Newsletters, free for the asking, are *Garden Clippings*, a monthly horticulture fact-filled publication; *So-Sew*, informational "how-to" letter for the serious home sewing; *Creative Living*, provides current information in the areas of clothing and textiles, human development, housing and home management. Newsletters for commercial agricultural enterprises are available (Small Fruit, Vegetables, Tree Fruits, Small Farms and Livestock).

Your County Cooperative Extension office can be of service to you by calling 293-3541 or 447-5946 Monday through Friday, 8:30 am — 4:30 pm.

Respectfully submitted,

Mary M. McBrady, Director

1986 REPORT OF TRUSTEES FOR COUNTY COOPERATIVE EXTENSION SERVICE TOWN OF HANOVER

In accordance with the General Laws of the Commonwealth, Chapter 128, the Trustees for Plymouth County Cooperative Extension Service are empowered to receive, on behalf of the County, money appropriated by any town, or by the Federal Government for carrying out the provision of the Law, under which they are appointed.

Agents have made contacts during the past year in every community, either by public meetings, individuals visits, group discussions and demonstrations, in attempting to assist the needs of the citizens toward helping to solve management problems, better living, and better community service. The Extension Service staff have been ably assisted by many local volunteer leaders.

A total expense of \$125.00 was incurred during the year for the purchase of material needed in carrying on the various Extension Programs. The appropriation made by your town was used for residents of the town and expended as follows:

EXPENSE 1985-1986

| | |
|------------------------------------|-----------------|
| Books & Manuals Purchased for Town | \$ 5.00 |
| Town Director's Expense | — |
| Bulletins, Paper, etc. | 50.00 |
| 4-H School Programs | 50.00 |
| 4-H & Home Ec Leader Expense | 20.00 |
| TOTAL | \$125.00 |

FINANCIAL SUMMARY

| | |
|---------------------------------------|----------|
| Current Appropriation | \$125.00 |
| Suggested Appropriation for 1987-1988 | 150.00 |

Respectfully submitted,
TRUSTEES FOR COUNTY COOPERATIVE
EXTENSION SERVICE
Mary M. McBrady, Director

COUNCIL ON AGING ANNUAL REPORT

The Hanover Council on Aging meets regularly on the first Friday of each month at the Senior Center, 624 Circuit Street. The public is welcome to attend.

This past year has seen an increase in seniors attending functions at the Senior Center and using transportation services from 125 seniors directly served on a regular basis to 375 served. The Council directly and indirectly serves over 1,600 seniors in town through various programs. A monthly newsletter is sent to all seniors free of charge. This past year the newsletter increased from four to six pages to inform seniors of local, state and general news related to senior issues. Information referrals, socials, as well as educational and recreational activities are organized and implemented by the actions of the Council and staff. New and renewed classes were added to the itinerary this past year, including quilting classes, arts and crafts, bridge classes, dental examinations, help with insurance and legal advice. Exercise classes, bingo, whist, morning out group, tax assistance, fuel assistance and shopping trips were also continued.

The Friends of the Council sponsored such events as Spring Parties to get over winter's cabin fever and outings to the Fenway to cheer on the Boston Red Sox.

The Walnut Hill Garden Club has a flower arrangement program for seniors, the Club President presented slides on gardens and butterflies and some club members greatly contributed their time and energy in beautifying the grounds of the Senior Center.

A Chore Program was initiated which involved 20 juniors (9th graders helping 10 seniors for three months with yard work, light housework and socialization. The Council hopes that this program will grow to involve more juniors getting to know one another.

The very much appreciated and enjoyed hot lunch program continues at the Junior High School twice a week. Lunches are also taken out to various shut-ins via the wonderful volunteers who help the council staff. The Christmas dinner provided at the Junior High is a much looked forward to and enjoyed event.

The Council has established an Advisory Committee comprised of seniors including representatives from the Golden Ages, AARP, Legion Housing, Cardinal Cushing Housing and the general senior citizen population. The Committee members attend Council meetings. The purpose of the committee is to maintain communication with the population the Council serves. Any senior interested in serving on the committee should contact the Council office, Telephone 878-6361.

Building renovation has begun with newly painted interiors, along with new, hand-stenciled curtains and plans are in progress for creating private office space and finishing the basement. There is a need for privacy for seniors who wish to seek assistance in personal needs from the Council staff. At present, the staff work area is in an entirely open space. For the past few years, the Council has expressed the concern, need and desire to finish the basement for better utilization and further programs for the seniors. Historically the attempts to complete the basement were dependent upon all volunteer workers and the hope for grant monies that did not come to fruition. Consequently, this past year the Council has put together a workable plan, sought estimated costs for materials and labor and is requesting the Town to Vote approvingly for funds to complete the basement and provide private office space for the staff to serve individual needs.

The Council wishes to thank the Town Voters for last year's approval of funds to repave the parking lot. The seniors truly appreciated the improved access to the Center.

Through a grant we were able to hire a part-time Outreach Coordinator who has increased our contact with seniors who are shut-ins, expanded our information and referral list, and is developing such programs as a Telephone Reassurance Program and Alone Seniors Visitation Program. The Council is asking the Town to continue this much needed position by including the Outreach Coordinator as a part-time staff member. The grant appropriation just covered this past year.

The Council has endeavored to approach our budgetary needs by assessing our operating expenses and the need to service over 1,600 seniors both through in-house activities and outreach programs. We have a keen desire to adhere to our fiscal responsibility and to seek other avenues of support as well so that we do not burden the Town. We actively pursue grants and have started in the past year fundraising projects. Under the Municipal Finance law, the Council has established a fund whereby we can accept donations for the Council on Aging. This past year we raffled a clock with the town hall painted on it and raised over \$700 which will be used for building renovations. Individuals have also donated to this fund.

The Council appreciates the assistance, cooperation and interest of all the volunteers, members of local organizations, and all town departments who have worked with us during the past year. The Council would particularly like to thank Pat Edgar, who as our Elderly Services Coordinator, worked with enthusiasm, caring and endless energy over and above the hours she was paid to bring to the seniors all the new programs started this past year as well as seeking out new avenues of funding through additional grants before

unknown to the Council. The Council is fortunate to have the dedication of all our staff members which include our Elderly Services Coordinator, Outreach Coordinator, Senior Aide, Bus Driver and Janitor.

Respectfully submitted,

Kay Leahy, Chairperson

Gerry Bussiere

Herman Gorrill

Henry Newcomb

Ginny Palmieri

Marty Quinn

Alison Stoddard

REPORT OF THE OLD COLONY PLANNING COUNCIL AREA AGENCY ON AGING

As your representatives to the Old Colony Planning Council, Area Agency on Aging Advisory Committee, we are pleased to present this report of the Area Agency's activities for 1986.

The Old Colony Planning Council, acting as the Area Agency on Aging, is responsible for administering Title III funds under the Older Americans Act in the twenty-three communities in the service area. The Area Agency funds and coordinates a wide range of community, in-home and nutrition services through local Councils on Aging and other elder service agencies.

In 1986, several communities directly benefited from funding under Title III-B of the Older Americans Act. These communities included: Brockton for the Dorn-Davies Senior Center; Easton for transportation for handicapped elders; Kingston for Project Outreach; Plymouth for Senior Center Programs; Plympton for the Rent-A-Kid Program; and Wareham for the Outreach and Social Day Care Program.

In addition to the direct funding to these communities, several other programs were administered regionally for the benefit of elders in the entire service area. These programs included the Volunteer Transportation Program and Nursing Home Ombudsman Program administered by the Area Agency on Aging. Old Colony Elderly Services administered the Emergency Assistance Program for elders and the Six Town Minibus Program for elders in the communities of Avon, East Bridgewater, West Bridgewater, Halifax, Hanson, and Whitman. Other regionally administered programs included the Senior Law Project and several home health aide and hospice programs.

Nutrition services in the form of congregate and home delivered meals are made available through Title III-C monies in many communities in the service area. Several communities including Avon, Carver, Kingston, and Middleboro/Lakeville received funding assistance to prepare and provide meals locally. Additionally, many communities in the region operated nutrition sites and received catered meals under the auspices of Old Colony Elderly Services. The communities which hosted nutrition sites and provided home delivered meals include Brockton, Easton, Halifax, Hanson, Pembroke, Plymouth, Stoughton, and Wareham. Several other communities operated locally supported nutrition programs and received home delivered meals from Old Colony Elderly Services for their frail and homebound elders.

A major accomplishment of the Area Agency in 1986 was the completion of a comprehensive elderly needs assessment. Many Councils on Aging and elder service agencies actively participated in this extensive survey. The survey analysis was based on data obtained from 592 interviews with elders sampled throughout the region. It is expected that the composite regional and individual community results from the needs survey will be valuable in planning elderly services at both the regional and local levels.

The Council gratefully acknowledges the generous support and cooperation of the Area Agency on Aging member communities, specifically the participation and involvement of the members of the Area Agency on Aging Advisory Committee chaired by Mr. John Mather. The Council also recognizes the work of local boards and commissions and the many government agencies, public and private institutions and individuals who have assisted the Council.

REPORT OF THE BYLAW STUDY COMMITTEE

To the Citizens of the Town of Hanover:

During this past year the Committee had several requests to review several of the current by laws one of which was the Animal Control By Law. For the most part the Committee's efforts were in the general review of all the current by laws that guide the Town in its daily activities.

In the next several years the activities of the Town will be very important. New by laws will be designed and written that will have a lasting effect upon the Town and the Residents.

The Committee would like to offer our services to any organization of Town Government which would like aid in the research or writing of by laws. These services are also available to any citizen or other organization in the Town.

We ask that this Report be considered as a Report of Progress.

Respectfully submitted,

Donald W. Moores
William N. Middleton
William B. Sides

1986 REPORT OF THE VISITING NURSE

To the Board of Selectmen, the Hanover Visiting Nurse Association, Inc., and the Citizens of Hanover:

This past year has been challenging and rewarding. There have been significant changes in the status of clients returning home from hospitals discharged sooner and requiring more intense nursing care and planning. Many agencies are involved to provide services needed. Our annual census has increased.

Our agency continues to work closely with the Board of Health, Council on Aging, School Nurses, Old Colony Elderly Services, Hospice, Therapists, and Hospital Coordinators.

The Visiting Nurse Association is most grateful to the community for its concern and generosity in our endeavors at Thanksgiving, Christmas, and during our annual fund drive.

We continue to orient Massasoit College nursing students to Public Health Nursing from January through May.

The nurses attend in-service programs, lectures, and seminars throughout the year to keep up with the latest trends in public health.

I extend my thanks to the part-time nurses, VNA Board Members for their help, encouragement and support.

A total of 3588 clients were seen this year, of which there were 1331 nursing visits, 245 Physical Therapy visits, 1912 health supervision visits, and numerous social service activities, including more than 50 families helped at Thanksgiving and Christmas.

Fifteen Well Child Clinics were held. 159 children attended and received physicals, immunizations and health counseling. Appointments may be made by calling the Visiting Nurse at 826-4971.

Fifty-six Senior Citizen health conferences were held with 913 clients seen. Twelve adult Blood Pressure clinics were held with 105 clients. Twelve diabetic detection clinics were held with 97 clients, and tests for anemia were done on request. Total clinic attendance was 1274.

Schedule of Clinics held throughout the year:

Senior Citizens: Last Wednesday of each month, 1:30-3 PM at the Grange Hall, for all residents over 60.

Adult: Third Friday of each month, 1:30-3 PM, Nurse's Office, Town Hall

Legion Housing: 2nd Wednesday each month, 1:30-3 PM. Building #1-1st Monday, Building #2, 2nd Monday, Building #3, 3rd Monday.

Diabetic Screening: Last Friday of each month, 8-9 AM, Nurse's Office, Town Hall. Anemia screening available by appointment.

The nurses and board members assist with the Annual Flu Clinic held at the Grange Hall in October, and at several other clinics. If desired, house calls are made on all first babies, or to any new mother in need of assistance. Letters of congratulations are sent to new parents listing services provided by the agency.

The Visiting Nurse office is located on the first floor of the Town Hall. An answering machine will take your messages when the Nurse is out of the office.

Respectfully submitted,

Marilyn J. DeBoer, R.N.
Acting Nurse Administrator

To The Board of Directors
Hanover Visiting Nurse Assoc Inc

I examined the books and records of the Hanover Visiting Nurse Association Inc and found them to be in order.
Disbursements were properly reflected and cash accounts accurately presented for the year ending December 31, 1986.

HANOVER VISITING NURSE ASSOCIATION, INC.

ANNUAL REPORT 1986

To the Board of Selectmen and the Citizens of Hanover:

Regular meetings of the Board of Management are held each month except July and August. The January and April meetings are open to the public.

Board members assisted the nurses at Well-Child Conferences, Pre-School Conference, Health Maintenance Conferences for the Elderly, and Blood Pressure Clinics at the two residences for the elderly. A monthly Diabetes Testing, by appointment for a small fee and Anemia Screening on request are offered.

The Board also coordinated and conducted the pre-school Amblyopia Clinic in conjunction with the April pre-school registration of the School Department.

In November, board members and nurses assisted the Board of Health at a Flu Shot Clinic.

The Association maintains a well-stocked supply of loan equipment, including sick-room supplies, which may be borrowed, free of charge, by any resident of Hanover.

Upon request, a Home Safety Inspection is provided by the Nurse Administrator.

Acting Nurse Administrator, Marilyn DeBoer was assisted by members of the Board of Management in distributing goods and assistance at Thanksgiving and Christmas. Special parcels for the elderly were prepared by board members at Christmas time.

The VNA Board awarded \$1080. in Camperships to children in the summer and distributed \$2000. in nursing scholarships to Hanover residents.

Special thanks are extended to the members of the Board of Management and to the nurses: Mrs. Jaqueline MacKinnon, R.N.B.S., Mrs. Marilyn DeBoer, R.N., Mrs. Maureen Cooke, R.N., and Mrs. Suzanne Stevens, R.N., who have served the town with much dedication.

It is with great regret that this past year the Association accepted the resignation from her post as Consultant Supervisor, Mrs. Avery Andrew, R.N.M.S. She has served the town with much dedication and she will be missed by all.

The VNA sincerely appreciates the generosity of the residents of the town of Hanover, who responded to our annual fund drive.

Respectfully submitted,

Dona T. Rudolph, President
Rita J. McLaughlin, Treasurer
Helene F. Edwards, Secretary

REPORT OF THE BOARD OF HEALTH

The Board of Health respectfully submits its Annual Report to the Citizens of Hanover for the year 1986.

The Board meets Monday evenings at 7:30 P.M. on the first, third and fifth Mondays of each month with the exception of holidays. Special meetings are posted with the Town Clerk. The office is open Monday through Friday from 8:00 A.M. to 4:00 P.M. and is staffed by a full time secretary. The full-time Health Agent enforces the rules and regulations of the Board and carries out various duties under the jurisdiction of the Board of Health.

Beginning November 1986, the Board voted to raise the fee for refuse accepted at the Transfer Station from all in-town disposal contractors, businesses and builders to \$35.00 per ton. Residents disposing of refuse over 500 lbs. are still charged a fee of \$30.00. OUT OF TOWN refuse is not accepted.

During the year, 9206 tons of refuse were deposited at the Transfer Station and \$137,786.10 in fees was collected.

Recycling efforts continue but only with newspapers which returned \$3671.80 to the Town. Presently there is no market for glass or cardboard. Waste oil, which used to be sold, must now be removed at a cost to the Town. Waste metal and tires must also be removed at a cost to the Town.

Revenue generated by other Board fees were:

| | |
|----------------------------------|-----------|
| Percolation Tests (202) | \$5050.00 |
| Disposal Applications (105) | \$2625.00 |
| Scale Fees | \$845.00 |
| Various Board of Health Licenses | \$4229.00 |

Mosquito control programs were continued with aerial spraying conducted three times during the year.

A flu clinic was held for the residents over 65 years of age and the chronically ill and 335 doses were administered. Vaccine was provided for school immunization programs: diphtheria, pertussis, tetanus, measles/mumps/rubella and polio. Mantoux clinics were also held to test food handlers at restaurants and schools for Tuberculosis and 123 persons were tested.

Communicable diseases reported:

- 57 Chicken Pox
- 26 Strep Throats
- 27 Various other communicable diseases.

Two rabies clinics were held and 128 dogs and cats were inoculated.

Mr. O'Toole continues to serve as Hazardous Waste Coordinator. A successful Household Hazardous Waste Day was held on May 10th. The Board of Health has been the recipient of a grant from the Department of Environmental Management in the amount of \$2,608.75. This amount helped defray the cost of the Hazardous Waste Day.

Following complaints were processed during the year:

- 3 Unsanitary Conditions (Home)
- 5 Unsanitary Conditions (Business)
- 21 Sewerage complaints
- 8 Brook and Ponds
- 6 Drainage
- 23 Restaurant (uncleanliness)
- 2 Landlord (no heat or hot water)
- 6 Illegal Dumping
- 8 Air pollution
- 2 Animals (not dog bites)
- 4 Debris around business and homes
- 2 Storage of Hazardous Waste
- 1 Food Poisoning
- 6 Rat problems
- 6 Miscellaneous

Respectfully submitted,

Mr. Theodore J. O'Toole — Chairman
Mr. Albert E. Sullivan, Jr.
Leander G. Othon, D.D.S.

REPORT OF THE ANIMAL INSPECTOR

To the Board of Selectmen and the Citizens of Hanover:

I submit my report for the year 1986:

| | |
|------------------------------------|-----------|
| Dog Bite cases quarantined: | 16 |
|------------------------------------|-----------|

The following animals inspected:

| | |
|---------------|-----------|
| Horses | 96 |
|---------------|-----------|

| | |
|---------------|-----------|
| Ponies | 30 |
|---------------|-----------|

| | |
|--------------------|----------|
| Beef Cattle | 8 |
|--------------------|----------|

| | |
|--------------|----------|
| Goats | 2 |
|--------------|----------|

| | |
|--------------|-----------|
| Sheep | 15 |
|--------------|-----------|

| | |
|--------------|----------|
| Swine | 0 |
|--------------|----------|

| | |
|-------------------------------------|-----------|
| Number of Premises Inspected | 36 |
|-------------------------------------|-----------|

Respectfully submitted,

**Richard J. Simmons,
Inspector of Animals**

HANOVER HISTORICAL COMMISSION ANNUAL REPORT 1986

The Hanover Historical Commission met 12 times during the year. Ten of those meetings were held with 3 members of the Historical Society who cooperated with us in organizing a Dateboard Project, making it possible for owners of historic homes up to 1900 to purchase a date board for their house. Having historic buildings marked helps to focus public awareness on our heritage.

We wish to thank Al L'Italien, John Field, and Lawrence Slaney for donating and preparing the boards for the printer. The committee prepared, researched, and reviewed the applications. A total of 50 dateboards have been ordered, and the project will be ongoing.

The commission has consulted with developers and suggested names of local or historic significance for new roads.

We cooperated with the Historical Society and the Friends of the Stetson House in sponsoring a Spring Clean Up Day in Hanover Center.

In December we were saddened at the loss by fire of St. Andrew's Church, one of our town's historic buildings and pledged to them our support and help in its restoration.

Robert Miklos, architect, was appointed to replace James Kelleher who moved out of town.

Hanover Historical Commission
Barbara Barker, Chairman
Barbara Connors
Robert Miklos
Jeanine Risgin
Lawrence Slaney

REPORT OF CONSERVATION COMMISSION

To the Board of Selectmen and the Citizens of Hanover:

The activities of the Conservation Commission are governed by the Massachusetts Wetlands Protection Act (General Laws, Chapter 131, Section 40) and the Town of Hanover Wetlands Protection By-Law #6-14. The purpose of these acts is to establish criteria and standards for all work which would remove, fill, dredge, or alter any land under water bodies and waterways, any bank, any bordering vegetated wetland, or land subject to flooding. It is the Commission's charge to see that development in or near wetlands is sited, designed, constructed, and maintained in a manner that protects the public interests identified in the acts and served by these resource areas. To this end the Commission reviews, with the assistance of a consulting engineer, all plans, data, and sites related to projects proposed to be built near wetlands; conducts public hearings; and denies or issues a permit to regulate the construction sequence.

The Conservation Commission meets in open session the first and third Mondays of each month at 7:30 P.M. upstairs at Town Hall. The office is open Monday through Friday from 8:00 A.M. to Noon and from 1:00 P.M. to 4:00 P.M. The Conservation Agent is Mrs. Lois McAfee. The telephone number is 826-6505. Gary James has resigned from the Commission due to pressures of work commitments, and Leslie Molyneaux has rejoined the group after a year's absence. There is one vacancy on the Board at the present time.

During the year 1986, the Commission conducted 59 public hearings, made 13 determinations, issued 22 certificates of compliance, and wrote 5 enforcement orders. The cranberry bog brought in \$383.75, the building lease in Industrial Park - \$480.00, and the Fee Schedule - \$6,985.54. The Guaranteed Deposit Plan was put into effect on April 1, 1986. Under this plan, developers reimburse the Commission for consulting engineering costs from a fund which they maintain with the Commission. From this fund \$9,086.18 was spent for engineering review costs, a sizable savings for the Town.

Acting with other Town Boards, a moratorium on developments using detention basins for drainage was put in effect on June 16, 1986, for a period not to exceed one year or until new regulations were promulgated. During this time Amory Engineers was contracted to develop a set of design and construction standards for detention basins in an effort to meet growing concerns of Town Boards regarding safety, liability, and maintenance of these basins. The Commission received the report in December. From this report, regulations will be drafted by the Commission, reviewed by Town Boards, presented at a public hearing for comments, and promulgated on April 1, 1987.

Miss Lucy Bonney and Mrs. Ann Henderson presented a parcel of 6.12 acres of land off Union Street to the Town of Hanover. This is a nice addition to properties under jurisdiction of the Commission which is most appreciative of the gift. The Commission hopes to make an access with an appropriate sign for this parcel and several others, as well as improve maintenance on all parcels under its jurisdiction.

With no time to update the Town's Open Space Plan, the Commission donated the sum of \$500.00 for the Planning Board to implement this process. When accepted by the State, the Updated Plan will enable the Commission once again to apply for Self-Help matching funds for land purchase.

Communication has improved between various Town Boards this year, which has helped the Commission deal more effectively with complexities involved with developers' increasing use of marginal sites. It is especially appreciative of the cooperation of the Planning Board, the Board of Public Works, and the Department of Public Works in carrying out its regulatory responsibilities.

Respectfully submitted,

Margaret Burns, Chairman

SOUTH SHORE REGIONAL VOCATIONAL TECHNICAL HIGH SCHOOL DISTRICT ANNUAL REPORT

South Shore Vocational Technical High School is currently completing its 25th year of serving both secondary and adult students on the South Shore. It is of important note that South Shore Vocational and Technical High School is the oldest school of its type in the Commonwealth having opened its doors in September of 1962.

South Shore Vocational Technical High School provides high quality vocational and technical programs to the students of our eight member communities and other towns all over the South Shore area. Official enrollment this school year is 526 students with 454 coming from member towns. A total of 75 students are attending S.S.V.T. High School from Hanover. Through the quarter century since its formation the programs offered have doubled and the annual student enrollment has increased by 400%. Nearly 15% of our graduates now own and operate their own businesses while 17% or more have been promoted to supervisory positions in the vocational and technical areas for which they received training here at S.S.V.T. High School. The typical graduate goes directly into the workforce at a far higher than average wage while approximately 15% go on to college and postsecondary education or further technical training.

In June, 1986, 8 graduates from Hanover received their diplomas and technical certificates from South Shore Vocational and Technical High School:

Kenneth S. Henderson
William Edward Jackson
Richard A. Lindsay, Jr.
Timothy Richard Malis
Raymond O. Scott III
Paul F. Smith
Stephen A. Stoddard
James M. Zaicek

Last summer special needs students from the area's special needs collaboratives were able to participate for the first time in an excellent program at S.S.V.T. High School. The program was funded entirely through a grant. All of our students are benefiting from our aggressive grant seeking posture at S.S.V.T. High School. Indeed, the entire school district benefits from grants, which we believe will help to hold down assessments.

Responsible growth is being planned and initiated at the South Shore Vocational Technical High School. The District School Committee and the administration have begun long range planning for a building addition in

Hanover to again provide one campus. On behalf of the district school committee, the administration, the staff and the students at South Shore Vocational Technical High School, thank you for your confidence and your support.

Respectfully submitted by,

Dennis Blackwell
District School Committee Member
Town of Hanover

Clifford W. Easton
Superintendent-Director

AUDITOR'S OPINION ON COMBINED FINANCIAL STATEMENTS

The School District Committee
South Shore Regional School District
Hanover, Massachusetts

We have examined the combined financial statements of the South Shore Regional School District for the year ended June 30, 1986, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted government auditing standards and the standards for financial and compliance audits contained in the *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*, issued by the U.S. General Accounting Office and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In as much as the Commonwealth of Massachusetts does not require the capitalization of fixed assets, the District has not maintained complete historical cost records of its general fixed assets. Accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial statements.

As discussed in Note 3, the District records pension expenses for retired employees on the pay-as-you-go method in accordance with the General Laws of the Commonwealth of Massachusetts. These practices are not in conformity with generally accepted accounting principles.

In our opinion, except for the effect on the financial statements of the matters described in paragraphs 2 and 3, the financial statements listed in the table of contents present fairly the financial position of such funds of the South Shore Regional School District at June 30, 1986, and the results of its operations and changes in fund balances for such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The supplementary data listed in the table of contents consisting of a Schedule of Federal Financial Assistance is presented for purposes of additional analysis and is not a required part of the combined financial statements of the District. The information in the schedule has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

AUDITOR'S REPORT ON COMPLIANCE WITH LAWS AND REGULATIONS

To the School District Committee
South Shore Regional School District
Hanover, Massachusetts

We have examined the general purpose financial statements of the South Shore Regional School District for the year ended June 30, 1986, and have issued our report thereon dated October 24, 1986. Our examination was made in accordance with generally accepted auditing standards; the standards for financial and compliance audits contained in the *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*, issued by the U.S. General Accounting Office; the Single Audit Act of 1984; and the provisions of OMB Circular A-128, *Audits of State and Local Governments*, and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The management of the South Shore Regional School District is responsible for the District's compliance with Laws and regulations. In connection with the examination referred to above, we selected and tested transactions and records from nonmajor federal financial assistance programs to determine the District's compliance with laws and regulations noncompliance with which we believe could have a material effect on the allowability of program expenditures.

The results of our tests indicate that for the transactions and records tested the South Shore Regional School District complied with the laws and regulations referred to above. Our testing was more limited than would be necessary to express an opinion on whether the South Shore Regional School District administered those programs in compliance in all material respects with laws and regulations noncompliance with which we believe could have a material effect on the allowability of program expenditures; however, with respect to the transactions that were not tested by us, nothing came to our attention to indicate that the South Shore Regional School District had violated laws and regulations.

AUDITOR'S REPORT ON THE STUDY AND EVALUATION OF INTERNAL CONTROLS

To the School District Committee
South Shore Regional School District
Hanover, Massachusetts

We have examined the general purpose financial statements of the South Shore Regional School District for the year ended June 30, 1986, and have issued our report thereon dated October 24, 1986. As part of our examination, we made a study and evaluation of the internal control systems, including applicable internal administrative controls, used in administering federal financial assistance programs to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards, the standards for financial and compliance audits contained in the *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*, issued by the U.S. General Accounting Office, the Single Audit Act of 1984, and the provisions of OMB Circular A-128, *Audits of State and Local Governments*. For the purpose of this report, we have classified the significant internal accounting and administrative controls used in administering federal financial assistance programs in the following categories:

Accounting Controls:

- Cash receipts and revenues
- Billings and receivables
- Cash disbursements and expenditures
- Payrolls
- General ledger

Administrative Controls:

- Federal financial reports
- Eligibility of costs

The management of the South Shore Regional School District is responsible for establishing and maintaining internal control systems used in administering federal financial assistance programs. In fulfilling that responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures.

The objectives of internal control systems used in administering federal financial assistance programs are to provide management with reasonable, but not absolute, assurance that, with respect to federal financial assistance programs, resource use is consistent with laws, regulations, and policies; resources are safeguarded against waste, loss, and misuse; and reliable data are obtained, maintained, and fairly disclosed in reports.

Because of inherent limitations in any system of internal accounting and administrative controls used in administering federal financial assistance programs, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the systems to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study included all of the applicable control categories listed above. During the year ended June 30, 1986, the South Shore Regional School District had no major federal financial assistance programs and expended 54% of its total federal financial assistance under the following nonmajor federal financial assistance programs:

PL98-524 Carl D. Perkins

Vocational Educational Act

With respect to internal control systems used in administering these nonmajor federal financial assistance programs, our study and evaluation included considering the types of errors and irregularities that could occur, determining the internal control procedures that should prevent or detect such errors and irregularities, determining whether the necessary procedures are prescribed and are being followed satisfactorily, and evaluating any weaknesses.

With respect to the internal control systems used solely in administering the other nonmajor federal financial assistance programs of the South Shore Regional School District our study and evaluation was limited to a preliminary review of the systems to obtain an understanding of the control environment and the flow of transactions through the accounting system. Our study and evaluation of the internal control systems used solely in administering these nonmajor federal financial assistance programs of the South Shore Regional South District, did not extend beyond this preliminary review phase.

Our study and evaluation was more limited than would be necessary to express an opinion on the internal control systems used in administering the federal financial assistance programs of the South Shore Regional School District.

Also, our examination, made in accordance with the standards mentioned above, would not necessarily disclose material weaknesses in the internal control systems, for which our study and evaluation was limited to a preliminary review of the systems, as discussed in the fifth paragraph of this report.

However, our study and evaluation and our examination disclosed no condition that we believe to be a material weakness in relation to a federal financial assistance program of the South Shore Regional School District.

This report is intended solely for the use of management and applicable regulatory agencies and should not be used for any other purpose. This restriction is not intended to limit the distribution of this report, which, upon acceptance by the South Shore Regional School District is a matter of public record.

SOUTH SHORE REGIONAL SCHOOL DISTRICT
Notes to Combined Financial Statement
June 30, 1986

(1) Organization

The South Shore Regional School District operates a regional vocational high school under an agreement among the towns of Abington, Cohasset, Hanover, Hanson, Norwell, Rockland, Scituate and Whitman.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accounting policies of the South Shore Regional School District as reflected in the accompanying financial statements conform with generally accepted accounting principles (GAAP) and the Uniform Municipal Accounting System as prescribed by the Commonwealth of Massachusetts, except as follows:

- (i) The District does not provide for retirement benefits in accordance with generally accepted accounting principles (see note 4).
- (ii) The District does not maintain a general fixed assets group of accounts.

The total columns in the Combined Balance Sheet and the Combined Statement of Revenues, Expenditures and Changes in Fund Balances are for memorandum purposes only and do not present consolidated financial information.

(b) Fund Accounting

The accounts of the District are organized on the basis of funds and a long-term debt account group, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues and expenditures. The funds are summarized by type in the financial statements. The following fund types and account group are used by the District:

GOVERNMENTAL FUND TYPES

Governmental Funds are those through which most governmental functions of the District are financed. The acquisition, use, and balances of the District's expendable financial resources and the related liabilities are accounted for through governmental funds. The measurement focus is upon determination of changes in financial position, rather than upon net income determination. The following are the District's governmental fund types.

General Fund - The General Fund is the general operating fund. It is used for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are restricted to expenditures for specified purposes.

Capital Projects Fund - The Capital Projects Fund is used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by other funds).

FIDUCIARY FUND TYPES

Trust and Retirement Funds are used to account for assets held in a trustee capacity or as agent for other funds or entities.

ACCOUNT GROUP

The long-term debt group of accounts is used to establish accounting control and accountability for general long-term debt.

(c) Basis of Accounting

The modified accrual basis of accounting is followed by governmental and expendable trust and agency funds. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual (i.e., both measurable and available). "Available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when liabilities are incurred, if measurable.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, monies must be expended for the specific purpose or project before any amounts will be paid to the District; therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria are met.

Charges for services and miscellaneous revenues are recorded as revenues when received in cash. Investment earnings are recorded as earned.

Under the terms of the agreement, as amended, establishing the District, the School District's costs, operating and capital, are apportioned, and assessments are levied against the towns forming the District. The District's apportionments are based upon each town's pupil enrollment as of October 1 of the preceding year (average of three preceding years for capital costs).

(d) Continued Appropriations

Appropriations for certain projects and specific items which are not fully expended at the fiscal year-end are carried forward as continued appropriations to the new fiscal year in which they supplement the appropriations of that year. At the fiscal year-end, the continued appropriations are included in fund balances as encumbrances.

(e) Inventories

Inventories of materials held by various fund activities are not recorded in the accounting records. The value of such inventory has been recorded as an expenditure at the time the individual inventory items were purchased.

(f) General Fixed Assets

General fixed assets are recorded as expenditures.

Under generally accepted accounting principles the District would maintain a general fixed asset group of accounts to provide historical cost information on District owned property, plant, and equipment. However, as is the practice with school districts and municipalities in the Commonwealth of Massachusetts, the District has not maintained historical cost records of its fixed assets and, accordingly, a statement of general fixed assets is not included in the accompanying financial statements.

(g) Vacation and Sick Leave Benefits

A limited amount of sick pay earned may be accumulated by employees until their retirement. Vacation time must be used in the period in which it is earned. The District's policy is to recognize as expense sick pay and vacation costs at the time payments are made. The total amount of sick pay earned through June 30, 1986, which may be expected to be paid in the future if current employees stay until retirement is \$135,208.

(3) Notes Payable

Notes payable at June 30, 1986, amounting to \$450,000 are secured by the general revenue raising powers of the District.

The notes are temporary loan notes issued to fund capital project costs incurred in connection with the District's remodeling and extraordinary repairs projects prior to the issuance of long-term bonds. These notes are general obligations of the District and were represented by the following at June 30, 1986:

| Amount | Maturity Rate | Interest Rate |
|-----------|------------------|------------------|
| \$ 40,000 | June 2, 1987 | 4.42% |
| 400,000 | June 2, 1987 | 4.52% |

(4) Pension Plan

Certain administrative and other professional employees and teachers of the District participate individually in a contributory retirement plan administered by the Massachusetts Teachers Retirement Board. The District does not contribute to this plan.

Retirement benefits are provided for other employees of the District by the District's participation in the Plymouth County Retirement System under the Massachusetts Contributory Retirement Law. This law prescribes the formula for computing retirement allowances and presently does not permit funding of accrued pension liabilities actuarially. Employee contributions and District contributions are paid on a pay-as-you-go basis as directed by the County Retirement Board. The District's contribution to this plan for fiscal year 1986 was \$42,890. Generally accepted accounting principles require that the minimum cost charged each year for pension expense should be the normal cost (determined on an actuarial basis) plus interest on unfunded prior service cost.

(5) Unemployment Compensation

The District reimburses the Massachusetts Employment Security Division as claims arise against the District. Payments of \$10,700.00 for claims were made in fiscal 1986.

(6) Long-Term Lease

The District leases a building under a five year lease expiring June 30, 1987, with the Town of Abington, Massachusetts. In 1986 a five year extension until June 30, 1992, was negotiated at level payments of \$218,000 per year. Under the terms of the extension, one year notice is required from either party to terminate the lease. The lease covers the entire building known as the Abington Junior High School except the maintenance wing and including the adjacent outside playground areas subject to such review by the Park Department and written approval of the School Department is necessary. The lessor (Town of Abington) is to provide and pay for fuel, electricity, gas and water, according to the terms of the lease. The District is responsible for 42% of the lease payments while the Commonwealth of Massachusetts will reimburse 58% of the total lease payments in the form of additional state aid. The lease expense on this building for 1986 was \$200,000.

Future lease payments under other leases of various equipment are as follows:

| 1987 | 1988 | 1989 | 1990 | 1991 |
|----------|----------|----------|---------|---------|
| \$43,809 | \$24,525 | \$19,819 | \$2,230 | \$2,230 |

(7) General Fund Balance

In accordance with Section 16B 1/2, Chapter 71 of the General Laws of the Commonwealth of Massachusetts, the school district is only allowed to retain 5% of the succeeding years authorized budget. This limit amounted to \$170,970 and the undesignated general fund balance was \$170,528 at June 30, 1986.

The designated general fund balance consisted of the following at June 30, 1986:

| | |
|--|-----------|
| 1985-86 non-resident tuition appropriated | \$225,020 |
| decrease fiscal 1987 assessments to member towns | |

| | |
|--|--|
| Appropriation for capital equipment and renovations — per vote of the Regional School District Committee, July 9, 1986 | |
|--|--|

38,000

\$263,020

(8) Subsequent Events

At a regular meeting of the Regional School District Committee held on July 9, 1986, it was voted to reduce the fiscal 1986 assessments of the member towns by \$37,520 as a result of collecting more non-resident tuition for the year ended June 30, 1986, than anticipated.

JOHN CURTIS FREE LIBRARY ANNUAL REPORT FOR THE YEAR 1986

To the Citizens of Hanover,

The December 31, 1986 issue of the *Mariner* says that I've built some "energy and excitement" into the Library in the past year. This is, I think (immodestly) true. But therein lies a tale.

The John Curtis Library had, prior to my arrival, been neglected. The one bright spot on the horizon a year ago was the promise of a new computerized circulation system. But to circulate a collection increasingly out-of-date, increasingly irrelevant and increasingly not what people want to read, hear, view, or listen to makes no sense, computerized or not. To computerize and bring into the late 20th century a Library lacking far more basics — like adequate browsing, research, quiet study, shelf and children's programming space — makes no sense either. Moreover, to stand quietly by and pretend that this is due to things beyond our control, just is not true. Who is responsible?

The Town of Hanover, particularly its financial recommendation review board is responsible. It is a known fact in the Library community that it usually takes 2% of an annual budget spent on the Public Library of a given Massachusetts town in the post-1979 period to adequately support the Public Library.* The Town of Hanover typically has spent approximately .9% of annual revenues on the John Curtis. The addition of the computerization article brings the expended total to about 1.4%. However, this goes away very shortly and no guarantees exist that our collections, revenues, nor our people will be any better supported. We need 2% of annual revenues, not .9 or 1.4%. And we need it — and you need it — just as much as you need a more-than-adequate school system which typically receives more than 60% of annual Town revenues.

So what have we been doing about it in the past year? Firstly, we have recognized the need for a long-range plan for the John Curtis Library. The Massachusetts Board of Library Commissioners provided us with the opportunity by designing a self-study and long-range program-writing handbook called, "Options For Small Libraries." By participating in "Options" we a) wrote a plan of operations for the future based on our strengths and on the needs of Hanover citizens; b) provided future Library Directors and Boards of Trustees with a plan to follow up on what we do today; c) made ourselves eligible for grants-in-aid in the eyes of many of the providers of grants-in-aid by creating a documentary record of our history, our practice, our needs for the future and our praxis. Though it may be modified in the future, our participation in "Options For Small Libraries" planning process reached the conclusion that we need better support and better ways of selling our chief supporter — the citizens of Hanover — that this is true.**

Secondly, we have done all that we could do internally to bring the Library up-to-date. The collections are ready to be input into the computer, after they were "weeded" (i.e. had many materials taken out for lack of currency, poor condition, etc.) and otherwise modernized through purchase, donation, conservations and exchange.

We built a Consumer Reference Collection and a Business Reference Collection to answer the questions of Hanover citizens as consumers and as Businessmen and women. We continued to honor our major commitments to loan and borrow materials with sister Libraries and Lorraine Welsh took over the supervision of this very important task. We are doing over 50% more Interlibrary transactions than last year. Which means, even in advance of our going on-line with our computer network, the Old Colony Library Network, we are putting you in touch with out-of-town resources for pleasurable reading, genealogical research, information about life situations and much more. We included deaf citizens in our Library patronage for the first time by acquiring a TTY Telecommunications device for the deaf and building a small collection of deaf education books. We added a new telephone system at low cost which gives us a second telephone line and on-hold features. Mr. Steve Johnson, formerly of the Advisory Committee consulted on the telephone system, giving of his expertise free of charge. We added a professional Reference Service called, "ASK HERE!" to give Hanover citizens the benefit of professional research assistance on any question you may have. "ASK HERE!" is open three afternoons a week and is averaging 9 calls per 3-hour period after 3 weeks; this will doubtless improve as the service gets better known. Our very talented Children's Librarian, Margot Isabelle is weeding the Children's book collection, planned and implemented many successful children's programs, including a whopping 250+ children's involvement in our Summer Reading Program, "READ THE OUTER LIMITS." Despite our having to take almost 2,000 books out of our adult collection for lack of currency, etc., we carefully spent our allocated funds to build formerly under-maintained areas, especially on subjects including world literature, contemporary history, colonial history, Massachusetts, New England and South Shore history, travel and demographics, education, science and languages. We netted a gain of over 2,000 items!

Thirdly, we have sought outside financial assistance for our book, reference and audio-visual collections. I wrote 6 grant applications. And, miraculously, all 6 came in! Let me detail these grants with a comparison of our grants performance in the previous year:

1985

\$2,183 for Large Print materials from Library Service
Construction Act, Federal Government.

\$5,679 for State Assistance for Libraries from the
Commonwealth of Massachusetts

TOTAL: \$7,862

1986

\$ 800 for circulating books from "The Library of America",
New York, N.Y.

\$10,366 for State Assistance for Libraries from the
Commonwealth of Massachusetts.

\$ 7,427 for cassette materials from Mass. State Competitive
Grant.

\$ 2,429 for reference materials from Mass. State Competitive
Grant.

\$ 400 for circulating art prints from Massachusetts Arts
Lottery.

\$ 300 for circulating cameras from The Polaroid Corporation.

TOTAL: \$21,722

Most of these grant monies support parts of the Library that the Town has not adequately supported. That is why the grants were written. The State Assistance For Libraries has in the past been used by the Town of Hanover, not to add to Library revenues, but to defray the already inadequate Town appropriation for the Library. This practice must be stopped! This practice insures that the John Curtis Library has not only no incentive to look for outside monies from the State Assistance award. This practice insures that I as the director of the Library have a disincentive from writing grants at all! And I have just proved that grant monies that we can get — and could have gotten in the past, too — are out there and can be reeled in. Several grant applications I have written and am writing yet will be impacted if the Town again chooses to use the grant money as an excuse to cut Town funding of the Library. Let me give a concrete example: our providing cassette-format materials has been a smash success with both children and adults who use the Library. A study we conducted of students in 8th-12th grades — with thanks to Superintendent Fox for allowing it and to Library Volunteer Richard Eaton for helping to code most of the results — indicated that 44:1 students prefer cassette-format to LP-format materials. Commuters, housewives and the elderly use self-help, life-advice and recreational listening cassette materials. Children are thrilled by read-along cassette-book packages. However, traditionally the Town has provided only \$500 for all of our annual audio-visual acquisitions, and that includes records, tapes and everything else! So I arranged that our 1986 line item for audio-visual materials be upped to \$2,500 for one year only. On that basis, I could go out and seek grant funds, which I then did successfully in the amount of \$7,427. But where did the additional \$2,000 come from? Not from the Town. It came out of rearranging other line items downward. It probably came out of the library supplies budget and to a lesser extent out of the book budget. Do we need less money for supplies or

books? No, of course not. We need more money for books and a little less money for supplies because computerization eliminates some of the supplies we use. Where will this money come from? It will come out of our next year's budget. The grant money will build an adequate collection of cassettes. But if the Town uses this as an excuse to cut our funding, all the benefits will be lost in audio-visuals, and more lost from supplies and books. The grants must be seen for what they are: means of making up for Town short-falls; not as an excuse to create more Town short-falls!

So let's talk frankly. The Library needs more money. We need 2% of town expenditures. We need it for all of the reasons detailed above. And some others. Our planning process shows that our greatest resource is our Library Staff. They basically "make" the Library: they make it the place it is and the place it can be. But Library Staff members are underpaid and overworked. I would like this recognition to eventuate in a salary scale raise for all Library Staff and will pursue this with the appropriate Town agencies. And, Library Staff's overworked state should be eliminated by the restoration of the half-time line removed in fiscal year 1985 when a retirement was not replaced. We have one Staff member on the Circulation Desk in the adult room during the day. We need two Staff members for this. What happens when that Staff member is ill, is on her vacation, is at lunch or is needed elsewhere? What happens is the rest of the Staff gets overworked filling in. This is one of the basics I referred to earlier. In addition, salary scales and classification are inadequate, far below the average salary scales of other comparable towns. Take a look at the salary scales in this volume and then reflect that the Massachusetts Library Association's recommended *entry-level* salary is \$20,000.

Other major events of 1986 included the retirement of 22-year employee Manilla Spurr. Mrs. Spurr was an invaluable employee who is very hard to replace. She performed many tasks which today are typically performed by a professional librarian. Mrs. Spurr was not a professional by training, but you couldn't tell the difference in reality. Also, the friends of the Library initiated a book discussion group which meets on the first Thursday of the month at 11:30 AM and they invite you to attend.

Once again we are grateful for other outside sources of support from the citizens of Hanover who donated books to the Library and to the Book Sale, who volunteered their time in the Library, who helped to staff our twice-a-year Book Sale, and who gave us their feed-back on what we (and particularly what I) was doing right and doing wrong. Especial thanks to our week-in, week-out volunteers:

Janice Baird
Barbara Chamberlain
Terry Diniak
Ronnie Dunn
Richard Eaton, Sr.

Nancy Guadano
Helen McLin
Cynthia Strong
Diane Wuori
Usha Gopinath

Kathy Gabriel

We are also ever grateful to the Hanover Women's Club, The Friends of the John Curtis Library and the South Weymouth Savings Bank for donating our popular free museum passes to the New England Aquarium, the Museum of Fine Arts, the Boston Science Museum, the Children's Museum and the U.S.S. Constitution.

A special note of thanks to Mrs. John McCullough who very thoughtfully suggested to friends and relatives who wanted to memorialize her husband that they make donations to the Library. These donations paid for the TTY, for reference books and for a needed piece of furniture.

We also thank the members of Town Hall without whose cooperation and guidance this fiscal year could have been a fiscal disaster, an administrative nightmare and a managerial quagmire.

Our Board of Trustees gave, as ever, of themselves, of their time and of their support. Mrs. Grace Boyle pointed out The Library of America grant opportunity which we then wrote for, wrote the grant and won the grant. Mr. Albert Reale continued to build our Trust coffers which will be very necessary for rainy days (may they be few) in the future. Mrs. Marjorie Deluse continued her fact-finding, official appearances and needed advice on our behalf. The Board's open meetings take place on the 2nd Tuesday of the month at 7PM in the library.

I must also praise Library staff for continuing to work to publicize what you need to know about your Library in frequent press releases and appearances on Hanover Community Television (Channel 3). This last would not be possible without the help of American Cablesystems Program Director, Jodi Silver and our somewhat scattered, somewhat efficient, but always creative video volunteer, Bob Miot.

In conclusion, I return to my original theme. We can sustain "energy and excitement" at the John Curtis Library very easily. It only takes your involvement as citizens and as Library patrons. Adequate support is energizing, too. Inadequate support is demoralizing. In a growing Hanover where, as the Hanover *Mariner* wrote, "the shadow of the small, rural town image began to fade, residents and town officials search for answers in an attempt to mold Hanover into a shape that would fit its future" the John Curtis Library is a vital component of that future.

Respectfully submitted,
Fred T. Friedman, Director

Adult Library Hours are:

10 AM - 8 PM, Monday — Wednesday

10 AM - 5 PM, Thursday — Saturday

Children's Library Hours:

10 AM — 8 PM, Monday

1 PM — 8 PM, Tuesday, Wednesday

1 PM — 5 PM, Thursday, Friday

10 AM — 5 PM, Saturday

The Library is closed on Saturday from June to September.

LIBRARY STAFF:

Fred T. Friedman, Director

Margot Isabelle, Children's Librarian

Eleanor Flammia, Library Technician

Lorraine Welsh, Library Technician, part-time

Mary O'Brien, Library Technician, part-time

Carol Jankowski, Library Technician, part-time

John Clair, Custodian

John Towers, Library Page

TRUSTEES:

Marjorie M. Deluse, Chairman

Grace M. Boyle, Secretary

Albert Reale, Treasurer

* The "two percent solution" is the finding of the Massachusetts Board of Library Commissioners in two recent studies:

- Nancy M. Bolt & Corinne Johnson, JNR Associates, *Options for Small Libraries in Massachusetts: A Planning Guide*. (Boston: MBLC, 1985). pages 9-11.
- Statewide Advisory Council on Libraries, Massachusetts Long Range Program, 1987-1991. (Boston: MBLC, 1986). pages 46-51.

** The "Options for Small Libraries" document and the John Curtis Library's Long-Range Plan are available for public scrutiny at the Library. A draft of JCL's Long-Range Plan will be presented to the Town of Hanover's Advisory Committee. It is important to note that participation in the "Options" planning process is currently being used as the number one qualification for eligibility to apply for the many grants-in-aid administered by the Massachusetts Board of Library Commissioners. We expect that the "two percent solution" will, moreover, be part of the creation of hierarchies of viability used by the Board to evaluate all public libraries' ability to sustain grants-in-aid by local funding in the future. This may impact on all future development plans.

Albert H. Reale, Treasurer

REPORT OF THE TAX COLLECTOR

To the Hanover Board of Selectmen and the Citizens of Hanover:

Collections during the calendar year 1986 for Real Estate, Personal Property and Motor Vehicle Excise taxes, together with miscellaneous collections such as interest and fees on late payments and fees for Municipal Lien Certificates amounted to \$6,387,205.79

The Fiscal 1987 tax rate of \$11.20 per \$1,000 was certified on December 11, 1986, and the bills were mailed on December 17, 1986. Inasmuch as the due date for the first half of Fiscal 1987 Real Estate taxes was January 16, 1987, some monies, which normally would have been collected during 1986, were not received until the new calendar year. The prompt payment by many of the taxpayers was appreciated as it alleviated additional borrowing by the Town in anticipation of tax revenue.

Many hours were spent preparing notices to taxpayers in arrears of Fiscal 1985 Real Estate taxes. A tax title lien was placed on only two parcels, which represents a collection of approximately 99.9% of the total tax levy.

There were five hearings held at the Brockton Registry of Motor Vehicles and approximately one hundred and fifty Motor Vehicle Excise taxpayers became subject to a license suspension.

The total receipts for Municipal Lien Certificates was \$14,985.00. A Municipal Lien Certificate is a legal document prepared for mortgage transfers, refinancing or line of credit. This document indicates whether the taxes and water charges are paid. The cost of this certificate is \$15.00.

I would like to thank the citizens of Hanover for their conscientious efforts to pay the many bills that are mailed from this office. My appreciation is also extended to my competent office staff and Deputy Collector for their efforts and many courtesies.

Respectfully submitted:
Eleanor M. Kimball
Hanover Tax Collector

REPORT OF THE BOARD OF ASSESSORS

To the Hanover Board of Selectmen and the Citizens of Hanover:

The revaluation of the town was successfully completed during the year. The new assessed value of the town increased \$388 million or 130% to \$687,594,200 as of January 1, 1986 compared to an assessed value of \$299.5 million on January 1, 1985. The last revaluation of the town was as of January 1, 1982 at which time the total assessed value was \$276 million.

The increase in assessed valuation reflects the strong real estate market during the past several years as well as the strong construction market prevailing in the town. New construction allowable increased 75% to \$19,624,500 for calendar 1985 from \$11,232,600 for calendar 1984. Total taxes raised from increased valuation rose to \$526,151 from \$304,966.

Most classifications of property have shown this increase in value. Land assessments have shown the most dramatic increase in assessments reflecting the significant increase in assessments reflecting the significant increase in market value over the past few years not only in Hanover but throughout Massachusetts.

The assessors are already preparing for the next revaluation of the town as required by state law for January 1, 1989.

TOWN OF HANOVER CLASSIFICATION OF PROPERTY (000 OMITTED)

| Fiscal year | 1985 | 1986 | 1987 |
|----------------------------------|-----------------------|-----------------------|-----------------------|
| Assessed valuation of the town | \$285,210 (1-1-84) | \$299,551 (1-1-85) | \$687,594 (1-1-86) |
| Residential | 211,505 | 219,093 | 500,700 |
| % of tax levy | 74.16 | 73.14 | 72.82 |
| Open Space | — | — | 446 |
| % of tax levy | | | .06 |
| Commercial | 56,137 | 59,546 | 139,786 |
| % of tax levy | 19.68 | 19.88 | 20.33 |
| Industrial | 9,053 | 11,092 | 34,957 |
| % of tax levy | 3.17 | 3.70 | 5.08 |
| Personal Property | 8,516 | 9,821 | 11,705 |
| % of tax levy | 2.99 | 3.28 | 1.70 |
| New Construction (Allowable*) | | | |
| Residential | | 6,426 | 7,443 |
| Commercial, etc. | | 4,806 | 12,181 |

* Allowable new construction—increases in assessed valuation for Residential of not less than 50%; commercial, etc. not less than \$100,000 or 50%.

TAX RATE RECAPITULATION

ANNUAL REPORT OF THE PERSONNEL BOARD 1986

The Personnel Board began 1986 with two new members, Joan Kuhn and Mary Dunn, a new Chairman, Paul Salines, and a full agenda emphasizing increased professionalism in the conduct of personnel management in Hanover.

During the year monthly meetings were held, with additional meetings scheduled for subcommittee and position reclassification work.

Several major projects were completed during 1986. The Personnel Bylaws were reviewed and revised to reflect current practices and time frames. A proposal for employee paid long-term disability insurance for town employees was drafted and its feasibility studied. Unfortunately, the recommendation was not to offer this program due to a lack of insurance vendors and the program's prohibitive cost. The town's employment application form was reviewed and revisions suggested to bring it into compliance with current state and federal laws. A town employee census was obtained and organized into a useful format for tracking positions and for future projects.

In an effort to increase the level of professionalism of personnel activities, the Board joined the Massachusetts Municipal Personnel Association and was represented at its annual meeting. We also participated in a comprehensive M.M.P.A. salary study with other towns throughout the Commonwealth. Various reference materials were also purchased to this end.

A major project aimed at reclassification of all town positions under collective bargaining agreements was undertaken in 1986 and continues. A job description questionnaire was developed and distributed to all affected departments. A point-factor salary system was developed to evaluate these positions, and the process begun. The Board expects this project to make up a large part of its agenda until completion in 1987. Several non-union (Personnel Bylaw) positions were reviewed and recommendations for salary adjustments made during 1986.

The Personnel Board anticipates a busy and productive upcoming year. Our major goals include: completion of the salary reclassification study, review of the entire town salary structure for consistency and continued updating of the bylaws and personnel practices. A review of the salary step system will also be undertaken. Increased participation in Mass. Municipal Personnel Association programs is projected. We hope the professional growth attained by the Board in 1986 will be built upon in 1987.

Chairman, Paul Salines
Mary Dunn

REPORT OF THE SCHOOL DEPARTMENT 1986

Education is not a destination, it is a process. In Hanover this process is experienced in our schools not only by those ages six to sixteen, but for some below and many above this state-mandated age group. An annual report, however, cannot show this process but can simply touch on a few of the activities, several of the support services and some of the successes of this educational process.

One activity closely related to the educational process is curricula improvement and there were some major developments in Hanover in 1986. First, was the publishing of Hanover's *Educational Objectives*. This booklet, developed by a committee of 96 people, citizens and educators alike, redefined the basic goals of Hanover's educational process-desired outcomes of all students grades K-12, according to their abilities, are: 1. ability to think, 2. ability to communicate effectively, 3. appreciation of the endeavors and achievements of humanity in its continuing development, 4. development of the aesthetic sense and creativity, 5. a sense of inquiry about and a better understanding of the environment and the universe, 6. responsibility as individuals and as members of society, 7. a positive self-image, 8. avenues towards self-actualization. From these first level goals flow more specific second level objectives as redefined in 1986, become the cornerstone of individual, detailed subject curricula which are the source of each teacher's daily lesson plans and activities.

Flowing from the *Educational Objectives* there were a number of subject curricula being produced in 1986. Math curricula for grades six through eight plus Algebra I were completed extending the K-5 math work of the year before. Several high school math courses will be rewritten for next year. A major revision of the social studies curricula K-7 is underway. In addition a revision of the eleventh grade United States History Course to accompany a new text is planned. Four course curricula in business education were revised informally in 1986 following on three the year before. Lastly, the science curricula grades K-9 is being revised plus Honors physics in high school is planned for 1987.

Also flowing from the *Educational Objectives* has been the expansion of the computer education program. In 1986 a computer room was established at Sylvester School and a program was begun to introduce fifth graders to the computer as an educational tool. This will lead to an upgrading of offerings in the junior high. Since competency in the use of the computer is emerging as a primary skill in a society where the computer is a basic tool for acquiring knowledge, organizing systems and solving problems, all Hanover students have the opportunity to acquire this skill.

To support these curricula changes and other goals of the schools in 1986, a variety of professional in-service educational activities were undertaken aided, in part by state and federal grants. These Tuesday afternoon programs were varied and included such topics and courses as a six-week teacher small group training in computer use in education, ways to develop critical and

creative thinking in students, new techniques in teaching math, methods to improve early childhood education and ways to improve staff evaluation.

One component of Hanover's educational process, not directly flowing from the *Educational Objectives* but servicing Hanover residents from ages 3 to 22, is the special needs program as defined by various state and federal laws. The staff in this program has accomplished many things in this year of 1986. Working as part of the North River Collaborative, our staff has helped a variety of opportunities to be realized. The Collaborative has expanded services to the pre-school handicapped students of the area, the number rising from 47 in 1985 to 73 in 1986. Collaborative Grants will help students in Hanover and nearby towns to have more outreach vocational programs; this includes cooperation with local businesses and a variety of human service agencies to improve the education of these students in a cost-effective manner. Providing special educational services as a Collaborative at the local level means better programs, less transportation and more opportunities for parents to be in close contact with their youngster's education.

In Hanover, using tax dollars and grant aid, we have expanded opportunities and programs for the multihandicapped students, for those on home tutoring and for those in programs where English is a second language. We have tried to service students in real need of these specialized services and yet have been able to keep the total number of students in the program at the same level as last year by bringing those who are ready back into the mainstream of education. Cost factors for supporting special needs education are very high and climbing much faster than any other educational cost. Individual placements in specialized, out-of-district programs range from \$17,000 to \$58,000 per year for the severely handicapped. We are obligated to provide such services for some students hence the large special needs budget presented before the town each year. The special education staff in Hanover feels many services can be offered in the local schools and with a strong in-service program for all staff, specialized programs can be provided by regular staff members as close to the mainstream as possible.

Early Childhood Education is an area of growing importance to educators. Those in special needs in Hanover, in conjunction with teachers of regular kindergarten and primary school, are exploring ways to keep nearly all students in the mainstream of regular education even in these early years. One grant, part of the \$100,000 grants obtained through the special needs professionals, was directed at new ways to work with preschoolers, ages three to five, and their parents. When this preschool program finally develops, it will be used in the regular education program. The services and programs provided for the special needs students is as much a part of the total educational process as that for those considered talented and gifted.

Students in the elementary grades having special talents develop them in part in the SAGE Program (Shared Approach to Gifted Education). Some 500 youngsters were involved in five types of SAGE programs in 1986. A number of artists in residence worked in the Hanover Schools thanks to the SAGE

coordinator, Mrs. Constance O'Brien, and local and grant financing. Michael Dailey, a poet, worked with a number of classes to expand students' sensitivity and means of expression. Susan Klein, a story-teller, showed groups of elementary school students the way words communicate feelings and ideas and Michael Zerphy, a mime, showed how feelings are expressed even without words. Such exploratory and enrichment activities, experienced by groups of students is the first level of the SAGE experience. A number of mini-courses were offered students such as Creative Thinking through Drama, Life in Water, Junior Great Books and Introduction to Conversational French. These courses taught by staff members, parents and visiting experts, were enrichment materials for small groups and developed higher level thinking and feeling processes-a second level in the SAGE program. When students embark on individual studies with real problems and documented results, they are working at the third level of the program. Some 89 Hanover youngsters came together to stage an Independent Study Fair in 1986, giving parents and the public an opportunity to see the variety of topics they had investigated. Is artificial intelligence helpful for the human race? Why kill whales? Why did Hitler start the war? How has candy changed in the last 100 years and what will it be in the future? These are but a few of the topics presented at the Fair. Other types of third level activities included having teams and individuals compete in Future Problem Solving Competitions. Christie Griffin, a fifth grader, placed second in the Massachusetts Future Problem Solving Competition held at M.I.T. Still another level three project was the weekly Children's News Program. These presentations were written by students, delivered and even recorded for cable TV by students in the SAGE Program.

To have such activities happen requires leadership, much teacher and parent support and involvement, training and financing. Grants were obtained to augment local funding such as the Regents Grant from the Massachusetts Higher Education Board, the Hanover Arts Lottery and the Arts & Humanities Council. Two teachers attended a summer training program in Connecticut. Critical & Creative Kits were developed for each classroom Grades 3-5 and teachers learned in In-Service Workshops how best to use them. To continue such opportunities will require similar efforts in the years ahead including strong parent and staff support and a variety of funding.

Not all aspects of the educational process can be experienced best in the classroom. Indeed, parts of the process during the time of formal education and much in later life involve being with people in and from different places. By going beyond the schoolhouse walls much was learned by Hanover students in 1986. In the spring, 21 students in the high school French classes spent nine days in France and Italy applying their language study and experiencing another culture. This trip was so successful that in the Spring of 1987 twenty Spanish students and teachers plan a trip to Spain. Another way for Hanover students to be exposed to those from different lands is through the active AFS program led by Mrs. George Lowe. Because of this program and the hospitality

of families in Hanover, a student from Hong Kong and another from Honduras spent the school year in Hanover learning from us and sharing their ideas with the entire town. Currently an AFS student from Belgium and another from Jordan are spending this year in Hanover. In turn, a Hanover AFS student, Alison McAfee spent the summer in Israel and more students are encouraged to visit overseas. Lastly, Dr. Richard Chesley, head of the American School in Nicaragua, Hanover's sister school overseas, visited in Hanover, spoke to students in various classes and met with teacher groups to see how more interschool activities might occur.

Returning to trips in this country, Hanover students were equally busy in 1986. Groups from all three school levels experienced the educational process through visits outside the classroom. Several students involved with the high school student council not only went to state conventions but to the national convention. Another group journeyed to New York City to see the Metropolitan Opera while the Chamber Singers 40 strong had a spring concert tour to Pennsylvania, New Jersey, New York and Connecticut and are planning another trip to Florida. Many other groups could be mentioned who traveled out-of-state including the junior high group who went to our nation's capital in late June.

To show the variety of in-state visits consider the full list of junior high trips. Students in the three grades went on 20 different trips, the groups averaging from 90 to 187 students each. Sixth graders visited such places as Peggotty Beach, the New England Aquarium, Nickerson Theatre, Old Colony Press, the Museum of Science and a sugar refinery, not to mention their Ecology Camping week in Southeastern Mass. Seventh graders were involved with the North River Archaeology Project, Museum of Fine Arts, Wang Center, Hammond Castle, ecology work in the North River, the Hull Life Saving Museum and Whale Watching. Eighth graders, in turn, went to Sturbridge Village, the State House and Old South Meeting House, Berklee Performance Theatre twice for different programs, Hingham District Court, Lowell National Park and Symphony Hall. Trips and activities beyond the classroom are an important component of the educational process in Hanover.

Not part of the educational process but critical to it is the upkeep of school facilities. As house repairs are necessary for continuance of the home, so school repairs are needed to realize good educational activity. Since about 1980 financial caps have so limited funds, that what dollars were available went for direct educational activity and emergency upkeep. By 1986, funds had to be directed towards capital improvements much as homes need a roof, a coat of paint and interior work periodically. A five-year plan is in place with the Capital Improvement Committee of the town and other items are being done with school maintenance funds. In 1986 there was a new roof on the high school with plans for roofing other buildings in the next few years. Wornout exterior doors at the high school and Sylvester were replaced. Classroom and corridor ceiling replacement began at Center School and included replacing the original incandescent bulbs with better and more economical tube lights.

Painting and cleaning of the outside front and sides of Sylvester School plus some interior painting, painting the outside front of Center, three sides of the high school and the high school auditorium all helped improve the town's investment in these buildings plus enhanced their appearance. A Dust Collection System was added in the Junior High Industrial Arts room, typewriters and calculators were replaced and a new Wang Word Processing Unit was installed in the high school business education area and a computer room was established complete with a dozen Apple IIe machines at Sylvester. These are all parts of the upgrading of the Hanover School houses, one of the town's major investments.

As education is a process, hence ongoing, it is still good to examine some of the measures made along the way. It has been traditional in annual reports in Hanover, to include some measures of our students' performance on state and national tests, academic achievements of those graduating from the high school, and performances of students in activities like athletics. In 1986 there was a new, state-mandated test which drew wide attention as a measure of curricula. The Hanover Schools scored above the state average on all nine sections of the Massachusetts Educational Assessment Test. The three areas tested were reading, math and science and the three grades selected were three, seven and eleven. The tests were designed to measure everything a student might be expected to learn up to the grade level tested, encompassing the entire range of student ability and providing a challenge for all students. As we have been making a strong effort in the primary schools on curricula in these areas, we were especially pleased with the performance of third graders. The results are as follows: (1300 was the state average)

| Grade | Reading | Math | Science |
|-------|---------|------|---------|
| 3 | 1400 | 1380 | 1370 |
| 7 | 1400 | 1340 | 1370 |
| 11 | 1340 | 1340 | 1370 |

A second test, the Metropolitan Achievements, is administered annually in Grades 2-8 in Hanover. These results were reported in last year's report and are updated because of citizen request. The version we use was standardized in 1978 on 800,000 students in all 50 states. The results offer a national comparison in the country, curriculum direction for the schools and individual performance data for teachers and parents. The results are in grade equivalents. This means that a typical student in grade five scoring 7.4 is reading like a typical student in the fourth month of grade seven. It does not mean he/she knows everything a seventh grader does but on this test he/she scored the same as an average seventh grader tested in December.

1986 METROPOLITAN ACHIEVEMENT TEST RESULTS BY GRADE EQUIVALENT

| SUBTEST | Grade | 2 | 3 | 4 | 5 | 6 | 7 | 8 |
|---------------|-------|-----|-----|-----|-----|-----|------|------|
| Reading | | 3.5 | 5.0 | 6.6 | 7.4 | 9.4 | 11.2 | 11.0 |
| Mathematics | | 3.8 | 5.1 | 6.2 | 7.7 | 8.3 | 10.6 | PHS |
| Language | | | | | 8.3 | 8.3 | 11.9 | 12.3 |
| Basic Battery | | | | | 8.4 | 8.6 | 10.9 | 12.2 |

PHS means Post High School — more than 12.9

Besides standardized tests, achievements of high school seniors are a second and traditional way to sample the educational process of the Hanover Schools. At June graduation three Hanover graduates, the most allowed, qualified for the \$1,000 state scholarship — Renee Molinari, Sabrina Yagar and Mark Godfrey. Mark also was accepted into the U.S. Naval Academy. As many readers like to compare 1986 with past years as far as what Hanover graduates are doing, the following eight-year study might prove helpful:

| | 1979 | 1980 | 1981 | 1982 | 1983 | 1984 | 1985 | 1986 |
|-----------------------|------|------|------|------|------|------|------|------|
| Graduates | 198 | 225 | 208 | 194 | 188 | 169 | 202 | 167 |
| to 4 yr. colleges | 46% | 41% | 38% | 47% | 52% | 44% | 41% | 46% |
| to 2 yr. colleges | 20% | 20% | 25% | 18% | 18% | 28% | 20% | 24% |
| Total percent | 66% | 61% | 63% | 65% | 70% | 72% | 61% | 70% |
| College Acceptances | 316 | 362 | 324 | 351 | 327 | 323 | 297 | 261 |
| Nat'l Commendation | 2 | 6 | 1 | 6 | 6 | 1 | 6 | 4 |
| Local Aid (thousands) | 19.9 | 20.6 | 21.3 | 23.0 | 26.2 | 30.9 | 31.7 | 27.4 |

Several members of the Class of '87 also received academic recognition in 1986; Mary Walsh, Scott Merrill, Mark Fellenz and Edward Miller all attended the Advanced Studies Program at Milton Academy during the summer; Edward Miller also was a Merit Scholarship Semifinalist — a fine academic recognition.

Beyond tests and academic achievements at graduation, a third sample of student achievement comes in student participation in group activities like high school athletics. In 1986, in the winter season, 163 students competed on nine teams. There are more athletes in this season than in previous years partly because freshman boys' and girls' basketball have been added and partly because junior varsity ice hockey is part of the program thanks to subsidizing by the HYHA. The varsity hockey and girls' basketball teams qualified for state tourney play.

In the spring, 157 students competed on nine teams. The girls' softball team won the South Shore League championship-large school division and qualified for state tournament play. The golf team qualified for state tournament play and won the Division II South Sectional Championship. Mara Frattasio was selected for the Boston Globe, Patriot Ledger and Brockton Enterprise Softball All Star Teams. Sophomore golfer Craig Mazzini

qualified for the state individuals tourney. Andy Lagsdin was undefeated in League Tennis play and was on the Patriot Ledger All Star Team.

The fall saw 224 students participating on 11 teams. The field hockey team qualified for state tourney play. Laurie Geromini was selected for the Boston Globe, Patriot Ledger and Enterprise All Star Teams and was named the Boston Globe Field Hockey player of the year in Division II.

A report of this sort, sampling some of the activities inclusive in the process of education in Hanover, should not end without a brief word about some of the many groups and individuals who aided this process in 1986. The townspeople, the advisory committee and the capital improvement study committee helped provide basic financial support. The Permanent Scholarship Foundation, P.T.O., service organizations, music and athletic parent support groups provided additional dollars for additional, worthy activities. The entire staff of the schools, highway, maintenance, police and other town departments, AFS organization, parents individually and collectively provided support such as working with students beyond the call of duty, providing specialized services, drug abuse education efforts, opportunities for students in so many ways all so that students might gain more from the educational process in Hanover in 1986.

REPORT OF THE TOWN ACCOUNTANT

For the Fiscal Year July 1, 1985 through June 30, 1986

Board of Selectmen
Hanover, Massachusetts

I submit herewith the report of the Town Accountant in accordance with Chapter 41, Section 1 of the General Laws of Massachusetts for the fiscal year ending June 30, 1986, showing in detail the receipts and expenditures of the various Town Departments.

Also included is a Balance Sheet of the various funds for the Town of Hanover for the fiscal year ending June 30, 1986. I would like to thank the Town officials, Boards, Committees and employees for the cooperation they have extended to me.

Respectfully submitted,

Robert Bliss
Acting Town Accountant

The amounts shown for Police Officers include Base Pay, Overtime, and Special Detail pay. Our Payroll Service Bureau does not show these amounts separately. The extra pay is earned during off-duty hours, and included in the gross pay figures. The total amount paid for Special Details during the year was \$54,631.50.
