2. Welcome Steve Louko as the Selectboard's Liaison to the Conservation Commission.
3. Request for Conservation Representative to the Community Preservation Committee
4. Request for Conservation Representative to the Master Plan Implementation Committee
5. Next Meeting: August 25, 2021
6. Future Conservation Meetings- In-house and remote while possible.

III. ADMINISTRATIVE:

1. Minutes- 6/30/21
2. Agent's Report
 - a. Fireworks Site- The Amended OOC for SE 31-1182 for additional work within Wetland D and B using mechanical devices, removal of contaminated organic soils, and wetland restoration issued on 7/21/21. The Determination of Applicability for geotechnical borings within Factory Pond, and an Extension Request for SE 31-1182, were also issued on 7/21/21. Work is scheduled for August 2021 for the geotechnical borings and time-of-year restrictions for work within the wetlands/vernal pools will be coordinated with dry conditions to avoid damage to hatching amphibians, etc. The application for work within the pond for removal of mercury (Hg) and other materials of concern was received and is scheduled for a public hearing on July 28, 2021. MA DEP continues its sediment sampling evaluation within the Indian Head River Corridor from Factory Pond Dam to, and downstream of, the Luddam's Ford Dam.
 - b. Hanover Crossing- Work continues for the Mall portion of the site, the waste water treatment plant has been decommissioned, and one of the main buildings is under construction. Several discussions regarding the residential portion took place as pre-construction and site prep activities continue near the Mill St. entrance. A request to amend the Order of Conditions is still pending to add new owner information for the residential portion and other related information that has changed due to the sale for a portion of the site.
 - c. Factory Pond Dam- A 7/15/21 notice from DCR/ODS lists this dam as "Significant" for hazard potential.
 - d. Natural Resource Damages Grants (NRD)- Recent meetings with the Town Manager, CDMI Director, and Conservation Agent resulted in letters of support from the Town, DPW, and Conservation Commission being submitted last week to the Executive Director of NSRWA to move forward with this grant opportunity.
 - e. Cumberland Farms- A request for Certificate of Compliance is still pending for this project.
 - f. The following Minor Activities and Event Permits were issued:
 - CMA-21-9- Minor Acts Permit- for installation of irrigation well +95' from Torrey Brook
 - CHPD-21-10 & 11- Scheduled Event- for July 15 & 26, 28, 30 training events at Clark Bog Firing Range
3. Other - Those items not reasonably anticipated by the Chair within 48 hours of the meeting

¹ DEP File number not issued as of agenda posting.
