THBL Form 8RRP- Request for Review of Revised Plans

This request may be submitted for proposed revisions to an Order of Conditions (OOC) or may be used in some cases for revisions to projects permitted under a Determination of Applicability (DOA). Requests for review of revised plans may only be submitted for open permits. If your permit has expired, and work has not been completed or work never commenced, a new RDA or NOI application must be submitted to continue work. Revisions must be approved by a majority vote of the Commission at a duly posted meeting of the Conservation Commission.

Only OOC's that have been recorded at the P.C. Registry of Deeds will be considered for review.
