

Scenes of Spring 2020

The Hanover COA will present John Galluzzo on
Wednesday, July 15 at 1pm
for a discussion titled: **Scenes of Spring 2020**

John went out for a nature walk every day this year very locally, mostly Hanover and Norwell, and during the pandemic he found some pretty amazing things (lots of wildflowers, he rescued a baby owl, etc.).

Join John on his adventures

Email nancy.lester@hanover-ma.gov to sign up for the zoom call.

We will send you the meeting information.
