WAIVER AGREEMENT Public Hearing/Meeting Time Frame

Project Location: _____, Hanover, MA

To the Town of Hanover Conservation Commission:

I understand that the Conservation Commission makes every effort to hold a public hearing within the mandated 21-day period and render a decision within the accompanying deadline. However, I hereby waive the time requirement set forth in Chapter 131 §40 (Wetlands Protection Act), its associated Regulations 310 CMR 10.00, and the Town of Hanover Wetlands Protection By-Law #6-14, due to unforeseen circumstances that do not allow a timely hearing.

In agreeing with this waiver, I accept that the public hearing will take place as soon as it is possible and safe to do so. I further understand that this may include additional mandates from the State and/or Federal government due to the current CV-19 situation.
