The Hanover Conservation Commission will hold a public hearing relative to the protection of wetlands on Wednesday, March 27, 2024, at 6:15 PM. The Commission is to hear the petition of Karen McGee, Trustee of 836 Washington St. Trust, for an Abb. Notice of Resource Area Delineation (ANRAD) prepared by McKenzie Engineering Group, Inc., Norwell MA, Phone: 781-792-3900. The Commission will review the plan for resource area types and accuracy of resource area boundaries. No construction work of any kind is proposed with an ANRAD application. Wetland flagging was conducted by Brad Holmes, PWS, Environmental Consulting and Restoration, LLC in April 2022 and February 2024. This lot is located at 836 Washington St. and is designated on the Hanover Assessor's Maps as Map 31, Lot 023. Copies of the application may be examined by calling for an appointment to the above phone number for the Applicant's Engineer, or at the Conservation Commission Office. It is advisable to contact the Conservation Office on the day of the hearing *before* 4:00 PM to confirm scheduled hearings.
