## **CHANGE OF RATE NOTICE**

### **EFFECTIVE: JANUARY 7, 2019**

During the 2018 Town Meeting the Town voted to amend the rate structure for Television and Cathode Ray Tube (CRT) device disposals in accordance with the following fee schedule:

Television/CRT (1-30 inch screen measured diagonally):	\$10.00
Television/CRT (31-60 inch screen measured diagonally):	\$20.00
Television/CRT (>60 inch screen measured diagonally):	\$30.00

This new rate schedule will go into effect beginning **January 7, 2019**.

This new rate schedule represents increases in the cost of service charged to the Town for recycling and handling of these types of devices. This rate schedule will be reviewed on a semi-regular basis to ensure that user fees are consistent with the required operating costs for this recycling service.

Thank you for your cooperation.
