## 2021 RESIDENTIAL TRANSFER STATION PERMITS

New **BLUE** residential stickers for the Transfer Station will be issued beginning October 1, 2020. **All residents must have a new sticker by January 1, 2021 for access to the Transfer Station and Ames Way Brush/Grass Disposal areas.** The Department of Public Works will continue to issue Transfer Station stickers by emailing [contracts@hanoverdpw.org](mailto:contracts@hanoverdpw.org) or through the mail to make obtaining a sticker more convenient for residents. If you wish to obtain a sticker by mail or email please provide the following documents to the Department of Public Works, 40 Pond Street, Hanover MA 02339 or [contracts@hanoverdpw.org](mailto:contracts@hanoverdpw.org) :

- A copy of your **current vehicle registration** must be provided for **each** vehicle application in order to obtain a sticker for the vehicle.

If the address on the vehicle registration is not a local Hanover address, you will **also** need to provide a copy of a document showing your Name and Hanover residence such as driver's license or current utility bill.

Once the DPW receives the required information & documentation for a permit/sticker, one will be mailed to you. **The sticker must then be placed on the inside of windshield on the lower left corner of the driver's side of the vehicle.**

If obtaining the sticker through the mail or email is inconvenient, residents may come to the DPW office at 40 Pond Street with the proper documentation, including a copy of your current vehicle registration, and the sticker will be issued in person. Our office hours are Mon-Fri, 8:00 am to 4:00 pm.
