

Septic Maintenance

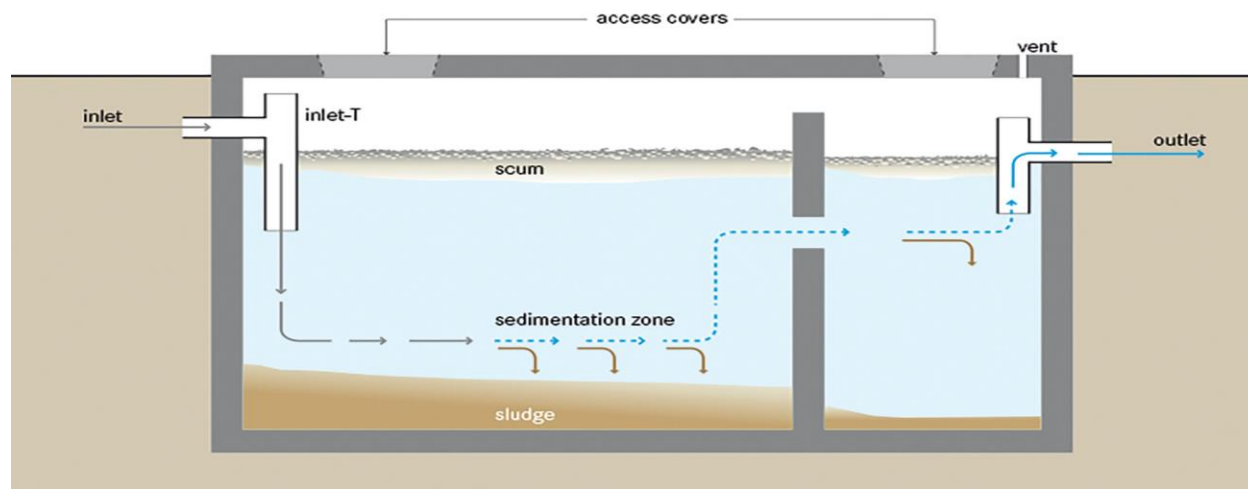

PUMP IT!

Did you know you should have your septic tank pumped every 3-5 years? For more information on how to care for your septic system go to www.nsrwa.org/get-watersmart/septic-systems

Pump It!

Did You Know?

You should have your septic tank pumped **every 3-5 years**. Call a local service provider for more information on yours.

Do your part, be WaterSMART
