

①

4/30
7pm - call to order

Steve Seddas, Mike Tuman, Ed Alicea
April Manoppelli, Art Ceunats

FPP w/ summer camp get expensive
& leverage funds & break up montony.
1. First Challenge - cost

~~cost~~

3 day camp at FPP 9-12
at end of August 15
picnic at end

Art is asking counselors for input &
idea

LISA at Team extreme is looking to have
the kids walk to FPP & do things there

There is a revolving acct for FPP
field maintenance

ANAA gave \$20,000 - Art will verify
where \$ was deposited

Dan Griffin - family thrilled with
plaque & willing to help out with

~~lauren~~ ~~Spald~~ Lauren contact Karen
Morrow to see if she is still liaison

1/30002 - trailer delivered - value \$12,925.00
we have been paying \$2000.00 a month
since

(3)

Art had bldg inspector check out old gazebo, and he said it could be short \$ to close in & get rid of trailer

Tree donation - prehistoric, Tiv talked to Jim Vail at Village Green, she agreed to cut price in half for \$950.00
Friends will pay he will OK in late September

Blanket Permit - HYAA (Partners)
in order to avoid conflicts next year it falls on weekends. Possibly place stipulation on permit form or have permits - 1 - M - ~~TH~~ TH → FPP only
 2 - Fri Sat & Sun → only
on the sat & sun permit there will be a line item, stating that if a money making event comes in we will give notice 2-3 months about incoming event

Should FPP be used only for games & not practices

We could remove the backstop at Beverett Hall. Curvels x2
or place wood on back stops & rotate till fields & plant grass

Lauren Inute Dan Flaherty, Same, &
Dore Bristol to next meeting

③

softballs - Guys want to get things going. At FDP - the softball fields need to have higher back stops & top of fence & drop out roof but we can use soft hitting this is a Victor issue we need to get together with Vic asap.

- Don Dalry - would like to do a rink with boards, we have that space at B Everett Hall.

Victor is still responsible for maintenance

FDP is a special park & needs its own permit

Find out water situation from Victor - Lauren can find out. need to confirm there is a source of H₂O for softball & where source is from. Need to confirm water issue resolved

Subcommittee can create new permits for next meeting

Web calendar - permitting

Marketing Plan for Park possibly Steve & Kelly can work together to create marketing plan

Regional park

10's & 12's & 14's for softball

⑩

SSSS league com

7/14 - 10 am

panera - for food - april doing

solar - april looking into

website - marketing

Mike voted to accept the meeting minutes from 10-2-15. Ed seconds the motion.

Jason Cavalloho - 9/20 - Touch a truck proceeds to improve town play grounds

Lauren invite Jason to August meeting

To get hard wired security cameras at JFPP the cost would be 5300.00 (5 cameras w/ DVR)

Did we increase fees this year for Summer Park & rec.

The fertilization people didn't show up when expected

8:40 - Mike votes to adjourn meeting Steve seconds it.
