# We have the network for every pair of eyes

Whatever life sends your way, our vision network  
has solutions to help you see it to the fullest

"It's hard for me to get away  
during the workday."

To fit your busy schedule, many  
eye doctors in our network have  
weekend and evening hours.

"No thanks, I see perfectly fine."

An eye exam is always a good idea; our  
network doctors have access to digital  
technology to help spot potential vision or  
health problems you may not know about.

"I wear contacts, my wife  
wants to get LASIK, and two  
of our kids need glasses."

Our network has a wide variety of  
independent and retail providers,  
so everyone in your family can see  
the doctor they want.

"I'm in an airplane at  
30,000 feet and can't get  
to the eyeglasses store."

You can shop for eyewear online  
and use your in-network benefits  
—just like you would at the store.\*
