

Town of Hanover – Department of Public
Specifications for Annual Bid to Furnish Drinking Water Treatment Plant Residuals
Dewatering Services

I. Invitation to Bid

1. The Town of Hanover acting through its Director of Public Works is accepting sealed bids from responsible and responsive parties for the furnishing Drinking Water Treatment Plant Residuals Dewatering Services at the Pond Street Water Treatment Plant, 40 Pond Street, Hanover MA in accordance with the following specification during the period of July 1, 2023 through June 30, 2024, with options to extend the contract for two additional years.
2. Sealed bids marked on the outside of the envelope “Bid for Drinking Water Residuals Dewatering” shall be accepted at the office of the Hanover Department of Public Works, 495 Hanover Street, Hanover MA 02339 on the approved bid forms until 2:00 local time on April 27, 2023 at which time they will be opened and read aloud. All bidders must complete and submit the attached Non-Collusion Statement, Bidder’s Certification Regarding Payment of Prevailing Wages, Tax Compliance Certificate, and Bidder’s Qualification Form. All bid forms must be either typewritten or written in ink. All signatures must be in ink.
3. Copies of this bid package may be picked up at the office of the Department of Public Works, 495 Hanover Street, Hanover, MA 02339 on or after 12:00 pm on April 10, 2023. Office hours are Monday – Friday, 8:00 am to 4:00 pm, excluding legal holidays. Bid packages are also available for download from the Hanover DPW website at <https://www.hanover-ma.gov/public-works/pages/open-bids-and-bid-results>
4. The Town of Hanover reserves the right to reject any or all bids should it be deemed in the best interest of the Town to do so.

II. Project Description:

1. The Town of Hanover, acting through its Director of Public Works, is requesting bids from qualified vendors for the dewatering of approximately 450,000 gallons of approximately 1-2 percent alum sludge from two lagoons at its Pond Street Drinking Water Treatment Facility to a 11-15 percent or higher dewatered cake, capable of passing the EPA Paint Filter Liquids Test (EPA Method 9095).
2. The lagoons to be dewatered are an integral component of an active drinking water treatment plant providing potable water to the residents of the Town of Hanover, Massachusetts. Work shall be sequenced to allow the continuous operation of these lagoons during the dewatering process. The Town will make every effort to assist the vendor in achieving the goals of this project in a timely manner.
3. The work contemplated by this contract, including demobilization of equipment, must be completed by June 30, 2024, unless extended in writing.
4. Define “tons of dewatered cake” throughout the specification as wet tons. This shall be defined as the weight of the material leaving the site minus the tare weight of the vehicle, divided by 2,000. All weights shall be as measured by the Town’s certified scale.

III. Vendor’s Responsibilities:

A. Scope of Services

1. Mobilization and demobilization.

2. Provide all necessary labor, superintendence, machinery, equipment, tools, chemicals, materials, services and other means of construction to dewater the alum residuals using a centrifuge, double belt filter press or some other mechanical means, discharging the water that is removed to the lagoons at the facility and the dewatered cake (solids) to vehicles provided by the Town of Hanover.
3. Careful attention needs to be given to the process discharge water (i.e. centrate or belt wash water) due to its discharge to the online lagoon. The vendor shall implement a treatment process to insure that the process discharge is clear and low in polymer content and other solids so it meets the Town's NPDES discharge permit and does not cause environmental harm if discharged to the adjacent wetlands.
4. Provide daily production reports.
5. Provide manpower and equipment to excavate residuals from the lagoons.
6. Provide all necessary safety equipment and controls to protect workers and prevent equipment from being operated when not attended by a qualified operator.
7. Provide temporary heat for equipment if necessary should the project require it.

B. Inherent costs included in proposal price

1. Inherent in the vendor's price shall be fuel to operate vendor's equipment, necessary spare parts to execute the contract, travel costs, food and lodging for personnel, insurance including workmen's compensation, vehicle liability insurance, and general liability insurance, as well as any and all other incidental costs needed to faithfully execute the contract.

IV. Town of Hanover's Responsibilities

A. Personnel

1. To assist the vendor and monitor the dewatering project, the Town of Hanover will provide at no cost to the vendor up to one employee to assist in the excavation of sludge from the lagoons. The Town of Hanover will also provide necessary equipment and personnel to haul and dispose of the dewatered cake away from the staging area to ensure the orderly execution of the dewatering operation.

B. Electrical Power

1. The Town of Hanover will provide electrical power (three phase 480 volts @ 100 amps within 50 feet of the staging area). The power source will be existing circuits.

C. Water Supply

1. A source of potable water of greater than or equal to 1.5 inch flow at 40 psi or greater within 50 feet of the staging area.

D. Staging Area

1. Suitable staging area for all equipment.

E. Traffic Control and Pedestrian Safety

1. The dewatering operation shall take place on public property in an area that is normally secure from traffic and pedestrians. Should traffic or pedestrian control measures be required, the Town of Hanover will provide such controls at no cost to the vendor.

F. Section XII: Title to Dewatered Residuals

1. The town will retain title to all dewatered residuals and will assume responsibility for their ultimate use, reuse, or disposal.

V. Project Timetable

A. Hours of Work

1. Dewatering equipment may be operated Monday through Friday, 7 am through 7 pm. Additional hours may be allowed, at the Town's sole discretion, based on a demonstration of compelling need by the vendor and a demonstration that the operation of equipment will not disturb the peace and tranquility of the surrounding neighborhood.

B. Project Commencement

1. The project shall commence between July 1, 2023 and June 30, 2024, unless otherwise authorized by the Director of Public Works.

C. Project Completion

1. The vendor shall use due diligence to complete this project in a timely manner. All work must be completed by June 30, 2024 unless extended by the Town.

D. Additional optional cleanouts

1. Additional cleanouts, if ordered by the Town, shall be upon mutually agreeable dates between the Town and the winning vendor.

VI. Environmental Control

A. Noise Abatement

1. The vendor shall utilize noise abatement techniques to reduce the sound generated from vendor supplied equipment to a reasonable level 1,000 feet from the project.

B. Odors

1. The vendor shall take necessary steps to prevent the spread of odors emanating from the dewatering operation from traveling beyond 750 feet of the dewatering equipment.

C. Protection of Environment

1. As the staging area shall be in the immediate vicinity of a public water supply that is surrounded by wetlands, the vendor shall take all reasonable steps to prevent the release of any fuels or chemicals from the dewatering operation into or onto the ground or surrounding wetlands.
2. The vendor shall instruct his or her employees and a designated employee from the Town in appropriate measures to control and contain spills of any fuels or chemicals used in the dewatering operation.
3. The vendor shall list in his bid proposal any chemicals proposed to be used for this dewatering operation. All chemicals shall meet applicable NSF/ANSI standards for drinking water. In addition, upon awarding of

the bid, the vendor shall supply to the town the Safety Data Sheets (SDS) of any chemicals proposed to be used for this dewatering operation. The Town reserves the right to reject any bid which it feels will endanger the health and safety of the residents of the Town of Hanover as a result of the use of any chemicals in this dewatering operation which the Town feels are inherently incompatible for use in a public water supply area.

VII. Insurance

A. Workmen's Compensation Insurance, Disability, Unemployment Compensation

1. The vendor will provide and maintain, and shall require its subcontractors to provide and maintain, all required insurance for its employees, including disability, worker's compensation, and unemployment compensation, in accordance with the laws of the Commonwealth of Massachusetts.

B. Motor Vehicle and General Liability Insurance

1. The vendor shall provide and maintain, and shall require its subcontractors to provide and maintain appropriate motor vehicle and comprehensive general liability insurance covering property damage and personal injuries in amounts equal to or greater than those currently carried by the Town. The current minimum amounts shall be general liability of at least \$1,000,000 bodily injury and property damage liability per occurrence and \$3,000,000 aggregate. The minimum amounts of automobile liability insurance shall be at least \$1,000,000 bodily injury and property damage per accident. The vendor and any subcontractor it uses, shall provide the Town of Hanover with certificates of insurance evidencing the insurance required by this paragraph, which shall name the Town as an "additional insured" and include a thirty day notice of cancellation to the Town.

VIII. Prevailing Wage

A. Prevailing Wage

1. Pursuant to M.G.L., the contractor shall pay all personnel involved in the execution of this contract the prevailing local union wage for such activities. The prevailing wage rates as determined by the Commonwealth of Massachusetts, Department of Labor, Division of Occupational Safety are attached.
2. The contractor shall provide the town with certification that the prevailing wages have been paid at the completion of the project.

IX. Pricing Structure and Rule for Award

A. Rule for award

1. One contract will be awarded to the responsive and responsible bidder offering the base bid and the most dewatered cake by weight based on the base bid and alternates at the lowest total price that does not exceed the Town's appropriation of \$60,000.

B. Base Bid

1. The base bid shall include the following items:
 - a. Mobilization costs
 - b. Dewatering sufficient residuals to produce the first 20 tons of dewatered cake.
 - c. Demobilization costs

C. Alternates

1. Dewatering sufficient residuals to produce each additional 20 tons of dewatered cake, in quantities as directed by the Director of Public Works, up to a maximum contract price of \$60,000.

D. Certified Scale

The Town will provide a certified scale, sealed by the Town's Sealer of Weights and Measures, for the measurement of the dewatered cake.

E. Right to Reject

The Town reserves the sole right to reject loads of dewatered cake if there are free flowing liquids or the Town feels the dewatered cake does not meet the basic consistency requirements of Section II, item 1. Rejected loads will not be paid for.

X. Payments

A. Terms

1. The payment terms of this contract shall be net 30.
2. The Town of Hanover is Tax Exempt.

XI. Right to Suspend/Terminate Work

A. Town's Rights

1. The town retains the exclusive right to suspend/terminate the project based on quality or quantity of dewatered cake. The decision to suspend or terminate rests solely with the Director of Public Works for the Town of Hanover whose decision is final.

B. Vendor's Rights

1. Should the Town terminate or suspend the project, the vendor's sole recourse shall be collection of the base bid (mobilization charge, demobilization charge, charge for the first 20 tons of dewatered cake) and payment for any additional tons dewatered under the alternates that have been authorized and completed.

XII. Options to Renew

1. The Town of Hanover shall have the sole option to renew this contract for two additional one year periods. This option shall be exercised in writing. For option year 1 (September 1, 2023 – August 31, 2024), this renewal shall be exercised between 3/1/2023 and 7/15/2023. For option year 2 (September 1, 2024 – August 31, 2025), this renewal option shall be exercised between 3/1/2024 and 7/15/2024. Should the Town exercise its renewal option, we will entertain price adjustments based on changes to the prevailing wages.

XIII. Options for Multiple Services in a Contract Year

1. The Town of Hanover shall have the sole option to determine when a contract service is complete and shall have the option to request more than one cleanout of the residuals lagoons in a contract year. Each service shall be based on the payment structure proposed in the bid sheet (i.e. a separate mobilization/demobilization charge for each service and the same per 20 ton rate.) This option is solely at the Town's discretion, subject to the contractor's availability and subject to the availability of funds.

XIV. Additional Information

The Town provides the following information for interested bidders. Numbers are approximate. In no way does the past production from the Town's residuals dewatering contracts or the anticipated quantities suggested by the specification obligate the Town to dewater any set amount of residuals. The total volume shall be determined by the Director of Public Works.

Previous contracts for residuals dewatering:

XV. Bid Form

The undersigned hereby proposes to supply all labor, equipment and materials to dewater approximately 450,000 gallons of approximately 1-2 percent alum sludge from two lagoons at the Pond Street Drinking Water Treatment Facility to a 15-20 percent or higher dewatered cake, capable of passing the EPA Paint Filter Liquids Test (EPA Method 9095). All work shall be in compliance with the specifications listed above.

The Town of Hanover is Tax Exempt.

Base Bid:

1. Fixed mobilization charge: _____
2. Price to dewater sufficient residuals to
produce the first 20 tons of dewatered cake: _____
3. Fixed demobilization charge: _____

Total price of Base Bid: (sum of items 1-3): _____

Alternates:

- 1 Price to dewater sufficient residuals to produce each additional 20 tons of dewatered cake,
in quantities as directed by the Director of Public Works, up to a maximum contract
price of \$60,000 per cleanout : _____ (per 20 tons)

BIDDER'S CERTIFICATION REGARDING
PAYMENT OF PREVAILING WAGES

The undersigned bidder hereby certifies, under the pains and penalties of perjury, the foregoing bid is based upon the payment to laborers to be employed on the project of wages in an amount no less than the applicable prevailing wage rates established for the project by the Massachusetts Department of Labor and Industries. The undersigned bidder agrees to indemnify the awarding authority for, from and against any loss, expense, damages, action or claims, including any expense incurred in connection with any delay or stoppage of the project work, arising out of or as a result of (1) the failure of the said bid to be based upon the payment of the said applicable prevailing wage rates or (2) the failure of the bidder, if selected as the contractor, to pay laborers employed on the project the said applicable prevailing wage rates.

Job Location: Hanover, MA

Information about Prevailing Wage Schedules for Awarding Authorities and Contractors

- **The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor.** For multi-year CM AT RISK projects, the awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. The annual update requirement is not applicable to 27F "rental of equipment" contracts. **The updated wage schedule must be provided to all contractors, including general and sub-contractors, working on the construction project.**
- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the "Wage Request Number" on all pages of this schedule.
- An Awarding Authority must request an updated wage schedule if it has not opened bids or selected a contractor within 90 days of the date of issuance of the wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or a sub-contractor.
- Apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentices must keep their apprentice identification card on their persons during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage rate at the applicable step as provided on the prevailing wage schedule. **Any apprentice not registered with DAS regardless of whether they are registered with another federal, state, local, or private agency must be paid the journeyworker's rate.**
- Every contractor or subcontractor working on the construction project must submit weekly payroll reports and a Statement of Compliance directly to the awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee's name, address, occupational classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. For a sample payroll reporting form go to <http://www.mass.gov/dols/pw>.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617) 626-6953.
- Contractors must obtain the wage schedules from awarding authorities. Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may file a complaint with the Fair Labor Division of the office of the Attorney General at (617) 727-3465.

Additional Apprenticeship Information:

Minimum wage rates for apprentices employed on public works projects are listed above as a percentage of the pre-determined hourly wage rate established by the Commissioner under the provisions of the M.G.L. c. 149, ss. 26-27D. Apprentice ratios are established by the Division of Apprenticeship Training pursuant to M.G.L. c. 23, ss. 11E-11L.

All apprentices must be registered with the Division of Apprenticeship Training in accordance with M.G.L. c. 23, ss. 11E-11L.

All steps are six months (1000 hours.)

Ratios are expressed in allowable number of apprentices to journeymen or fraction thereof, unless otherwise specified.

** Multiple ratios are listed in the comment field.
