New Business

Body Art Regulations (Revisions – to add Micro-blading and Micro-pigmentation) – The Board reviewed the existing Body Art Regulations with edits to include Micro-blading and Micro-pigmentation with Nancy Funder, Public Health Nurse. Mrs. Funder and the Board discussed/reviewed the requirements necessary to perform those services prior to being permitted in Hanover. The discussion also included training requirements and pre-requisites required before permitting applicants and the size of the area and location of the services performed. Mrs. Funder will make further changes as determined by the Board at this meeting and present the revised regulations for approval at the next Board of Health meeting.

Bodyworks Regulations – The board will review Bodywork Regulations when these may be required, as massage regulations do not cover bodyworks. These can be developed if there is a future need for the Town of Hanover. We will research and reach out to the other town offices in the sounding towns to determine requirements.
