#### **MAJOR MODIFICATION SPECIAL PERMIT AND SITE PLAN APPROVAL APPLICATION**

Notice is hereby given in accordance with Massachusetts General Laws (MGL), Chapter 40A Section 9 and 11 (the Zoning Act) and the Hanover Zoning Bylaws Sections 6, 8, 9, 10 and 11 in their entirety; that the Town of Hanover Planning Board will hold a public hearing on Monday, October 17, 2022 at 7:00 p.m. at Hanover Town Hall and also via Zoom video call for the purpose of hearing the application of Previte's Hanover LLC for a major modification to the business structure previously approved in 2018. The proposed addition is located at the rear of the structure at the existing three (3) bay loading areas; a two-story addition is proposed over this area consisting of a first floor office area and second floor office with conference room. The loading dock will have only one full size loading area remaining at the southwest corner. The first floor addition approx. 800 SF goes over the two other existing loading dock areas shortening the existing bays. Adjacent to the new addition, will be the store's dumpster while

**Major Modification SPECIAL PERMIT/SPR APPROVAL**  
**283 Columbia Road/Previte Marketplace**  
**TPL #22-17**

**DATE: November 7, 2022**

at the area of the second bay will have a garage door and continue to be used for loading/unloading of smaller trucks and/or trailers.

The site is located at: 283 Columbia Road, Hanover and is further identified as Map 57 Lot 86 & 87 consisting of a combined total of 3.62 acres of lot area located in the Business District and Water Resource Protection Overlay District.

The Public Hearing notice was advertised in the Hanover Mariner on September 28 & October 5, 2022 with notice mailed to abutters as well. The initial public hearing was held on October 17, 2022 and mutually continued to November 7, 2022 when the Planning Board voted.

### **FINDINGS**

After thorough analysis and deliberation, the Planning Board acting as the Special Permit Granting Authority (SPGA), under the applicable ZBL Sections and the original 2018 Special Permit/Site Plan Decision (PB# 17-21) found the applicant's request to be a major modification. The original decision (PB# 17-21) under general condition #4 requires that any deviation of the original 2018 approval shall be approved by the SPGA through a public hearing process. The applicants presented that the Previte Market Place has been operational since September of 2021 and has now been able to determine their actual operational space needs. The proposed addition on the first floor will service as a small office and an area for receiving and delivering. The second floor addition will be an office for the Previte's business including a small conference room area.

The proposed addition primarily covers the area previously dedicated to two (2) of the three (3) loading dock areas and in total is approximately 1,800 SF – on the first floor 800 SF and on the second floor 1,000 SF. The third loading dock at the southwest corner will remain as is for larger truck deliveries. The second loading area will be covered with the new addition but have an oversized garage door to also accept deliveries from the exterior. Adjacent to the addition at the former first loading area will be a large dumpster for the Previte's operation use with a corner concrete dock area approximately 9'6" wide around the dumpster.

The second floor addition is canter leaved over the first floor and loading dock area by approx. 2' in width. The second floor area, accessible by interior stairs and will be office space and a conference room area to be utilized by Previte. The second floor area along with the first floor has no retail component and will be utilized by employees only.

The applicants demonstrated to the SPGA a proposed truck access and exit route that will be shared with Vendors. The SPGA felt the proposed route addressed concerns as to accessibility and pedestrian safety on the lot. The SPGA found the proposed addition creates no new impervious coverage since it is going over an existing loading dock rear and therefore no

Major Modification SPECIAL PERMIT/SPR APPROVAL  
 283 Columbia Road/Previte Marketplace  
 TPL #22-17

DATE: November 7, 2022

change to the existing drainage system was deemed necessary. The SPGA also found all utilities for the new addition can be connected through the existing structure. The SPGA agreed with the Hanover Fire Department's (10/14/22) comments and has included their concerns into conditions within this decision as to the probable pinch points in the area of the new addition. No other Town Departments commented on the project.

### DECISION

Now, therefore, by unanimous vote, the Planning Board acting as the Special Permit Granting Authority hereby approves the subject application for a Major Modification of the Special Permit/Site Plan Review Decision (PB# 17-21) in accordance with the provisions of the Hanover Zoning By-law with authorization for the subject use in accordance with the above referenced and approved plans, subject to the below listed General and Special Conditions.

#### GENERAL CONDITIONS FOR SPECIAL PERMIT AND/OR SITE PLAN REVIEW

1. **ENDORSEMENT OF DECISION AND SITE PLAN:** Within thirty (30) days of the expiration of the twenty (20) day appeal period, and after having obtained the signature of the Town Clerk indicating that there has been no notice of appeal, the Planning Department shall present an original of this decision and Site Plan to the Planning Board for endorsement by the Chairperson of the Board.
2. **REQUIRED CERTIFICATION:** Prior to, or at the time of, submittal of the decision for endorsement, the applicant shall submit to the Planning Board a certification indicating, in effect, the following:

"I, (see attached at end) as representatives of/for 283 Columbia Road LLC on this date, November 7, 2022 do hereby certify that I (We) have completely read and do fully understand all General AND Special Conditions of Planning Board Decision, File #22-17, dated November 7, 2022, relative to the Major Modification Request at 283 Columbia Road. In particular, I (We) have completely read and do fully understand the Procedure for Final Special Permit/Site Plan Completion, Town Planner/ Planning Board Sign-Off, and Issuance of Occupancy Permit as described on the final pages of the Decision. Furthermore, it is my (our) intention to comply fully, with the best of my (our) ability, with all aspects of the approved Special Permit/Site Plan and with all Special and General Conditions of the Decision.

(See attached at end)  
 Signature(s)

Major Modification SPECIAL PERMIT/SPR APPROVAL  
 283 Columbia Road/Previte Marketplace  
 TPL #22-17

DATE: November 7, 2022

3. **RECORDING AT REGISTRY OF DEEDS:** Within sixty (60) days of the expiration of the twenty (20) day appeal period, the applicant shall record this endorsed Major Modification Decision at the Registry of Deeds. Evidence of such recording shall be submitted to the Planning Board and to the Building Commissioner prior to the initiation of any construction activities.
4. **NO DEVIATION FROM APPROVED PLAN:** there shall be no deviation from the approved Special Permit/Site Plan and Conditions of this Decision without prior written approval of the Planning Board. In the event that the applicant anticipates that some deviation is either necessary or desirable, he (she) shall notify the Planning Board in writing requesting modification of the Plan or the Conditions. If the Planning Board determines that the requested modification is minor in nature, the Board may grant such request. If the Board determines that the modification is not minor in nature, no such request may be granted until after a subsequent Public Hearing conducted for the purpose of fully discussing such modification. In any event, no such modification shall be undertaken until such time as the Board has approved the request in writing. Any modification or deviation shall be fully processed in accordance with this General Condition prior to the applicant initiating a request for Final or Conditional Special Permit/Site Plan Sign-Off. In the event that the applicant intends to seek a Conditional Special Permit/Site Plan Sign-Off, any paving or landscaping relief shall be completely processed in accordance with this General Condition prior to the applicant initiating a request for Conditional Special Permit/ Site Plan Sign-Off. The applicant may be required to submit a cash guarantee for the remaining outstanding work which will be returned once work is completed and As-Built Approval is voted by the Planning Board.
5. **ZONING BY-LAW COMPLIANCE:** No aspect of this Special Permit/Site Plan Approval decision or of any Condition of Approval shall be construed in such a manner so as to alleviate an owner, applicant, assign, or successor from full compliance with all pertinent provisions and requirements of the Zoning By-Law for the Town. Unless otherwise called for in this decision, requirements shall be as specified under the Hanover Zoning Bylaw.
6. **CONDITIONS FOR DEVELOPMENT:** During the course of all development and construction activities and throughout the period when uses and activities authorized by this Special Permit/Site Plan Approval decision are conducted, the applicant, owner, agents, assigns and successors shall comply with all provisions of Section 6.420 of the Zoning By-Law for the Town relative to odor, dust, smoke, noise, heat, vibration, etc.
7. **PRE-CONSTRUCTION MEETING:** At least four weeks or sooner, but prior to initiating any construction activities, the applicant(s) shall notify the Town Planner and Planning Board by

electronic mail of their intentions to start development and/or construction. A pre-construction meeting is mandatory and shall be conducted with the applicant's engineer, on-site construction supervisor or site contractor and if deemed necessary by the Town Planner, representatives from the Board of Health, Building Commissioner, Conservation Commission, Department of Public Works and Fire Department.

8. **REVIEW BY OTHERS:** The applicant shall secure all requisite permits prior to commencing any work under this Special Permit/Site Plan Approval. We specifically call your attention to the possibility of need for permits from the Board of Health, the Board of Public Works, the Board of Selectmen and the Conservation Commission. Additionally, regulatory agencies of the Commonwealth may have jurisdiction over this project.
9. **PLAN MODIFICATION BY OTHERS:** Should a permit from any other entity include provisions which require a revision of the Plan, such revision shall be submitted to the Town Planner and if necessary approved by the Planning Board prior to the start of any construction activities in accordance with General Condition #4, above.
10. **OFF-SITE WORK:** All work done off-site shall be to the satisfaction of the appropriate owner or public body having jurisdiction. In the case of Town roads, public ways, Town lands and Town easements, the work shall conform to the requirements of the Hanover Board of Public Works and to the satisfaction of the Planning Board. In the case of State roads, (Route 3, Route 53 and Route 139), the work shall conform to the requirements of the Massachusetts Highway Department.
11. **SITE CLEARING:** Approved Site Plans shall have a line of work established on the plan prior to endorsement. No trees larger than 3" caliper may be removed outside of the line of work without the prior and specific approval of the Planning Board.
12. **TIME LIMIT APPROVAL:** If substantial use of the site under this permit or construction of this project does not begin within **one (1) year** of the date of filing of this decision with the Town Clerk, then the granting of this Special Permit/Site Plan Approval shall become null and void (See ZBL Section 13.200). Furthermore, all work must be completed within **two (2) years** of the on-site construction meeting. A new application and approval shall be necessary to proceed with such construction if no extension is granted by the Planning Board.
13. **APPROVAL SCOPE:** This Special Permit/Site Plan Approval, and the obligations of the applicant set forth in the conditions hereto, shall run with the land comprising the site and

Major Modification SPECIAL PERMIT/SPR APPROVAL  
 283 Columbia Road/Previte Marketplace  
 TPL #22-17

DATE: November 7, 2022

shall inure to and be binding upon the applicant, its successors and assigns (including lessees and tenants).

14. **LANDSCAPING GENERAL:** Prior to the issuance of a Certificate of Occupancy for the subject construction, all parking areas and landscaping shown on the Plan referenced above shall be completed.
15. **LANDSCAPE MAINTENANCE:** In accordance with Section 8.320 of the Zoning By-Law, it shall be the responsibility of the owner(s) of the site to ensure that all vegetation and landscaping is maintained in a healthy condition and that any dead or dying materials be replaced at the earliest appropriate season. Any violation of this General Condition shall be considered a violation of this Special Permit/Site Plan Approval and of the Zoning By-Law for the Town and may be treated accordingly.
16. **CURBING REQUIREMENTS:** Whenever an approved Site Plan indicates a requirement for granite curbing, pre-cast concrete curbing, or sloped granite edging, all curb joints shall be grouted and sealed with a substance and in a manner compatible with the curbing material. A street opening permit shall be required from the Department of Public Works prior to initiating any work within the right of way.
17. **SIGNS:** All signage shall be erected in conformance with the Hanover Sign By-Law and all permits shall be secured before proceeding. No waivers have been granted in this Decision, and the Board will not support any future waivers with regard to signs.
18. **SITE LIGHTING:** (See Condition # 29) all site lighting shall be designed and erected in a manner such that no illumination shall spill onto adjacent lots or public ways. We specifically call your attention to the observation that the typical fixtures provided by utility companies or those generically known as "floodlights" are unlikely to provide acceptable lighting. The fixtures generically known as "sharp-cut-off" or "shoebox" are, when correctly adjusted, more likely to accomplish the required lighting.
19. **NO BUILDING PERMIT AND/OR OCCUPANCY PERMIT** shall be issued for construction/occupancy until all debts to the Town have been satisfied.
20. **SPECIAL PERMIT/SITE PLAN SIGN-OFF REQUIRED** No Occupancy Permit (temporary or permanent) shall be issued for the proposed project until the Town Planner certifies to the Building Commissioner in writing that all site work indicated on the above referenced plans has been substantially completed in accordance with said plans, this decision, and As-Built Approval has been voted by the Planning Board. At least two (2) weeks prior to seeking an

**Major Modification SPECIAL PERMIT/SPR APPROVAL**  
**283 Columbia Road/Previte Marketplace**  
**TPL #22-17**

**DATE: November 7, 2022**

Occupancy Permit/Final Inspection from the Building Commissioner, the applicant shall submit a written request to the Town Planner to make such inspections, based on an As-Built Plan provided by the Applicant showing any minor field changes. Upon recommendation from the Town Planner, the Planning Board at a public meeting will vote As-Built approval and issue an As-Built Certificate. If the request is for a temporary Certificate of Occupancy, the Planning Board shall require a cash performance guarantee be held until all work is completed and an As-Built Certificate is issued and then said funds shall be released.

21. In as much as the asphalt plants cease operations and trees or shrubs may not be successfully transplanted during the winter months, it is incumbent upon the Applicant to carefully schedule the work of the Special Permit/Site Plan to completion prior to the onset of cold weather. If for documentable reasons, beyond the Applicant's control (e.g. water use ban, bankruptcy of the contractor, etc.) the work of the Special Permit/Site Plan will not be completed prior to winter, the Town Planner will conduct a Conditional Final Inspection. The Town Planner and Planning Board may require a Performance Guarantee or evidence, in the form of executed and prepaid contracts, that the otherwise undone and undoable work will be completed, at the earliest possible date. If this procedure is deemed necessary and unavoidable, the Town Planner and Planning Board will recommend to the Building Commissioner that any Temporary Certificate of Occupancy he may issue be limited to a minimal period of time (in no case should this exceed 200 days) and tied to the completion of the Special Permit/Site Plan.
22. The Board reserves the right to treat as violations of the Zoning By-Law (Section 10) any incomplete work which remains undone at the termination of the Final Inspection by the Building Department.
23. All construction shall be in accordance with the approved site plans, building elevations/ drawings and reports referenced above in this decision.
24. All water services and installations shall be in accordance with the requirements of the Town of Hanover Department of Public Works.

#### **SPECIAL CONDITIONS**

25. The SPGA grants a major modification of the original Special Permit/Site Plan Review Approval (PB #17-21) of condition #4 to allow a two-story (1,800 SF) addition to the rear of the existing building known as Previte's Marketplace. The conditions of the original PB #17-21 decision as recorded at the Plymouth County Registry of Deeds as Book 50423 Page 96.

**Major Modification SPECIAL PERMIT/SPR APPROVAL**  
**283 Columbia Road/Previte Marketplace**  
**TPL #22-17**

**DATE: November 7, 2022**

26. The application before the SPGA dedicated the proposed addition as office space. Any modification to change of this area into retail space shall require the applicant, in accordance with Condition #4, to discuss with the SPGA if a major modification will be necessary prior to any use of the 1,800 SF addition is be utilized for any other use than office.
27. This decision addresses only the modification of the Previte's Loading dock area and the straightening of the existing retaining wall for a distance of forty (40') feet for dumpster accessibility. No other modifications to create additional loading areas along the rear of the building for other tenants are part of this decision. An open and available travel lane shall be maintained around the entire building to ensure emergency accessibility at all times for public safety. No vehicles, trucks and/or any equipment shall obstruct such access.
28. The architecture of the proposed addition shall match the existing architecture of the existing building. Any mechanical or HVAC equipment to be placed on the roof of the second floor addition shall be screened from view with some type of architectural feature.
29. In accordance with the Hanover Fire Department memo of October 14, 2022, the applicant shall post signage stating no permanent parking of trucks or vehicles within or along the travelled way adjacent to the loading area. In addition, the area of the addition and modified loading area shall be used only for the loading and unloading of trucks and trailers – no overnight parking shall occur within this area. All vendors making deliveries to the site shall be made aware of these requirements.
30. The loading and unloading of trucks within this area shall be during normal business hours and no overnight deliveries are permissible given the close proximity of the residential neighborhood. This shall also include the routine maintenance of the four (4) dumpsters located along the perimeter of the lot on the concrete pad shown on the site plan.
31. Any exterior lighting shall be so directed downward preventing glare to the neighboring residences and shall be shut off one hour after the close of the business except for any security lighting.
32. At the time of this decision the As-Built Approval for the entire site had not been closed out. The Applicants shall upon completion of the 1,800 two-story addition shall include new addition on the As-Built Plans and submit to the Planning Department for the SPGA review and approval.

The Planning Board affirms that all provisions of Sections 9 & 11 of Chapter 40A of the Massachusetts General Laws and Sections of the Hanover Zoning Bylaws were complied with as regards to procedures.

Major Modification SPECIAL PERMIT/SPR APPROVAL  
283 Columbia Road/Previte Marketplace  
TPL #22-17

DATE: November 7, 2022

NOW, THEREFORE, by vote of the Planning Board, acting as the Special Permit Granting Authority, this Major Modification of the original Special Permit/ Site Plan Approval is granted consistent with the requirements of said Sections 4.00, 6.00, 7.00, and 10.00 and all other pertinent sections of the Hanover Zoning Bylaw and upon the Special and General Conditions contained herein.

This Special Permit/Site Plan Approval shall not be effective until the Planning Board receives evidence from the applicant of recording with the Plymouth County Registry of Deeds in accordance with M.G.L., Ch. 40A, §11. Copy of proof of recording shall also be submitted by the applicant to the Planning Board (SPGA) and to the Hanover Building Inspector prior to the initiation of any construction activities.

HANOVER PLANNING BOARD
