The information depicted on this map is for planning purposes only. It is not adequate for legal boundary definition, regulatory interpretation, or parcel-level analysis. This map was created using ESRI ArcView 9.2 and the Hanover Geographic Information System (GIS). For more information contact Andrew R. Fort, AICP, Town Planner for the Town of Hanover, at (781) 326-7641. Photogrammetric database data and GIS coverages provided by Environmental Partners Group (EPG) in 2004. Initial source data provided by the Assessors Department and Department of Public Works. Additional layers were created by MassGIS and the Town Planner in 2004-2009.
