Hi Mimi,

I request a continuance of our hearing (PB 24-1) to the February 19 meeting if the Planning Board is able to get the feedback they need from town counsel by then. I request a continuance to the March 4 meeting if the Planning Board isn't able to get the feedback they need prior to the February 19 meeting.

Thank you,  
Ce-Jay

Hi. Can you please send me a quick email asking for a continuance for your hearing (PB 24-1) to March 4 due to the Planning Board needing to get Counsels approval for wording ?  
Thanks so much
