**Cape Cod Watershed
Flood Insurance Webinar**
Wednesday, April 14, 2021
9:30-10:30 a.m.

Flood risks are changing in the Cape Cod Watershed.

The Cape Cod Watershed Preliminary Flood Insurance Rate Map has been released.

Join us for a **Flood Insurance Webinar** for professionals such as community officials, real estate agents, lenders and insurance agents to understand how the updated map will impact flood insurance, hear more about the National Flood Insurance Program's (NFIP) insurance rating options, and walk away with helpful tools and resources.
