Introductory Letter

Please help us shape the future of Hanover.....

Customer service and community outreach is our priority. We encourage your feedback; please take a few minutes to fill out the on-line survey. This anonymous survey inquires about issues such as community priorities, municipal services, and customer service.

The results of this survey will provide us with a consumer report card for the Town by allowing residents the opportunity to rate the quality of life in Hanover and their satisfaction with community amenities and local government. The results will be compiled into a report that will be reviewed by the Board of Selectmen, Town Manager, and Department Heads. The report will also be posted on the Town's website to serve as a benchmark for years to come.

If you have any questions about the survey please call my office 781-826-5000 ext. 1031.

Your participation in this survey is very important. Thank you for your time!

Please return all survey responses to the Board of Selectmen's Office, by Friday, May 8, 2015.

Sincerely,

Troy B. G. Clarkson Town Manager
