## THBL Form 8RRP- Request for Review of Revised Plans

This request may be submitted for proposed minor revisions<sup>1</sup> to an open Order of Conditions (OOC) or may be used in some cases for revisions to projects permitted under a Determination of Applicability (DOA). This form may only be used for open permits. If your permit has expired, and work has not been completed or work never commenced, a Certificate of Compliance must be submitted (for OOC's) and a new RDA or NOI application must be submitted to continue work. Revisions must be approved by a majority vote of the Conservation Commission at a duly posted meeting of the Conservation Commission.

**\*\*Only OOC's that have been recorded at the P.C. Registry of Deeds will be considered for review.\*\***

Approved: ☐ YES- as submitted and ☐ Noted on permits or ☐ revision allowed as *modified\*\** or ☐ NO- revision not allowed

<sup>1</sup> Proposed work must be minor in nature, must fall within the approved limit of work, and shall meet all required setbacks to resource areas- otherwise a new NOI or RDA is required.

<sup>2</sup> If permit not recorded, do so and submit proof of recording with this application.

<sup>3</sup> A letter request for a reduction in fees may be submitted to the Commission under some circumstances. Contact the Conservation Office at 781-826-6505.
