

Who May Use the Pantry?

Any Hanover resident,
Any member of a Hanover church
congregation is welcome.

How Often May I Come?

One visit per month, or as needed if
a crisis exists.

How Do I Qualify?

There is no qualification beyond hunger.
Our fundamental goal is to provide food to
any member of our community in need.

Facility Regulations

The Food Pantry shares space with a Pre-School in the lower level of the church.

As good neighbors, we ask that the
following regulations are followed:

NO SMOKING

Anywhere on church property

No parking in the two marked spaces near
the school entrance set aside for drop off
and pick up.

Use the Pantry entrance only.

One unisex bathroom is available for our
clients and volunteers.

The Organization

The Hanover Emergency Food Pantry has been helping families for 28 years.

A different team of volunteers staff the pantry on a 6-week rotation, drawing from the membership of five participating churches and the Hanover Women's Club.

The Pantry exists through the support and hard work of many members of the community. With the assistance of monetary donations from service groups and local businesses, weekly church donations, school food drives and local supermarket donation sites, we keep the shelves stocked.

A Simple Gesture – Hanover

This organization now provides the Pantry with a consistent, predictable and reliable food delivery every other month

Anyone interested in making regular contributions to assist the Pantry can go to their website:

asghanover.org

and sign up.

They will provide a green bag and list of items needed along with their pick-up schedule.

On the designated pick up day, leave your bag outside your front door. A neighborhood volunteer will pick it up, leave a new one and deliver the food directly to the Hanover Food Pantry.

What to Expect When you Visit

Our pantry opens at 12:30 on Wednesday. When you arrive, we ask each guest to fill out an application so that we can best meet the individual family needs. A list of suggested groceries is helpful.

Please let us know if there are food allergies or nutritional restrictions.

Volunteers will choose items from our shelves and present the completed order to each client in a grocery cart.

We provide a 3-Day supply of food based on the family size.

How you can help...
