

## **Answers to Edmund Q. Sylvester School RFP**

### **1. When were the windows replaced?**

- The windows were replaced March 2, 2007. A copy of the project manual can be found in the Planning Office in Town Hall.

### **2. What happens to the playground?**

- The existing Sylvester School playground would not be used by students in the new school as a new playground would be constructed near the Center School. It is assumed the playground will be turned over to the Town by the School Committee along with the Sylvester School building.

### **3. Are two bedrooms possible?**

- There appears to be no reason to exclude two bedroom units.
