The Hanover Conservation Commission continued the public hearing held on September 28, 2022 for the review of revised wetland protection bylaws to October 26, 2022 at 6:45 PM. Said hearing relative to the matter of the protection of wetlands is to review updates, additions and revisions to the Town of Hanover General Bylaws **Section #6-14, the Wetlands Protection Bylaw**. Said revisions relate to updates to permitting processes, a correction to the abutter notification process, addition of expedited permits, additional definitions, clarification of exemptions, and the document re-formatting for increased ease of reading. Please be aware that the proposed revisions DO NOT include revisions to resource area or buffer zone restrictions or setbacks to such areas, their size and/or designation. All such areas of the bylaw remain the same. Copies of the proposed Wetlands Protection By-Law revisions are available at the Conservation Office, via email request to [conservation@hanover-ma.gov](mailto:conservation@hanover-ma.gov) and on-line at [www.hanover-ma.gov](http://www.hanover-ma.gov). Said public hearing shall be held on October 26, 2022 at 6:45 PM at the Hanover Town Hall, second floor Hearing Room and will be available for remote attendance.
